~~(B) when the option to become the owner of the goods is granted to the lessee, the price is stated to be the fair market value of the goods determined at the time the option is to be performed;~~

~~(ii) additional consideration is nominal if it is less than the lessee's reasonably predictable cost of performing under the lease agreement if the option is not exercised;~~

~~(iii) "reasonably predictable" and "remaining economic life of the goods" are to be determined with reference to the facts and circumstances at the time the transaction is entered into; and~~

~~(iv) "present value" means the amount as of a date certain of one or more sums payable in the future, discounted to the date certain. The discount is determined by the interest rate specified by the parties if the rate is not manifestly unreasonable at the time the transaction is entered into; otherwise, the discount is determined by a commercially reasonable rate that takes into account the facts and circumstances of each case at the time the transaction was entered into.~~

Whenever this code requires any action to be taken within a reasonable time, any time which is not manifestly unreasonable may be fixed by agreement.

(3) The presence in certain provisions of this code of the phrase “unless otherwise agreed”, or words of similar import, does not imply that the effect of other provisions may not be varied by agreement under this section.

“30-2-310. Open time for payment or running of credit — authority to ship under reservation. Unless otherwise agreed:

(a) payment is due at the time and place at which the buyer is to receive the goods even though the place of shipment is the place of delivery; and

(b) if the seller is authorized to send the goods ~~he the seller~~ may ship them under reservation, and may tender the documents of title, but the buyer may inspect the goods after their arrival before payment is due unless such inspection is inconsistent with the terms of the contract (30-2-513); and

(c) if delivery is authorized and made by way of documents of title otherwise than by subsection (b) then payment is due *regardless of where the goods are to be received*:

(i) at the time and place at which the buyer is to receive *delivery of the tangible* documents ~~regardless of where the goods are to be received~~;

(ii) *at the time the buyer is to receive delivery of the electronic documents and at the seller’s place of business or, if none, the seller’s residence*; and

(d) where the seller is required or authorized to ship the goods on credit the credit period runs from the time of shipment but postdating the invoice or delaying its dispatch will correspondingly delay the starting of the credit period.”

Section 16. Section 30-2-323, MCA, is amended to read:

“30-2-323. Form of bill of lading required in overseas shipment — “overseas”. (1) Where the contract contemplates overseas shipment and contains a term C.I.F. or C.&F. or F.O.B. vessel, the seller unless otherwise

agreed must obtain a negotiable bill of lading stating that the goods have been loaded on board or, in the case of a term C.I.F. or C.&F., received for shipment.

(2) Where in a case within subsection (1) a *tangible* bill of lading has been issued in a set of parts, unless otherwise agreed if the documents are not to be sent from abroad the buyer may demand tender of the full set; otherwise only one part of the bill of lading need be tendered. Even if the agreement expressly requires a full set:

(a) due tender of a single part is acceptable within the provisions of this chapter on cure of improper delivery (subsection (1) of 30-2-508); and

(b) even though the full set is demanded, if the documents are sent from abroad the person tendering an incomplete set may nevertheless require payment upon furnishing an indemnity which the buyer in good faith deems adequate.

(3) A shipment by water or by air or a contract contemplating such shipment is "overseas" insofar as by usage of trade or agreement it is subject to the commercial, financing or shipping practices characteristic of international deep water commerce."

Section 17. Section 30-2-401, MCA, is amended to read:

"30-2-401. Passing of title — reservation for security — limited application of this section. Each provision of this chapter with regard to the rights, obligations and remedies of the seller, the buyer, purchasers or other third parties applies irrespective of title to the goods except where the provision refers to such title. Insofar as situations are not covered by the other provisions of this chapter and matters concerning title become material the following rules apply:

(1) Title to goods cannot pass under a contract for sale prior to their identification to the contract (30-2-501), and unless otherwise explicitly agreed the buyer acquires by their identification a special property as limited by this code. Any retention or reservation by the seller of the title (property) in goods shipped or delivered to the buyer is limited in effect to a reservation of a security interest. Subject to these provisions and to the provisions of the Chapter on Secured Transactions (Chapter 9A), title to goods passes from the seller to the buyer in any manner and on any conditions explicitly agreed on by the parties.

(2) Unless otherwise explicitly agreed title passes to the buyer at the time and place at which the seller completes his performance with reference to the physical delivery of the goods, despite any reservation of a security interest and even though a document of title is to be delivered at a different time or place; and in particular and despite any reservation of a security interest by the bill of lading:

(a) if the contract requires or authorizes the seller to send the goods to the buyer but does not require ~~him~~ *the seller* to deliver them at destination, title passes to the buyer at the time and place of shipment; but

(b) if the contract requires delivery at destination, title passes on tender there.

(3) Unless otherwise explicitly agreed where delivery is to be made without moving the goods,

(a) if the seller is to deliver a *tangible* document of title, title passes at the time when and the place where ~~he~~ *the seller* delivers such documents *and if the seller is to deliver an electronic document of title, title passes when the seller delivers the document*; or

(b) if the goods are at the time of contracting already identified and no documents *of title* are to be delivered, title passes at the time and place of contracting.

(4) For transactions involving interstate shipment of cattle or cattle being released from auction yards for interstate shipment the seller may issue a regular title or bill of sale, or give a conditional transfer of title or bill of sale. The conditional transfer of title or bill of sale is fully validated and the title passes when the following conditions are met:

(a) the bank on which the buyer's warrant, check, or draft was drawn notifies the seller, or his designated bank, that the instrument of payment has cleared the bank for payment; and

(b) a copy of the notification from the buyer's bank is attached to the conditional transfer of title or bill of sale.

(5) A rejection or other refusal by the buyer to receive or retain the goods, whether or not justified, or a justified revocation of acceptance ~~revests~~ *retests* title to the goods in the seller. Such ~~revesting~~ *retesting* occurs by operation of law and is not a "sale".

Section 18. Section 30-2-503, MCA, is amended to read:

"30-2-503. Manner of seller's tender of delivery. (1) Tender of delivery requires that the seller put and hold conforming goods at the buyer's disposition and give the buyer any notification reasonably necessary to enable ~~him~~ *the buyer* to take delivery. The manner, time and place for tender are determined by the agreement and this chapter, and in particular:

(a) tender must be at a reasonable hour, and if it is of goods they must be kept available for the period reasonably necessary to enable the buyer to take possession; but

(b) unless otherwise agreed the buyer must furnish facilities reasonably suited to the receipt of the goods.

(2) Where the case is within the next section respecting shipment tender requires that the seller comply with its provisions.

(3) Where the seller is required to deliver at a particular destination tender requires that ~~he~~ *the seller* comply with subsection (1) and also in any appropriate case tender documents as described in subsections (4) and (5) of this section.

(4) Where goods are in the possession of a bailee and are to be delivered without being moved:

(a) tender requires that the seller either tender a negotiable document of title covering such goods or procure acknowledgment by the bailee of the buyer's right to possession of the goods; but

(b) tender to the buyer of a nonnegotiable document of title or of a ~~written direction to record directing~~ the bailee to deliver is sufficient tender unless the buyer seasonably objects, and *except as otherwise provided in chapter 9A* receipt by the bailee of notification of the buyer's rights fixes those rights as against the bailee and all third persons; but risk of loss of the goods and of any failure by the bailee to honor the nonnegotiable document of title or to obey the direction remains on the seller until the buyer has had a reasonable time to present the document or direction, and a refusal by the bailee to honor the document or to obey the direction defeats the tender.

(5) Where the contract requires the seller to deliver documents:

(a) ~~he the seller~~ must tender all such documents in correct form, ~~except as provided in this chapter with respect to bills of lading in a set (subsection (2) of 30-2-323); and~~

(b) tender through customary banking channels is sufficient and dishonor of a draft accompanying the documents constitutes nonacceptance or rejection.”

Section 19. Section 30-2-506, MCA, is amended to read:

“30-2-506. Rights of financing agency. (1) A financing agency by paying or purchasing for value a draft which relates to a shipment of goods acquires to the extent of the payment or purchase and in addition to its own rights under the draft and any document of title securing it any rights of the shipper in the goods including the right to stop delivery and the shipper’s right to have the draft honored by the buyer.

(2) The right to reimbursement of a financing agency which has in good faith honored or purchased the draft under commitment to or authority from the buyer is not impaired by subsequent discovery of defects with reference to any relevant document which was apparently regular ~~on its face.~~”

Section 20. Section 30-2-509, MCA, is amended to read:

“30-2-509. Risk of loss in the absence of breach. (1) Where the contract requires or authorizes the seller to ship the goods by carrier:

(a) if it does not require ~~him the seller~~ to deliver them at a particular destination, the risk of loss passes to the buyer when the goods are ~~duly~~ delivered to the carrier even though the shipment is under reservation (30-2-505); but

(b) if it does require ~~him the seller~~ to deliver them at a particular destination and the goods are there ~~duly~~ tendered while in the possession of the carrier, the risk of loss passes to the buyer when the goods are there ~~duly~~ so tendered as to enable the buyer to take delivery.

(2) Where the goods are held by a bailee to be delivered without being moved, the risk of loss passes to the buyer:

(a) on ~~his the buyer’s~~ receipt of *possession or control* of a negotiable document of title covering the goods; or

(b) on acknowledgment by the bailee of the buyer’s right to possession of the goods; or

(c) after his receipt of *possession or control* of a nonnegotiable document of title or other ~~written~~ direction to deliver *in a record*, as provided in subsection (4)(b) of 30-2-503.

(3) In any case not within subsection (1) or (2), the risk of loss passes to the buyer on ~~his the buyer’s~~ receipt of the goods if the seller is a merchant; otherwise the risk passes to the buyer on tender of delivery.

(4) The provisions of this section are subject to contrary agreement of the parties and to the provisions of this chapter on sale on approval (30-2-327) and on effect of breach on risk of loss (30-2-510).”

Section 21. Section 30-2-605, MCA, is amended to read:

“30-2-605. Waiver of buyer’s objections by failure to particularize. (1) The buyer’s failure to state in connection with rejection a particular defect which is ascertainable by reasonable inspection precludes ~~him the buyer~~ from relying on the unstated defect to justify rejection or to establish breach:

- (a) where the seller could have cured it if stated seasonably; or
 - (b) between merchants when the seller has after rejection made a request in writing for a full and final written statement of all defects on which the buyer proposes to rely.
- (2) Payment against documents made without reservation of rights precludes recovery of the payment for defects apparent ~~on the face of~~ *in* the documents.”

Section 22. Section 30-2-705, MCA, is amended to read:

“30-2-705. Seller’s stoppage of delivery in transit or otherwise. (1) The seller may stop delivery of goods in the possession of a carrier or other bailee when ~~he~~ *the seller* discovers the buyer to be insolvent (30-2-702) and may stop delivery of carload, truckload, planeload or larger shipments of express or freight when the buyer repudiates or fails to make a payment due before delivery or if for any other reason the seller has a right to withhold or reclaim the goods.

- (2) As against such buyer the seller may stop delivery until:
- (a) receipt of the goods by the buyer; or
 - (b) acknowledgment to the buyer by any bailee of the goods except a carrier that the bailee holds the goods for the buyer; or
 - (c) such acknowledgment to the buyer by a carrier by reshipment or as ~~warehouseman~~ *a warehouse*; or
 - (d) negotiation to the buyer of any negotiable document of title covering the goods.
- (3) (a) To stop delivery the seller must so notify as to enable the bailee by reasonable diligence to prevent delivery of the goods.
- (b) After such notification the bailee must hold and deliver the goods according to the directions of the seller but the seller is liable to the bailee for any ensuing charges or damages.
- (c) If a negotiable document of title has been issued for goods the bailee is not obliged to obey a notification to stop until surrender of *possession or control* of the document.
- (d) A carrier ~~who~~ *that* has issued a nonnegotiable bill of lading is not obliged to obey a notification to stop received from a person other than the consignor.”

Section 23. Section 30-2A-103, MCA, is amended to read:

“30-2A-103. Definitions and index of definitions. (1) In this chapter, unless the context otherwise requires, the following definitions apply:

- (a) “Buyer in ordinary course of business” means a person, who in good faith and without knowledge that the sale to the buyer is in violation of the ownership rights or security interest or leasehold interest of a third party in the goods, buys in ordinary course from a person in the business of selling goods of that kind, but the term does not include a pawnbroker. “Buying” may be for cash or by exchange of other property or on secured or unsecured credit and includes ~~receiving~~ *acquiring* goods or documents of title under a preexisting contract for sale but does not include a transfer in bulk or as security for or in total or partial satisfaction of a money debt.
- (b) “Cancellation” occurs when either party puts an end to the lease contract for default by the other party.

(c) "Commercial unit" means such a unit of goods as by commercial usage is a single whole for purposes of lease and division of which materially impairs its character or value on the market or in use. A commercial unit may be a single article, as a machine; a set of articles, as a suite of furniture or a line of machinery; a quantity, as a gross or carload; or any other unit treated in use or in the relevant market as a single whole.

(d) "Conforming" goods or performance under a lease contract means goods or performance that is in accordance with the obligations under the lease contract.

(e) "Consumer lease" means a lease that a lessor regularly engaged in the business of leasing or selling makes to a lessee who is an individual and who takes under the lease primarily for a personal, family, or household purpose if the total payments to be made under the lease contract, excluding payments for options to renew or buy, do not exceed \$25,000.

(f) "Fault" means wrongful act, omission, breach, or default.

(g) "Finance lease" means a lease with respect to which:

(i) the lessor does not select, manufacture, or supply the goods;

(ii) the lessor acquires the goods or the right to possession and use of the goods in connection with the lease; and

(iii) one of the following occurs:

(A) the lessee receives a copy of the contract by which the lessor acquired the goods or the right to possession and use of the goods before signing the lease contract;

(B) the lessee's approval of the contract by which the lessor acquired the goods or the right to possession and use of the goods is a condition to effectiveness of the lease contract;

(C) the lessee, before signing the lease contract, receives an accurate and complete statement designating the promises and warranties, and any disclaimers of warranties, limitations or modifications of remedies, or liquidated damages, including those of a third party, such as the manufacturer of the goods, provided to the lessor by the person supplying the goods in connection with or as part of the contract by which the lessor acquired the goods or the right to possession and use of the goods; or

(D) if the lease is not a consumer lease, the lessor, before the lessee signs the lease contract, informs the lessee in writing:

(I) of the identity of the person supplying the goods to the lessor, unless the lessee has selected that person and directed the lessor to acquire the goods or the right to possession and use of the goods from that person;

(II) that the lessee is entitled under this chapter to the promises and warranties, including those of any third party, provided to the lessor by the person supplying the goods in connection with or as part of the contract by which the lessor acquired the goods or the right to possession and use of the goods; and

(III) that the lessee may communicate with the person supplying the goods to the lessor and receive an accurate and complete statement of those promises and warranties, including any disclaimers and limitations of them or of remedies.

(h) "Goods" means all things that are movable at the time of identification to the lease contract, or are fixtures (30-2A-309), but the term does not include money, documents, instruments, accounts, chattel paper, general intangibles,

or minerals or the like, including oil and gas, before extraction. The term also includes the unborn young of animals.

(i) "Installment lease contract" means a lease contract that authorizes or requires the delivery of goods in separate lots to be separately accepted, even though the lease contract contains a clause "each delivery is a separate lease" or its equivalent.

(j) "Lease" means a transfer of the right to possession and use of goods for a term in return for consideration, but a sale, including a sale on approval or a sale or return, or retention or creation of a security interest is not a lease. Unless the context clearly indicates otherwise, the term includes a sublease.

(k) "Lease agreement" means the bargain, with respect to the lease, of the lessor and the lessee in fact as found in their language or by implication from other circumstances, including course of dealing or usage of trade or course of performance as provided in this chapter. Unless the context clearly indicates otherwise, the term includes a sublease agreement.

(l) "Lease contract" means the total legal obligation that results from the lease agreement as affected by this chapter and any other applicable rules of law. Unless the context clearly indicates otherwise, the term includes a sublease contract.

(m) "Leasehold interest" means the interest of the lessor or the lessee under a lease contract.

(n) "Lessee" means a person who acquires the right to possession and use of goods under a lease. Unless the context clearly indicates otherwise, the term includes a ~~sublessee~~ *sublease*.

(o) "Lessee in ordinary course of business" means a person, who in good faith and without knowledge that the lease to him is in violation of the ownership rights or security interest or leasehold interest of a third party in the goods, leases in ordinary course from a person in the business of selling or leasing goods of that kind, but the term does not include a pawnbroker. "Leasing" may be for cash or by exchange of other property or on secured or unsecured credit and includes ~~receiving~~ *acquiring* goods or documents of title under a preexisting lease contract but does not include a transfer in bulk or as security for or in total or partial satisfaction of a money debt.

(p) "Lessor" means a person who transfers the right to possession and use of goods under a lease. Unless the context clearly indicates otherwise, the term includes a sublessor.

(q) "Lessor's residual interest" means the lessor's interest in the goods after expiration, termination, or cancellation of the lease contract.

(r) "Lien" means a charge against or interest in goods to secure payment of a debt or performance of an obligation, but the term does not include a security interest.

(s) "Lot" means a parcel or a single article that is the subject matter of a separate lease or delivery, whether or not it is sufficient to perform the lease contract.

(t) "Merchant lessee" means a lessee that is a merchant with respect to goods of the kind subject to the lease.

(u) "Present value" means the amount as of a date certain of one or more sums payable in the future, discounted to the date certain. The discount is

determined by the interest rate specified by the parties if the rate was not manifestly unreasonable at the time the transaction was entered into; otherwise, the discount is determined by a commercially reasonable rate that takes into account the facts and circumstances of each case at the time the transaction was entered into.

(v) "Purchase" includes taking by sale, lease, mortgage, security interest, pledge, gift, or any other voluntary transaction creating an interest in goods.

(w) "Sublease" means a lease of goods the right to possession and use of which was acquired by the lessor as a lessee under an existing lease.

(x) "Supplier" means a person from whom a lessor buys or leases goods to be leased under a finance lease.

(y) "Supply contract" means a contract under which a lessor buys or leases goods to be leased.

(z) "Termination" occurs when either party pursuant to a power created by agreement or law puts an end to the lease contract otherwise than for default.

Section 24. Section 30-2A-514, MCA, is amended to read:

“30-2A-514. Waiver of lessee’s objections. (1) In rejecting goods, a lessee’s failure to state a particular defect that is ascertainable by reasonable inspection precludes the lessee from relying on the defect to justify rejection or to establish default:

(a) if, stated seasonably, the lessor or the supplier could have cured it (30-2A-513); or

(b) between merchants if the lessor or the supplier after rejection has made a request in writing for a full and final written statement of all defects on which the lessee proposes to rely.

(2) A lessee’s failure to reserve rights when paying rent or other consideration against documents precludes recovery of the payment for defects apparent ~~on the face of~~ *in* the documents.”

Section 25. Section 30-2A-518, MCA, is amended to read:

“30-2A-518. Cover — substitute goods. (1) After a default by a lessor under the lease contract of the type described in 30-2A-508(1) or, if agreed, after other default by the lessor, the lessee may cover by making any purchase or lease of or contract to purchase or lease goods in substitution for those due from the lessor.

(2) Except as otherwise provided with respect to damages liquidated in the lease agreement (30-2A-504) or otherwise determined pursuant to agreement of the parties ~~(30-1-102(3) and~~ 30-2A-503), if a lessee’s cover is by a lease agreement substantially similar to the original lease agreement and the new lease agreement is made in good faith and in a commercially reasonable manner, the lessee may recover from the lessor as damages:

(a) the present value, as of the date of the commencement of the term of the new lease agreement, of the rent under the new lease agreement applicable to that period of the new lease term that is comparable to the then remaining term of the original lease agreement minus the present value as of the same date of the total rent for the then remaining lease term of the original lease agreement; and

(b) any incidental or consequential damages less expenses saved in consequence of the lessor’s default.

(3) If a lessee’s cover is by lease agreement that for any reason does not qualify for treatment under subsection (2) or is by purchase or otherwise, the lessee may recover from the lessor as if the lessee had elected not to cover and 30-2A-519 governs.”

Section 26. Section 30-2A-519, MCA, is amended to read:

“30-2A-519. Lessee’s damages for nondelivery, repudiation, default, and breach of warranty in regard to accepted goods. (1) Except as otherwise provided with respect to damages liquidated in the lease agreement (30-2A-504) or otherwise determined pursuant to agreement of the parties ~~(30-1-102(3) and~~ 30-2A-503), if a lessee elects not to cover or a lessee elects to cover and the cover is by lease agreement that for any reason does not qualify for treatment under 30-2A-518(2) or is by purchase or otherwise, the measure of

damages for nondelivery or repudiation by the lessor or for rejection or revocation of acceptance by the lessee is the present value, as of the date of the default, of the then market rent minus the present value as of the same date of the original rent, computed for the remaining lease term of the original lease agreement, together with incidental and consequential damages, less expenses saved in consequence of the lessor's default.

(2) Market rent is to be determined as of the place for tender or, in cases of rejection after arrival or revocation of acceptance, as of the place of arrival.

(3) Except as otherwise agreed, if the lessee has accepted goods and given notification (30-2A-516(3)), the measure of damages for nonconforming tender or delivery or other default by a lessor is the loss resulting in the ordinary course of events from the lessor's default as determined in any manner that is reasonable, together with incidental and consequential damages, less expenses saved in consequence of the lessor's default.

(4) Except as otherwise agreed, the measure of damages for breach of warranty is the present value at the time and place of acceptance of the difference between the value of the use of the goods accepted and the value if they had been as warranted for the lease term, unless special circumstances show proximate damages of a different amount, together with incidental and consequential damages, less expenses saved in consequence of the lessor's default or breach of warranty."

Section 27. Section 30-2A-526, MCA, is amended to read:

"30-2A-526. Lessor's stoppage of delivery in transit or otherwise. (1)

A lessor may stop delivery of goods in the possession of a carrier or other bailee if the lessor discovers the lessee to be insolvent and may stop delivery of carload, truckload, planeload, or larger shipments of express or freight if the lessee repudiates or fails to make a payment due before delivery, whether for rent, security, or otherwise under the lease contract or for any other reason the lessor has a right to withhold or take possession of the goods.

(2) In pursuing its remedies under subsection (1), the lessor may stop delivery until:

(a) receipt of the goods by the lessee;

(b) acknowledgment to the lessee by any bailee of the goods, except a carrier, that the bailee holds the goods for the lessee; or

(c) such an acknowledgment to the lessee by a carrier via reshipment or as ~~warehouseman~~ *a warehouse*.

(3) (a) To stop delivery, a lessor shall so notify as to enable the bailee by reasonable diligence to prevent delivery of the goods.

(b) After notification, the bailee shall hold and deliver the goods according to the directions of the lessor, but the lessor is liable to the bailee for any ensuing charges or damages.

(c) A carrier who has issued a nonnegotiable bill of lading is not obliged to obey a notification to stop received from a person other than the consignor."

Section 28. Section 30-2A-527, MCA, is amended to read:

"30-2A-527. Lessor's rights to dispose of goods. (1) After a default by a lessee under the lease contract described in 30-2A-523(1) or (3)(a) or after the lessor refuses to deliver or takes possession of goods (30-2A-525 or 30-2A-526)

or, if agreed, after other default by a lessee, the lessor may dispose of the goods concerned or the undelivered balance thereof by lease, sale, or otherwise.

(2) Except as otherwise provided with respect to damages liquidated in the lease agreement (30-2A-504) or otherwise determined pursuant to agreement of the parties (~~30-1-102(3)~~ and 30-2A-503), if the disposition is by lease agreement substantially similar to the original lease agreement and the new lease agreement is made in good faith and in a commercially reasonable manner, the lessor may recover from the lessee as damages:

(a) accrued and unpaid rent as of the date of the commencement of the term of the new lease agreement;

(b) the present value, as of the same date, of the total rent for the then remaining lease term of the original lease agreement minus the present value, as of the same date, of the rent under the new lease agreement applicable to that period of the new lease term that is comparable to the then remaining term of the original lease agreement; and

(c) any incidental damages allowed under 30-2A-530 less expenses saved in consequence of the lessee's default.

(3) If the lessor's disposition is by lease agreement that for any reason does not qualify for treatment under subsection (2) or is by sale or otherwise, the lessor may recover from the lessee as if the lessor had elected not to dispose of the goods and 30-2A-528 governs.

(4) A subsequent buyer or lessee who buys or leases from the lessor in good faith for value as a result of a disposition under this section takes the goods free of the original lease contract and any rights of the original lessee even though the lessor fails to comply with one or more of the requirements of this chapter.

(5) The lessor is not accountable to the lessee for any profit made on any disposition. A lessee who has rightfully rejected or justifiably revoked acceptance shall account to the lessor for any excess over the amount of the lessee's security interest (30-2A-508(5))."

Section 29. Section 30-2A-528, MCA, is amended to read:

"30-2A-528. Lessor's damages for nonacceptance, failure to pay, repudiation, or other default. (1) Except as otherwise provided with respect to damages liquidated in the lease agreement (30-2A-504) or otherwise determined pursuant to agreement of the parties (~~30-1-102(3)~~ and 30-2A-503), if a lessor elects to retain the goods or a lessor elects to dispose of the goods and the disposition is by lease agreement that for any reason does not qualify for treatment under 30-2A-527(2) or is by sale or otherwise, the lessor may recover from the lessee as damages for a default of the type described in 30-2A-523(1) or (3)(a) or, if agreed, for other default of the lessee:

(a) accrued and unpaid rent as of the date of default if the lessee has never taken possession of the goods or, if the lessee has taken possession of the goods, as of the date the lessor repossesses the goods or an earlier date on which the lessee makes a tender of the goods to the lessor;

(b) the present value as of the date determined under subsection (1)(a) of the total rent for the then remaining lease term of the original lease agreement minus the present value as of the same date of the market rent at the place where the goods are located, computed for the same lease term; and

(c) any incidental damages allowed under 30-2A-530 less expenses saved in consequence of the lessee's default.

(2) If the measure of damages provided in subsection (1) is inadequate to put a lessor in as good a position as performance would have, the measure of damages is the present value of the profit, including reasonable overhead, that the lessor would have made from full performance by the lessee, together with any incidental damages allowed under 30-2A-530, allowance due for costs reasonably incurred, and credit due for payments or proceeds of disposition."

The sale must take place at least 15 days after the first publication. If there is no newspaper of general circulation where the sale is to be held, the advertisement must be posted at least 10 days before the sale in not less than six conspicuous places in the neighborhood of the proposed sale.

(2) Except as otherwise provided in subsections (3) through (9), a security interest is enforceable against the debtor and third parties with respect to the collateral only if:

- (a) value has been given;
- (b) the debtor has rights in the collateral or the power to transfer rights in the collateral to a secured party; and
- (c) one of the following conditions is met:
 - (i) the debtor has authenticated a security agreement that provides a description of the collateral and, if the security interest covers timber to be cut, a description of the land concerned;

(4) This section constitutes a valid obligation of funds to the grant recipients listed in subsection (3) for purposes of encumbering the treasure state endowment special revenue account funds during the 2007 biennium pursuant to 17-7-302. However, a grant recipient's entitlement to receive funds is dependent on the grant recipient's compliance with the conditions described in [section 3(1)] and on the availability of funds.

(5) If funds deposited into the treasure state endowment special revenue account during the biennium ending June 30, 2007, are insufficient to fully fund projects numbered 1 through 40 in subsection (3) that have satisfied the conditions described in [section 3(1)] by June 30, 2007, the 61st legislature is encouraged to give priority to funding these projects before funding any new projects. However, any of the projects numbered 1 through 40 listed in subsection (3) that have not satisfied the conditions described in [section 3(1)] by June 30, 2007, lose any guarantee of receiving funds deposited into the treasure state endowment special revenue account during the 2007 biennium. Funding for these projects will be provided only as long as there are sufficient funds available from the amount that was deposited into the treasure state endowment special revenue account during the 2007 biennium. Funding for these projects will be made available in the order that the grant recipients satisfy the conditions described in [section 3(1)].

(6) Projects numbered 41 through 43 listed in subsection (3) that have satisfied the conditions described in [section 3(1)] may receive grant funds only if one or more of the projects numbered 1 through 40 terminate their right to the awarded funds in writing prior to the end of the 2007 biennium.

(7) In the event that any remaining funds deposited into the treasure state endowment special revenue account during the 2007 biennium are insufficient to fully fund one of the grant recipients listed in subsection (3), the department may make the remaining funds available to the first grant recipient that has satisfied the conditions described in [section 3(1)] and that is able to firmly commit the balance of the amount necessary to fund the project in its entirety.

Section 2. Approval of grants — completion of biennial appropriation. (1) The legislature, pursuant to 90-6-701, authorizes grants for the projects identified in [section 1(3)].

(2) The authorization of these grants completes a biennial appropriation from the treasure state endowment special revenue account provided for in 17-5-703(4)(c).

Section 3. Conditions and manner of disbursement of grant funds. (1) The disbursement of grant funds under [sections 1 through 3] for the projects specified in [section 1(3)] is subject to completion of the following conditions:

(a) The grant recipient shall execute a grant agreement with the department of commerce.

(b) The scope of work and budget for the project as approved by the department in the grant agreement must be consistent with the intent and circumstances under which the application was originally ranked by the department and approved by the legislature. The department may not approve amendments to the scope of work or budget affecting activities or improvements that would materially alter the intent and circumstances under which the application was originally ranked by the department and approved by the legislature.

(c) The grant recipient must have a project management plan and a long-term operations and maintenance plan that is approved by the department.

(d) The grant recipient shall document that other matching funds required for completion of the project are firmly committed.

(e) The grant recipient must be in compliance with the auditing and reporting requirements provided for in 2-7-503 and have established a financial accounting system that the department can reasonably ensure conforms to generally accepted accounting principles. Tribal governments shall comply with auditing and reporting requirements provided for in OMB Circular A-133.

(f) The grant recipient shall satisfactorily comply with any conditions described in the application (project) summaries section of the treasure state endowment program 2007 biennium report to the 59th legislature.

(g) The grant recipient shall satisfy other specific requirements considered necessary by the department to accomplish the purpose of the project as evidenced by the application to the department.

(2) The department shall commit grant funds to projects authorized in the order of priority listed in [section 1(3)] to grant recipients that have met the conditions in subsection (1) as treasure state endowment special revenue account interest income becomes available during the 2007 biennium.

(3) If a grant recipient authorized in [section 1(3)] has not met the conditions in subsection (1) of this section, the department shall move down the list of projects in the order of priority listed in [section 1(3)] to the next project that has met the conditions in subsection (1) of this section.

(4) The department shall disburse grant funds on a reimbursement basis as grant recipients incur eligible project expenses.

(5) In the event that actual project expenses are lower than the projected expense of the project, the department may, at its discretion, reduce the amount of treasure state endowment program grant funds to be provided to grant recipients in proportion to all other project funding sources. In the alternative, the department may authorize the use of the remaining authorized treasure state endowment program grant amount for the construction of additional, directly related components that will further enhance the overall system.

(6) In the event that actual project expenses are lower than the projected expense of a project as presented in the grant recipient's treasure state endowment program application, the department may, at its discretion, reduce the amount of treasure state endowment program grant funds to be provided so that the grant recipient's projected average residential user rates do not become lower than their target rate as determined by the department.

(7) With the exception of bridges, all projects must adhere to the design standards required by the department of environmental quality. Recipients of

treasure state endowment program funds that are not subject to the department of environmental quality design standards must adhere to generally accepted industry standards, such as Recommended Standards for Wastewater Facilities or Recommended Standards for Water Works, published by the Great Lakes-Upper Mississippi River Board of State and Provincial Public Health and Environmental Managers, latest edition.

(8) Recipients of treasure state endowment program funds are subject to the requirements of the department of commerce as described in the treasure state endowment program project administration manual, adopted by the department through the administrative rulemaking process.

Section 4. Appropriations from treasure state endowment state special revenue account for emergency grants. There is appropriated to the department of commerce \$100,000 for the biennium beginning July 1, 2005, from the interest earnings of the treasure state endowment special revenue account for the purpose of providing local governments, as defined in 90-6-701, with emergency grants for infrastructure projects, as defined in 90-6-701.

Section 5. Appropriations from treasure state endowment special revenue account for preliminary engineering grants. There is appropriated to the department of commerce \$600,000 for the biennium beginning July 1, 2005, from the interest earnings of the treasure state endowment special revenue account for the purpose of providing local governments, as defined in 90-6-701, with preliminary engineering grants for infrastructure projects, as defined in 90-6-701.

Section 6. Section 1, Chapter 435, Laws of 2001, is amended to read:

“Section 1. Appropriations from treasure state endowment special revenue account. (1) There is appropriated to the department of commerce the interest earnings of the treasure state endowment special revenue account to finance grants authorized by this section.

(2) The funds appropriated in this section must be used by the department to make grants to the governmental entities listed in subsection (3) for the described purposes and in amounts not to exceed the amounts set out in subsection (3). The appropriations are subject to the conditions set forth in [sections 1 through 3] and described in the treasure state endowment program 2003 biennium report to the 57th legislature. The legislature, pursuant to 90-6-710, authorizes the grants for the projects listed in subsection (3). The department shall commit funds to projects listed in subsection (3), up to the amounts authorized, based on the manner of disbursement set forth in [section 3] until interest earnings deposited into the treasure state endowment special revenue account during the 2003 biennium are expended.

However, a grant recipient's entitlement to receive funds is dependent on the grant recipient's compliance with the conditions described in [section 3(1)] and on the availability of funds.

(5) If funds deposited into the treasure state endowment special revenue account during the biennium ending June 30, 2003, are insufficient to fully fund the projects numbered 1 through 31 in subsection (3) that have satisfied the conditions described in [section 3(1)] by June 30, 2003, these projects will be funded from deposits into the treasure state endowment special revenue account made during the 2005 biennium, before projects authorized by the 58th legislature receive funding from the account. However, any of the projects numbered 1 through 31 listed in subsection (3) that have not completed the conditions described in [section 3(1)] by January 1, 2003, must be reviewed by the next regular session of the legislature to determine if the authorized grant should be withdrawn.

However, if a subsequent legislature withdraws funding for any of the projects numbered 1 through 31 listed in subsection (3), those funds could be made available to projects numbered 32 through 34 listed in subsection (3) that have completed the conditions described in [section 3(1)].

(7) In the event that any remaining funds deposited into the treasure state endowment special revenue account are insufficient to fully fund one of the grant recipients listed in subsection (3), the department may make the remaining funds from the treasure state endowment special revenue account available to the grant recipient on condition that the grant recipient is able to firmly commit the balance of the amount necessary to fund the project in its entirety."

Section 7. Section 90-6-703, MCA, is amended to read:

CHAPTER NO. 581

[HB 28]

AN ACT ESTABLISHING A LEGISLATIVE BRANCH RESERVE ACCOUNT; PROVIDING FOR THE USE AND FUNDING OF THE ACCOUNT; PROVIDING A STATUTORY APPROPRIATION; AMENDING SECTIONS 17-7-304 AND 17-7-502, MCA; AND PROVIDING AN EFFECTIVE DATE AND A RETROACTIVE APPLICABILITY DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Legislative branch reserve account. (1) There is a legislative branch reserve account in the state special revenue fund. Money may be deposited in the account through an allocation of money to the account or as provided in 17-7-304.

(2) (a) The money in the account is statutorily appropriated, as provided in 17-7-502, to the legislative services division to be used only for major legislative branch information technology projects, including the purchase of hardware, software, and consulting services for new initiatives and replacement and upgrading of existing systems.

(b) The money in the account may be expended only with the approval of the legislative council. The legislative branch computer system planning council may make recommendations to the legislative council for the use of the money in the account.

(3) The money in the account must be invested pursuant to Title 17, chapter 6. The income and earnings on the account must be deposited in the account.

Section 2. Section 17-7-304, MCA, is amended to read:

“17-7-304. Disposal of unexpended appropriations. (1) All money appropriated for any specific purpose except that appropriated for the university system units listed in subsection (2) and except as provided in subsection (4) must, after the expiration of the time for which appropriated, revert to the several funds and accounts from which originally appropriated. However, any unexpended balance in any specific appropriation may be used for the years for which the appropriation was made or may be used to fund the provisions of 2-18-1203 through 2-18-1205 and 19-2-706 in the succeeding year.

(2) Except as provided in 17-2-108 and subsection (3) of this section, all money appropriated for the university of Montana campuses at Missoula, Butte, Dillon, and Helena and the Montana state university campuses at Bozeman, Billings, Havre, and Great Falls, the agricultural experiment station with central offices at Bozeman, the forest and conservation experiment station with central offices at Missoula, the cooperative extension service with central offices at Bozeman, and the bureau of mines and geology with central offices in Butte must, after the expiration of the time for which appropriated, revert to an account held by the board of regents. The board of regents is authorized to maintain a fund balance. There is a statutory appropriation, as provided in 17-7-502, to use the funds held in this account in accordance with a long-term plan for major and deferred maintenance expenditures and equipment or fixed assets purchases prepared by the affected university system units and approved by the board of regents. The affected university system units may, with the approval of the board of regents, modify the long-term plan at any time to address changing needs and priorities. The board of regents shall communicate the plan to each legislature, to the finance committee when requested by the committee, and to the office of budget and program planning.

(3) Subsection (2) does not apply to reversions that are the result of a reduction in spending directed by the governor pursuant to 17-7-140. Any amount that is a result of a reduction in spending directed by the governor must revert to the fund or account from which it was originally appropriated.

(4) (a) ~~After~~ *Subject to subsection (4)(b), after* the end of a fiscal year, 30% of the money appropriated to an agency for that year by the general appropriations act for personal services, operating expenses, and equipment, by fund type, and remaining unexpended and unencumbered at the end of the year may be reappropriated to be spent during the following 2 years for any purpose that is consistent with the goals and objectives of the agency. The dollar amount of the 30% amount that may be carried forward and spent must be determined by the office of budget and program planning.

(b) (i) *Any portion of the 30% of the unexpended and unencumbered money referred to in subsection (4)(a) that was appropriated to a legislative branch entity may be deposited in the account established in [section 1].*

(ii) *After the end of a biennium, any portion of the unexpended and unencumbered money appropriated for the operation of the preceding legislature in a separate appropriation act may be deposited in the account established in [section 1]. The approving authority shall determine the portion of the unexpended and unencumbered money that is deposited in the account.”*

(B) The organization accomplishes its activities through absolute gratuity or grants. However, the organization may solicit or raise funds by the sale of merchandise, memberships, or tickets to public performances or entertainment or by other similar types of fundraising activities.

(ii) agricultural property owned by a purely public charity is not exempt if the agricultural property is used by the charity to produce unrelated business taxable income as that term is defined in section 512 of the Internal Revenue Code, 26 U.S.C. 512. A public charity claiming an exemption for agricultural property shall file annually with the department a copy of its federal tax return reporting any unrelated business taxable income received by the charity during the tax year, together with a statement indicating whether the exempt property was used to generate any unrelated business taxable income.

(iii) up to 15 acres of property owned by a purely public charity is exempt at the time of its purchase even if the property must be improved before it can directly be used for its intended charitable purpose. If the property is not directly used for the charitable purpose within 8 years of receiving an exemption under this section or if the property is sold or transferred before it entered direct charitable use, the exemption is revoked and the property is taxable. In addition to taxes due for the first year that the property becomes taxable, the owner of the property shall pay an amount equal to the amount of the tax due that year times the number of years that the property was tax-exempt under this section. The amount due is a lien upon the property and when collected must be distributed by the treasurer to funds and accounts in the same ratio as property tax collected on the property is distributed. At the time the exemption is granted, the department shall file a notice with the clerk and recorder in the county in which the property is located. The notice must indicate that an exemption pursuant to this section has been granted. The notice must describe the penalty for default under this section and must specify that a default under this section will create a lien on the property by operation of law. The notice must be on a form prescribed by the department.

Section 4. Section 15-7-102, MCA, is amended to read:

"15-7-102. Notice of classification and appraisal to owners — appeals. (1) (a) Except as provided in 15-7-138, the department shall mail to each owner or purchaser under contract for deed a notice of the classification of the land owned or being purchased and the appraisal of the improvements on the land only if one or more of the following changes pertaining to the land or improvements have been made since the last notice:

- (i) change in ownership;
- (ii) change in classification;
- (iii) except as provided in subsection (1)(b), change in valuation; or
- (iv) addition or subtraction of personal property affixed to the land.

(b) After the first year, the department is not required to mail the notice provided for in subsection (1)(a)(iii) if the change in valuation is the result of an annual incremental change in valuation caused by the phasing in of a reappraisal under 15-7-111 or the application of the exemptions under 15-6-201~~(1)(a)~~~~(1)(b)~~ and ~~(1)(aa)~~ (1)(cc) or caused by an incremental change in the tax rate.

(c) The notice must include the following for the taxpayer's informational purposes:

- (i) the total amount of mills levied against the property in the prior year; and
- (ii) a statement that the notice is not a tax bill.

(d) Any misinformation provided in the information required by subsection (1)(c) does not affect the validity of the notice and may not be used as a basis for a challenge of the legality of the notice.

(2) (a) Except as provided in subsection (2)(c), the department shall assign each assessment to the correct owner or purchaser under contract for deed and mail the notice of classification and appraisal on a standardized form, adopted by the department, containing sufficient information in a comprehensible manner designed to fully inform the taxpayer as to the classification and appraisal of the property and of changes over the prior tax year.

(b) The notice must advise the taxpayer that in order to be eligible for a refund of taxes from an appeal of the classification or appraisal, the taxpayer is required to pay the taxes under protest as provided in 15-1-402.

(c) The department is not required to mail the notice of classification and appraisal to a new owner or purchaser under contract for deed unless the department has received the transfer certificate from the clerk and recorder as provided in 15-7-304 and has processed the certificate before the notices required by subsection (2)(a) are mailed. The department shall notify the county tax appeal board of the date of the mailing.

(3) If the owner of any land and improvements is dissatisfied with the appraisal as it reflects the market value of the property as determined by the department or with the classification of the land or improvements, the owner may request an assessment review by submitting an objection in writing to the department, on forms provided by the department for that purpose, within 30 days after receiving the notice of classification and appraisal from the department. The review must be conducted informally and is not subject to the contested case procedures of the Montana Administrative Procedure Act. As a part of the review, the department may consider the actual selling price of the property, independent appraisals of the property, and other relevant information presented by the taxpayer in support of the taxpayer's opinion as to the market value of the property. The department shall give reasonable notice to the taxpayer of the time and place of the review. After the review, the department shall determine the correct appraisal and classification of the land or improvements and notify the taxpayer of its determination. In the notification, the department shall state its reasons for revising the classification or appraisal. When the proper appraisal and classification have been determined, the land must be classified and the improvements appraised in the manner ordered by the department.

(4) Whether a review as provided in subsection (3) is held or not, the department may not adjust an appraisal or classification upon the taxpayer's objection unless:

(a) the taxpayer has submitted an objection in writing; and

(b) the department has stated its reason in writing for making the adjustment.

(5) A taxpayer's written objection to a classification or appraisal and the department's notification to the taxpayer of its determination and the reason for that determination are public records. The department shall make the records available for inspection during regular office hours.

(6) If any property owner feels aggrieved by the classification or appraisal made by the department after the review provided for in subsection (3), the property owner has the right to first appeal to the county tax appeal board and then to the state tax appeal board, whose findings are final subject to the right of review in the courts. The appeal to the county tax appeal board must be filed within 30 days after notice of the department's determination is mailed to the taxpayer. A county tax appeal board or the state tax appeal board may consider the actual selling price of the property, independent appraisals of the property, and other relevant information presented by the taxpayer as evidence of the market value of the property. If the county tax appeal board or the state tax appeal board determines that an adjustment should be made, the department shall adjust the base value of the property in accordance with the board's order."

Section 5. Section 15-8-111, MCA, is amended to read:

"15-8-111. Assessment — market value standard — exceptions. (1) All taxable property must be assessed at 100% of its market value except as otherwise provided.

(2) (a) Market value is the value at which property would change hands between a willing buyer and a willing seller, neither being under any compulsion to buy or to sell and both having reasonable knowledge of relevant facts.

(b) If the department uses construction cost as one approximation of market value, the department shall fully consider reduction in value caused by depreciation, whether through physical depreciation, functional obsolescence, or economic obsolescence.

(c) If the department uses the capitalization of net income method as one approximation of market value and sufficient, relevant information on comparable sales and construction cost exists, the department shall rely upon the two methods that provide a similar market value as the better indicators of market value.

(d) Except as provided in subsection (3), the market value of special mobile equipment and agricultural tools, implements, and machinery is the average wholesale value shown in national appraisal guides and manuals or the value before reconditioning and profit margin. The department shall prepare valuation schedules showing the average wholesale value when a national appraisal guide does not exist.

(3) The department may not adopt a lower or different standard of value from market value in making the official assessment and appraisal of the value of property, except:

(a) the wholesale value for agricultural implements and machinery is the average wholesale value category as shown in Guides 2000, Northwest Region Official Guide, published by the North American equipment dealers association, St. Louis, Missouri. If the guide or the average wholesale value category is unavailable, the department shall use a comparable publication or wholesale value category.

(b) for agricultural implements and machinery not listed in an official guide, the department shall prepare a supplemental manual in which the values reflect the same depreciation as those found in the official guide; and

(c) as otherwise authorized in Titles 15 and 61.

(4) For purposes of taxation, assessed value is the same as appraised value.

(5) The taxable value for all property is the percentage of market or assessed value established for each class of property.

(e) Properties in 15-6-143, under class ten, are assessed at 100% of the forest productivity value of the land when valued as forest land.

(f) Railroad transportation properties in 15-6-145 are assessed based on the valuation formula described in 15-23-205.

(7) Land and the improvements on the land are separately assessed when any of the following conditions occur:

- (b) the taxpayer makes a written request; or
- (c) the land is outside an incorporated city or town."

AN ACT REVISING THE AEROSPACE TECHNOLOGY BOND PROGRAM; CLARIFYING CONDITIONS UNDER WHICH BONDS MAY BE ISSUED; ALLOWING THE MULTIPLIER EFFECT TO BE USED IN PROJECTING TAX IMPACTS; ELIMINATING EQUIPMENT AS AN ELIGIBLE EXPENSE FOR A PROJECT; AMENDING SECTION 17-5-820, MCA; AND PROVIDING AN IMMEDIATE EFFECTIVE DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 17-5-820, MCA, is amended to read:

“17-5-820. Authorization of bonds. (1) The board of examiners is authorized to issue and sell general obligation bonds in an amount not exceeding \$20 million in accordance with the terms and in the manner required by Title 17, chapter 5, part 8, for the purpose of financing and acquiring infrastructure improvements as enumerated in 7-15-4288 ~~and equipment~~ for aerospace transportation and technology projects recommended by the department of commerce in accordance with the authority granted to the board by this section. The bonds are in addition to any other authorization to the board to issue and sell general obligation bonds and subject to the conditions set forth in this section.

(2) The department of commerce may request the board of examiners to issue the bonds for one or more specified projects in one or more series, but the total amount of bonds issued may not exceed \$20 million. Bond proceeds are appropriated to the department of commerce, and the department of commerce is authorized to acquire or construct the infrastructure improvements ~~or acquire the equipment~~, to contract with the city or county in which a project is located, ~~to contract with an airport authority, as defined in 67-1-101, a local port authority, as described in 7-14-1101, or a regional port authority, as described in 7-14-1102~~, to contract with a certified regional development corporation, as defined in 90-1-116, or ~~upon a determination that it is in the best interest of the project~~ to contract with the developer of an approved project for the acquisition or construction of the infrastructure improvement ~~or the acquisition of equipment upon a determination that it is in the best interest of the project~~. The plans and specifications for the infrastructure ~~and equipment~~ to be financed from the proceeds of the bonds must be approved by and be acceptable to the department following a review of the plans and specifications of the infrastructure by the architecture and engineering division of the department of administration, ~~but the~~ prepared by an engineer or architect, licensed and

bonded in Montana, and the state must be named as an additional insured under any contract, performance bond, or other documents for the design of any improvements to be financed by the state. The plans and specifications must be reviewed and approved by the department of commerce after consultation with the architecture and engineering division of the department of administration. The design and acquisition or construction of the infrastructure and the acquisition of equipment for approved projects are not, with the exception of Title 18, chapter 2, part 4, subject to the public procurement requirements contained in Title 18. All construction contracts entered into for the construction of improvements to be financed under this section must name the state as an additional insured if the state is not otherwise party to the contract. Infrastructure and equipment All improvements financed with bond proceeds are must be owned by the state, and the use must be governed by a development agreement between the state and the developer of the project. The agreement may provide for the lease or the use of the infrastructure and equipment at less than fair market value, taking into consideration the number of jobs to be created by the project, the salary range of the jobs, the amount of capital contributed by the developer, and the projected tax revenue to be received by the state and local governments from the project over the term of the lease or use agreement. The agreement may must require the contractor to insure for liability and workers' compensation claims during construction and must provide the project developer with the right of first refusal for the purchase of any real property secured and improvements financed by the bonds at fair market value plus reimbursement to the state for any costs incurred in the issuance of the bonds. Fair market value must be determined by a certified appraiser. For purposes of this section, state and local governments may not provide telecommunications or other services in competition with private providers unless private providers cannot provide the services.

(3) *It is the intent of the legislature that state individual and corporate income taxes and state property taxes generated by the aerospace transportation and technology infrastructure development projects will be at least equal to the projected amount of the debt service payments to be paid by the state for the bonds authorized by this section will be covered by the totality of the taxes generated by the aerospace transportation and technology development projects to be calculated by an economic impact analysis of the projects on state tax revenue over the term of the bonds. Prior to requesting the board of examiners to issue the bonds, the department of commerce shall determine that the developer of a proposed project has the financial ability to construct and implement the project based upon the audited financial statements of the developer. When requesting the board to issue the bonds, the department of commerce shall present to the department of administration for presentation to the board the following:*

(a) *evidence satisfactory to the board that each aerospace transportation and technology infrastructure development project has committed itself to locate its project in Montana; and*

(b) *a certificate signed by the director of the office of budget and program planning that the tax revenue to be received by the state from each aerospace transportation and technology development project over the term of the bonds will be sufficient to pay the principal amount of and interest on the bonds issued to assist with the specific project a certificate signed by the director of the office of budget and program planning that the proposed project will, over the term of the bonds, generate state individual and corporate income taxes and state property*

taxes at least equal to the total aggregate amount of principal and interest on the bonds over the term of the bonds. In preparing the analysis for the report on the projected tax revenue from the project, the multiplier effect may be taken into account, using the number of jobs, the salary levels for the jobs, and the estimated date of hire for each position that the developer will commit to create as part of the development agreement. The development agreement must provide that if the developer has not created the total number of jobs at the estimated salaries by the date specified in the development agreement and assumed for purposes of meeting the projections, the state may terminate the lease or use of the improvements upon 30 days' notice. If the department of commerce is unable to enter into a new lease or use agreement for the improvements that is advantageous to the state, the state may sell the facility to the highest and best bidder and use the proceeds of the sale to redeem the outstanding bonds.

(4) For the purposes of this section, "equipment" means machinery used in the design, manufacture, repair, and maintenance of aerospace transportation and technology projects. In determining whether to recommend to the board of examiners that improvements should be constructed by the state from the proceeds of the bonds for a project, the department of commerce may take into consideration only the following factors:

- (a) whether the project is eligible for financing;*
- (b) whether there is sufficient evidence to demonstrate the developer's ability to implement the project;*
- (c) the projected tax revenue report;*
- (d) whether the project as proposed and situated can obtain the necessary zoning, building, and environmental permits required; and*
- (e) whether the project is in the public interest.*

(5) In recommending the amount of bonds to be issued for a qualified project, the department of commerce shall independently determine that the proposed estimated cost of the project is not in excess of what is required for the project and independently verify the projected costs of designing and constructing the improvements proposed to be financed exclusive of any development fee to the developer. The authorized bond proceeds must be used for projects on a first-come, first-serve basis."

CHAPTER NO. 592

[HB 535]

AN ACT REVISING THE TAXATION OF OIL PRODUCTION FROM STRIPPER WELLS PRODUCING 3 BARRELS A DAY OR LESS; DEFINING "STRIPPER WELL BONUS"; PROVIDING THAT STRIPPER WELL BONUS PRODUCTION IS TAXED AT 6 PERCENT OF GROSS TAXABLE VALUE IF THE PRICE OF OIL AS REPORTED BY THE WALL STREET JOURNAL IS EQUAL TO OR GREATER THAN \$38 A BARREL; AMENDING SECTIONS 15-36-303 AND 15-36-304, MCA; AND PROVIDING AN EFFECTIVE DATE AND AN APPLICABILITY DATE.

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 15-36-303, MCA, is amended to read:

"15-36-303. Definitions. As used in this part, the following definitions apply:

(1) "Board" means the board of oil and gas conservation provided for in 2-15-3303.

(2) "Department" means the department of revenue provided for in 2-15-1301.

(3) "Enhanced recovery project" means the use of any process for the displacement of oil from the earth other than primary recovery and includes the use of an immiscible, miscible, chemical, thermal, or biological process.

(4) "Existing enhanced recovery project" means an enhanced recovery project that began development before January 1, 1994.

(5) "Expanded enhanced recovery project" or "expansion" means the addition of injection wells or production wells, the recompletion of existing wells as horizontally completed wells, the change of an injection pattern, or other operating changes to an existing enhanced recovery project that will result in the recovery of oil that would not otherwise be recovered. The project must be developed after December 31, 1993.

(6) "Gross taxable value", for the purpose of computing the oil and natural gas production tax, means the gross value of the product as determined in 15-36-305.

(7) "Horizontal drain hole" means that portion of a well bore with 70 degrees to 110 degrees deviation from the vertical and a horizontal projection within the common source of supply, as that term is defined by the board, that exceeds 100 feet.

(8) "Horizontally completed well" means:

- (a) a well with one or more horizontal drain holes; and
- (b) any other well classified by the board as a horizontally completed well.

(9) "Incremental production" means:

(a) the volume of oil produced by a new enhanced recovery project, by a well in primary recovery recompleted as a horizontally completed well, or by an expanded enhanced recovery project, which volume of production is in excess of the production decline rate established under the conditions existing before:

(i) the commencement of the recompletion of a well as a horizontally completed well;

(ii) expansion of the existing enhanced recovery project; or

(iii) commencing a new enhanced recovery project; or

(b) in the case of any project that had no taxable production prior to commencing the enhanced recovery project, all production of oil from the enhanced recovery project.

(10) "Natural gas" or "gas" means natural gas and other fluid hydrocarbons, other than oil, produced at the wellhead.

(11) "New enhanced recovery project" means an enhanced recovery project that began development after December 31, 1993.

(12) "Nonworking interest owner" means any interest owner who does not share in the exploration, development, and operation costs of the lease or unit, except for production taxes.

(13) "Oil" means crude petroleum or mineral oil and other hydrocarbons, regardless of gravity, that are produced at the wellhead in liquid form and that are not the result of condensation of gas after it leaves the wellhead.

(14) "Operator" or "producer" means a person who produces oil or natural gas within this state or who owns, controls, manages, leases, or operates within this state any well or wells from which any marketable oil or natural gas is extracted or produced.

(15) "Post-1999 well" means an oil or natural gas well drilled on or after January 1, 1999, that produces oil or natural gas or a well that has not produced oil or natural gas during the 5 years immediately preceding the first month of qualifying as a post-1999 well.

(16) "Pre-1999 well" means an oil or natural gas well that was drilled before January 1, 1999.

(17) "Primary recovery" means the displacement of oil from the earth into the well bore by means of the natural pressure of the oil reservoir and includes artificial lift.

(18) "Production decline rate" means the projected rate of future oil production, extrapolated by a method approved by the board, that must be determined for a project area prior to commencing a new or expanded enhanced recovery project or the recompletion of a well as a horizontally completed well. The approved production decline rate must be certified in writing to the department by the board. In that certification, the board shall identify the project area and shall specify the projected rate of future oil production by calendar year and by calendar quarter within each year. The certified rate of future oil production must be used to determine the volume of incremental production that qualifies for the tax rate imposed under 15-36-304(5)(e).

(19) (a) "Qualifying production" means the first 12 months of production of oil or natural gas from a well drilled after December 31, 1998, or the first 18 months of production of oil or natural gas from a horizontally completed well drilled after December 31, 1998, or from a well that has not produced oil or natural gas during the 5 years immediately preceding the first month of qualifying production.

(b) Qualifying production does not include oil production from a horizontally recompleted well.

(20) "Secondary recovery project" means an enhanced recovery project, other than a tertiary recovery project, that commenced or was expanded after December 31, 1993, and meets each of the following requirements:

(a) The project must be certified as a secondary recovery project to the department by the board. The certification may be extended only after notice and hearing in accordance with Title 2, chapter 4.

(b) The property to be affected by the project must be adequately delineated according to the specifications required by the board.

(c) The project must involve the application of secondary recovery methods that can reasonably be expected to result in an increase, determined by the board to be significant in light of all the facts and circumstances, in the amount of oil that may potentially be recovered. For purposes of this part, secondary recovery methods include but are not limited to:

(i) the injection of water into the producing formation for the purposes of maintaining pressure in that formation or for the purpose of increasing the flow of oil from the producing formation to a producing well bore; or

(ii) any other method approved by the board as a secondary recovery method.

(21) "Stripper natural gas" means the natural gas produced from any well that produces less than 60,000 cubic feet of natural gas a day during the calendar year immediately preceding the current year. Production must be determined by dividing the amount of production from a lease or unitized area for the year immediately preceding the current calendar year by the number of producing wells in the lease or unitized area and by dividing the resulting quotient by 365.

(22) (a) "Stripper oil" means the oil produced from any well that produces *more than 3 barrels but less than 15 barrels* a day for the calendar year immediately preceding the current year if the average price for a barrel of oil as reported in the Wall Street Journal for west Texas intermediate crude oil during a calendar quarter is less than \$30 a barrel. If the price of oil is equal to or greater than \$30 a barrel in a calendar quarter, there is no stripper tax rate in that quarter. ~~There is no stripper well exemption tax rate if the average price for a barrel of oil as reported in the Wall Street Journal for west Texas intermediate crude oil during a calendar quarter is more than \$38 a barrel.~~

(b) The average price for a barrel is computed by dividing the sum of the daily price for west Texas intermediate crude oil as reported in the Wall Street Journal for the calendar quarter by the number of days on which the price was reported in the quarter.

(c) Production must be determined by dividing the amount of production from a lease or unitized area for the year immediately preceding the current calendar year by the number of producing wells in the lease or unitized area and by dividing the resulting quotient by 365.

(23) "Stripper well exemption" or "*stripper well bonus*" means petroleum and other mineral or crude oil produced by a stripper well that produces 3 barrels a day or less. *Production from this type of well must be determined as provided in subsection (22)(c).*

(24) "Tertiary recovery project" means an enhanced recovery project, other than a secondary recovery project, using a tertiary recovery method that meets the following requirements:

(a) The project must be certified as a tertiary recovery project to the department by the board. The certification may be extended only after notice and hearing in accordance with Title 2, chapter 4.

(b) The property to be affected by the project must be adequately delineated in the certification according to the specifications required by the board.

(c) The project must involve the application of one or more tertiary recovery methods that can reasonably be expected to result in an increase, determined by the board to be significant in light of all the facts and circumstances, in the amount of crude oil that may potentially be recovered. For purposes of this part, tertiary recovery methods include but are not limited to:

- (i) miscible fluid displacement;
- (ii) steam drive injection;
- (iii) micellar/emulsion flooding;
- (iv) in situ combustion;
- (v) polymer augmented water flooding;
- (vi) cyclic steam injection;
- (vii) alkaline or caustic flooding;
- (viii) carbon dioxide water flooding;
- (ix) immiscible carbon dioxide displacement; or
- (x) any other method approved by the board as a tertiary recovery method.

(25) "Well" or "wells" means a single well or a group of wells in one field or production unit and under the control of one operator or producer.

(26) "Working interest owner" means the owner of an interest in an oil or natural gas well or wells who bears any portion of the exploration, development, and operating costs of the well or wells."

Section 2. Section 15-36-304, MCA, is amended to read:

(3) The tax is due and payable to the department under the provisions of 15-16-102. A tax not received by the department within the time requirements of 15-16-102 is delinquent and subject to penalty and interest ~~under that section as provided in 15-1-216.”~~

Section 5. Section 15-30-142, MCA, is amended to read:

“15-30-142. Returns and payment of tax — penalty and interest — refunds — credits. (1) For both resident and nonresident taxpayers, each single individual and each married individual not filing a joint return with a spouse and having a gross income for the tax year of more than \$3,560, as adjusted under the provisions of subsection (7) (6), and married individuals not filing separate returns and having a combined gross income for the tax year of more than \$7,120, as adjusted under the provisions of subsection (7) (6), are liable for a return to be filed on forms and according to rules that the department may prescribe. The gross income amounts referred to in the preceding sentence must be increased by \$1,900, as adjusted under the provisions of 15-30-112(6), for each additional personal exemption allowance that the taxpayer is entitled to claim for the taxpayer and the taxpayer's spouse under 15-30-112(3) and (4).

(2) In accordance with instructions set forth by the department, each taxpayer who is married and living with husband or wife and is required to file a return may, at the taxpayer's option, file a joint return with husband or wife even though one of the spouses has neither gross income nor deductions. If a joint return is made, the tax must be computed on the aggregate taxable income and the liability with respect to the tax is joint and several. If a joint return has been filed for a tax year, the spouses may not file separate returns after the time for filing the return of either has expired unless the department consents.

(3) If a taxpayer is unable to make the taxpayer's own return, the return must be made by an authorized agent or by a guardian or other person charged with the care of the person or property of the taxpayer.

(4) All taxpayers, including but not limited to those subject to the provisions of 15-30-202 and 15-30-241, shall compute the amount of income tax payable and shall, on or before the date required by this chapter for filing a return, pay to the department any balance of income tax remaining unpaid after crediting the amount withheld, as provided by 15-30-202, and any payment made by reason of an estimated tax return provided for in 15-30-241. However, the tax computed must be greater by \$1 than the amount withheld and paid by estimated return as provided in this chapter. If the amount of tax withheld and the payment of estimated tax exceed by more than \$1 the amount of income tax as computed, the taxpayer is entitled to a refund of the excess.

~~(5) As soon as practicable after the return is filed, the department shall examine and verify the tax.~~

~~(6)(5)~~ If the department determines that the amount of tax ~~as verified~~ due is greater than the amount paid, the excess must be paid by the taxpayer to the department within 60 days after notice of the amount of the tax as computed, with interest added as provided in 15-1-216. In that case, there may not be a penalty because of the understatement if the deficiency is paid within 60 days after the first notice of the amount is mailed to the taxpayer of tax computed by the taxpayer on the return, the department shall mail a notice to the taxpayer as provided in 15-30-323 of the additional tax proposed to be assessed, including penalty and interest as provided in 15-1-216.

(7)(6) By November 1 of each year, the department shall multiply the minimum amount of gross income necessitating the filing of a return by the inflation factor for the tax year. These adjusted amounts are effective for that tax year, and persons who have gross incomes less than these adjusted amounts are not required to file a return.

(8)(7) Individual income tax forms distributed by the department for each tax year must contain instructions and tables based on the adjusted base year structure for that tax year.”

Section 6. Section 15-30-149, MCA, is amended to read:

“15-30-149. Credits and refunds — period of limitations. (1) If the department discovers from the examination of a return or upon a claim duly filed by a taxpayer or upon final judgment of a court that the amount of income tax collected is in excess of the amount due or that any penalty or interest was erroneously or illegally collected, the amount of the overpayment must be credited against any income tax, penalty, or interest then due from the taxpayer and the balance of the excess must be refunded to the taxpayer.

(2) (a) A credit or refund under the provisions of this section may be allowed only if, prior to the expiration of the period provided by 15-30-146 and 15-30-147, the taxpayer files a claim or the department determines there has been an overpayment.

(b) If an overpayment of tax results from a net operating loss carryback, the overpayment may be refunded or credited within the period that expires on the 15th day of the 40th month following the close of the ~~taxable~~ tax year of the net operating loss if that period expires later than 5 years from the due date of the return for the year to which the net operating loss is carried back.

(3) Within 6 months after a claim for refund is filed, the department shall examine the claim and either approve or disapprove it. If the claim is approved, the credit or refund must be made to the taxpayer within 60 days after the claim is approved. If the claim is disallowed, the department shall notify the taxpayer and a review of the determination of the department may be pursued as provided in 15-1-211.

(4) Interest is allowed on overpayments at the same rate as charged on delinquent taxes *as provided in 15-1-216*. Interest is payable from the due date of the return or from the date of the overpayment, whichever date is later, to the date the department approves refunding or crediting of the overpayment. With respect to tax paid by withholding or by estimate, the date of overpayment is the date on which the return for the ~~taxable~~ tax year was due. Interest does not accrue on an overpayment if the taxpayer elects to have it applied to the taxpayer's estimated tax for the succeeding taxable year. Interest does not accrue during any period the processing of a claim for refund is delayed more than 30 days by reason of failure of the taxpayer to furnish information

requested by the department for the purpose of verifying the amount of the overpayment. Interest is not allowed if:

- (a) the overpayment is refunded within 45 days from the date the return is due or the date the return is filed, whichever date is later;
- (b) the overpayment results from the carryback of a net operating loss; or
- (c) the amount of interest is less than \$1.

(5) An overpayment not made incident to a bona fide and orderly discharge of an actual income tax liability or one reasonably assumed to be imposed by this law is not considered an overpayment with respect to which interest is allowable."

Section 7. Section 15-30-209, MCA, is amended to read:

"15-30-209. Violations by employer — penalties, interest, and remedies. (1) The department shall, as provided in 15-1-216, add penalty and interest to the amount of all delinquent withholding taxes.

~~(2) The first time in any consecutive 3-year period that an employer files a report or remits a tax after the due date, the department shall issue a warning notice explaining to the employer that the employer failed to file a report on the due date as required by law and, if applicable, that the employer failed to remit the tax on the due date as required by law and the department shall notify the employer of the consequences of any further subsequent late reporting or late remittance.~~

~~(3) A late report penalty may not be assessed under 15-1-216 if an employer files the late report prior to the issuance of a notice of delinquent report.~~

~~(4)(2)~~ A late payment penalty may be waived pursuant to 15-1-206 if an acceptable payment agreement is made between the department and the employer. An employer's failure to meet the terms of the payment agreement voids the waiver and the penalty must be recomputed from the due date on the unpaid tax.

~~(5)(3)~~ (a) A summons penalty of \$50 must be assessed whenever, as the result of a refusal of an employer to furnish wage information or pay taxes on time, the department issues a summons pursuant to 15-1-301.

(b) If an employer fails to honor the summons provided in subsection ~~(5)(a)~~ ~~(3)(a)~~, an additional \$100 penalty must be added to the liability.

~~(6)(4)~~ In addition to ~~any other penalty provided by law~~ *the penalties imposed by 15-1-216*, the failure of an employer to furnish a wage and tax statement as required by 15-30-207(1) subjects the employer to a penalty of \$5 for each failure with a minimum of \$50.

~~(7)(5)~~ Penalties may be waived by the department upon a showing of good cause by the employer. The penalty may be collected in the same manner as are other tax debts including a tax lien.

~~(8)(6)~~ If any tax imposed by this chapter or any portion of the tax is not paid when due, the department may issue a warrant for distraint as provided in Title 15, chapter 1, part 7. The priority date of the tax lien created by filing the warrant for distraint is the date the tax was due as indicated on the warrant for distraint.

~~(9)(7)~~ The tax lien provided for in subsection ~~(8)~~ ~~(6)~~ is not valid against any third party owning an interest in the real or personal property whose interest is recorded prior to the filing of the warrant for distraint if the third party receives

from the most recent grantor of the interest an affidavit stating that all taxes, assessments, penalties, and interest due from the grantor have been paid.

~~(10)(8)~~ A grantor who signs and delivers to the third party an affidavit as provided in subsection ~~(9)~~ (7) is subject to the ~~penalties~~ *penalty* imposed by ~~15-30-321(1)~~ *15-1-216(3)* if any part of the affidavit is untrue. ~~The department may bring an action as provided in 15-30-321(1) in the name of the state to recover the civil penalty and any delinquent taxes.~~

~~(11)(9)~~ All of the remedies available to the state for the administration, enforcement, and collection of income taxes are available and apply to the tax required to be deducted and withheld under the provisions of 15-30-201 through 15-30-208 unless otherwise specifically addressed in this part."

Section 8. Section 15-30-241, MCA, is amended to read:

"15-30-241. Estimated tax — payment — exceptions — interest. (1) (a) Each individual subject to tax under this chapter, except farmers or ranchers as defined in subsection (6), shall pay for the tax year, through employer withholding, as provided in 15-30-202, through payment of estimated tax in four installments, as provided in subsection (2) of this section, or through a combination of employer withholding and estimated tax payments, at least:

(i) 90% of the tax for the current tax year, less tax credits and withholding allowed the taxpayer; or

(ii) an amount equal to 100% of the individual's tax liability for the preceding tax year, if the preceding tax year was a period of 12 months and if the individual filed a return for the tax year.

(b) Payment of estimated taxes under this section is not required if:

(i) the combined tax liability of employer withholding and estimated tax for the current year is less than \$500 after reductions for credits and withholding;

(ii) the individual did not have any tax liability for the preceding tax year, which was a tax year of 12 months, and if the individual was a citizen or resident of the United States throughout that tax year;

(iii) the underpayment was caused by reason of casualty, disaster, or other unusual circumstances that the department determines to constitute good cause; or

(iv) the individual retired in the tax year after having attained the age of 62 or if the individual became disabled in the tax year. In addition, payment of estimated taxes under this section is not required in the tax year following the tax year in which the individual retired or became disabled.

(2) Estimated taxes must be paid in four installments according to one of the following schedules:

(a) For each taxpayer whose tax year begins on January 1, estimated tax payments are due on the following dates:

Installment	Date
First	April 15
Second	June 15
Third	September 15
Fourth	January 15 of the following tax year

(b) For each taxpayer whose tax year begins on a date other than January 1, estimated tax payments are due on the following dates:

Installment	Date
First	15th day of the 4th month following the beginning of the tax year
Second	15th day of the 6th month following the beginning of the tax year
Third	15th day of the 9th month following the beginning of the tax year
Fourth	15th day of the month following the close of the tax year

(3) (a) Except as provided in subsection (4), each installment must be 25% of the required annual payment determined pursuant to subsection (1). If the taxpayer's tax situation changes, each succeeding installment must be proportionally changed so that the balance of the required annual payment is paid in equal installments over the remaining period of time.

(b) If the taxpayer's tax situation changes after the date for the first installment or any subsequent installment, as specified in subsection (2)(a) or (2)(b), so that the taxpayer is required to pay estimated taxes, the taxpayer shall pay 25% for each succeeding installment except for the first one in which a payment is required. For estimated taxes required to be paid beginning with the second installment provided for in subsection (2)(a) or (2)(b), the taxpayer shall pay 50% for that installment and 25% for the third and fourth installments, respectively. For estimated taxes required to be paid beginning with the third installment provided for in subsection (2)(a) or (2)(b), the taxpayer shall pay 75% for that installment and 25% for the fourth installment.

(4) (a) If for any required installment the taxpayer determines that the installment payment is less than the amount determined under subsection (3)(a), the lower amount may be paid as an annualized income installment.

(b) For any required installment, the annualized income installment is the applicable percentage described in subsection (4)(c) applied to the tax computed on the basis of annualized taxable income in the tax year for the months ending before the due date for the installment less the total amount of any prior required installments for the tax year.

(c) For the purposes of this subsection (4), the applicable percentage is determined according to the following schedule:

Required Installment	Applicable Percentage
First	22.5%
Second	45%
Third	67.5%
Fourth	90%

(d) A reduction in a required installment resulting from the application of an annualized income installment must be recaptured by increasing the amount of the next required installment, determined under subsection (3)(a), by the amount of the reduction. Any subsequent installment must be increased by the amount of the reduction until the amount has been recaptured.

(5) (a) If an estimated tax, an employer withholding tax, or a combination of estimated tax and employer withholding tax is underpaid, there must be added to the amount due under this chapter interest ~~equal to 12% a year~~ *as provided in 15-1-216* on the amount of the underpayment. The interest is computed on the amount of the underpayment, as determined in subsection (5)(b), for the period

from the time the payment was due to the date payment was made or to the 15th day of the 4th month of the year following the tax year in which the payment was to be made, whichever is earlier.

(b) For the purpose of determining the amount of interest due in subsection (5)(a), the amount of the underpayment is the required installment amount less the installment amount paid, if any, on or before the due date for the installment.

(c) For the purpose of determining the amount of interest due in subsection (5)(a), an estimated payment must be credited against unpaid required installments in the order in which those installments are required to be paid.

(d) For each married taxpayer filing separately on the same form, the interest provided for in subsection (5)(a) must be computed on the combined tax liability after reductions for credits and withholding, as shown on the taxpayer's return.

(e) Interest may not be charged with respect to any underpayment of the fourth installment of estimated taxes if:

(i) the taxpayer pays in full the amount computed on the return as payable; and

(ii) the taxpayer files a return on or before the last day of the month following the close of the tax year referred to in subsection (2)(a) or (2)(b).

(6) For the purposes of this section, "farmer or rancher" means a taxpayer who derives at least 66 2/3% of the taxpayer's gross income, as defined in 15-30-101, from farming or ranching operations, or both.

(7) The department shall promulgate rules governing reasonable extensions of time for paying the estimated tax. An extension may not be for more than 6 months."

Section 9. Section 15-30-321, MCA, is amended to read:

"15-30-321. Penalties for violation of chapter. ~~(1) Any individual, corporation, or partnership or any officer or employee of any corporation or member or employee of any partnership who purposely fails to file a return or files, renders, or signs a false or fraudulent return or statement or supplies false or fraudulent information is liable to a penalty of not less than \$1,000 and not more than \$5,000, to be recovered in the name of the state by action in a court of competent jurisdiction.~~

~~(2)(1)~~ An individual, corporation, or partnership or an officer or employee of a corporation or member or employer of a partnership who, with intent to evade any tax or requirement of this chapter or any lawful requirement of the department under this chapter, purposely fails to pay the tax or to file or sign any return or to supply information within the time required by this chapter or who with an intent to evade, purposely files or signs a false or fraudulent return or statement or supplies false or fraudulent information is guilty of a misdemeanor and upon conviction must be fined not more than \$1,000 or be imprisoned for not more than 1 year, or both, at the discretion of the court.

~~(3)(2)~~ With respect to the imposition of a civil penalty, evidence produced by the department to the effect that a tax has not been paid, that a return has not been filed, or that information has not been supplied as required under the provisions of this chapter is prima facie evidence that the tax has not been paid, the return has not been filed, or the information has not been supplied."

Section 10. Section 15-30-323, MCA, is amended to read:

“15-30-323. Penalty and Notice of additional assessment — penalty and interest for deficiency. (1) ~~If the payment required by 15-30-142(6) is not made within 60 days or if the understatement is due to negligence on the part of the taxpayer but without fraud, the penalty imposed in 15-1-216(1)(c) must be added to the amount of the deficiency. Interest on the additional assessment must be computed as provided in 15-1-216. Except as otherwise provided in this subsection, the interest in all cases must be computed from the date the return and tax were originally due as distinguished from the due date as it may have been extended to the date of payment.~~

~~(2) If the time for filing a return is extended, the taxpayer shall pay in addition interest on the tax due, as provided in 15-1-216, from the time when the return was originally required to be filed to the time of payment.~~

(1) If the department determines that the amount of tax due is greater than the amount disclosed by the return, it shall mail to the taxpayer a notice, pursuant to 15-1-211, of the additional tax proposed to be assessed. The taxpayer may seek review of the determination pursuant to 15-1-211.

(2) Penalty and interest on any deficiency assessment must be calculated from the applicable date specified in 15-30-144 for payment of the tax, with penalty and interest added as provided in 15-1-216. A certificate by the department of the mailing of the notice specified in subsection (1) is prima facie evidence of the computation and levy of the deficiency in tax and of the giving of the notice.”

Section 11. Section 15-30-1112, MCA, is amended to read:

“15-30-1112. Composite returns and tax. (1) A partnership or S. corporation may elect to file a composite return and pay a composite tax on behalf of participants. A participant is a partner, shareholder, member, or other owner who:

(a) is a nonresident individual, a foreign C. corporation, or a pass-through entity whose only Montana source income for the tax year is from the entity and other partnerships or S. corporations electing to file the composite return and pay the composite tax on behalf of that partner, shareholder, member, or other owner; and

(b) consents to be included in the filing.

(2) (a) Each participant’s composite tax liability is the product obtained by:

(i) determining the tax that would be imposed, using the rates specified in 15-30-103, on the sum obtained by subtracting the allowable standard deduction for a single individual and one exemption allowance from the participant’s share of the entity’s income from all sources as determined for federal income tax purposes; and

(ii) multiplying that amount by the ratio of the entity’s Montana source income to the entity’s income from all sources for federal income tax purposes.

(b) A participant’s share of the entity’s income is the aggregate of the participant’s share of the entity’s income, gain, loss, or deduction or item of income, gain, loss, or deduction.

(3) The composite tax is the sum of each participant’s composite tax liability.

(4) The electing entity:

(a) shall remit the composite tax to the department;

(b) must be responsible for any assessments of additional tax, penalties, and interest, which additional assessments must be based on the total liability reflected in the composite return;

(c) shall represent the participants in any appeals, claims for refund, hearing, or court proceeding in any matters relating to the filing of the composite return;

(d) shall make quarterly estimated tax payments *and be subject to the underpayment interest* as prescribed by 15-30-241(5)(a) ~~computed separately for each participant on the composite tax liability~~ included in the filing of a composite return; and

(e) shall retain powers of attorney executed by each participant included in the composite return, authorizing the entity to file the composite return and to act on behalf of each participant.

(5) The composite return must be made on forms the department prescribes and filed on or before the due date, including extensions, for filing the entity information return. The composite return is in lieu of an individual income tax return required under 15-30-142 and 15-30-144, a corporation license tax return required under 15-31-111, and a corporation income tax return required under 15-31-403.

(6) The composite tax is in lieu of the taxes imposed under:

(a) 15-30-103 and 15-30-105;

(b) 15-31-101 and 15-31-121; and

(c) 15-31-403.

(7) The department may adopt rules that are necessary to implement and administer this section."

Section 12. Section 15-31-111, MCA, is amended to read:

"15-31-111. Return to be filed — penalty and interest. (1) Each corporation subject to the license tax imposed under this chapter shall for each tax period file ~~a true and~~ *an* accurate return of its net income for the tax period in the manner and form prescribed by the department of revenue. The return must contain all of the ~~facts, data, and~~ information that ~~are~~ *is* appropriate and in the opinion of the department necessary to determine the correctness of the net income ~~returned disclosed by the return~~ and to carry out the provisions of this chapter. The return must be signed by the president, the vice president, the treasurer, the assistant treasurer, or the chief accounting officer.

(2) If the corporation is reporting on a calendar year basis, the return must be filed with the department on or before May 15 following the close of the calendar year. If the corporation is reporting on a fiscal year basis, the return must be filed with the department on or before the 15th day of the 5th month following the close of its fiscal year.

(3) (a) A corporation is allowed an automatic extension of time for filing its return of up to 6 months following the date prescribed for filing of its tax return. The tax, *penalty*, and interest must be paid when the return is filed. ~~Interest~~ *Penalty and interest* must be added to the tax due as provided in 15-31-510(2).

(b) The department may grant an additional extension of time for the filing of a return whenever in its judgment good cause exists.

(4) Receivers, trustees in bankruptcy, or assignees operating the property or business of a corporation subject to the license tax imposed by this chapter shall

make the return in the same manner and form as the corporation is required to make the return. Any license tax due on the basis of the return is assessed and collected in the same manner as if assessed directly against the corporation of whose business or property the receiver, trustee, or assignee has custody and control. The receiver, trustee, or assignee shall pay the tax out of the property of the corporation, prior to the claims of creditors or stockholders.”

Section 13. Section 15-31-141, MCA, is amended to read:

“15-31-141. Consolidated returns — computation and procedure — penalty and interest. (1) Corporations that are affiliated may not file a consolidated return unless at least 80% of all classes of stock of each corporation involved is owned directly or indirectly by one or more members of the affiliated group.

(2) Corporations may not file a consolidated return unless the operation of the affiliated group constitutes a unitary business and, except for a unitary business operation described in subsection (2)(b), permission to file a consolidated return is given by the department. For purposes of this section, a “unitary business operation” means one in which:

(a) the business operations conducted by the corporations in the affiliated group are interrelated or interdependent to the extent that the net income of one corporation cannot reasonably be determined without reference to the operations conducted by the other corporations; or

(b) all of the corporations in the affiliated group operate exclusively in Montana, are not multistate corporations, and have filed a consolidated federal return for the tax year.

(3) The election to file a consolidated return is binding as long as the affiliated group continues to file a federal consolidated return.

(4) If the conditions of subsections (1) and (2) are met, the department may require corporations to file a consolidated return when the department considers a consolidated return necessary.

(5) A corporation liable to report under this chapter and owning or controlling, either directly or indirectly, at least 80% of all classes of stock of each corporation involved may be required to make a consolidated report showing the combined net income, the assets of the corporation that are required for the purposes of this chapter, and any other information that the department may require, but excluding intercorporate stockholdings and intercorporate accounts. A corporation liable to report under this chapter and owned or controlled, either directly or indirectly, by another corporation may be required to make a report consolidated with the owning company, showing the combined net income, the assets of the corporation that are required for the purposes of this chapter, and any other information that the department may require, but excluding intercorporate stockholdings and intercorporate accounts. If it appears to the department that any arrangement exists in a manner that improperly reflects the business done, the segregable assets, or the entire net income earned from business done in this state, the department may equitably adjust the tax in a manner that it may determine.

(6) (a) If an affiliated group elects to file a consolidated return under the provisions of this section, a corporation of the affiliated group shall file a separate return for any portion of its tax period in which its income is not included in the consolidated return of the group. The separate return must be filed no later than the 15th day of the 5th month following the close of the tax period for which a consolidated return of the affiliated group is filed.

(b) (i) A corporation is allowed an automatic extension of time for filing its tax return of up to 6 months following the date prescribed for filing its return. The tax, *penalty*, and interest must be paid when the return is filed. ~~Interest~~ *Penalty and interest* must be added to the tax due as provided in 15-31-510(2).

(ii) The department may grant an additional extension of time for filing of a tax return whenever in its judgment good cause exists."

Section 14. Section 15-31-503, MCA, is amended to read:

"15-31-503. Deficiency assessment — notice — *penalty and interest*.

(1) If the department of ~~revenue~~ determines that the amount of tax due is greater than the amount disclosed by the return, it shall mail to the taxpayer a notice, pursuant to 15-1-211, of the additional tax proposed to be assessed. The taxpayer may seek review of the determination pursuant to 15-1-211.

(2) ~~Interest~~ *Penalty and interest* on any deficiency assessment ~~shall bear interest is calculated~~ from the date specified in 15-31-502 for payment of the tax. *Penalty and interest is added to the deficiency as provided in 15-1-216.* A certificate by the department of the mailing of the ~~notices~~ *notice* specified in this subsection (1) ~~shall be~~ *is* prima facie evidence of the computation and levy of the deficiency in tax and of the giving of the ~~notices~~ *notice.*"

Section 15. Section 15-31-510, MCA, is amended to read:

"15-31-510. Estimated payments — tax returns — *penalty and*

interest. (1) ~~For corporations failing~~ *A corporation that fails* to make estimated payments according to the schedule provided in 15-31-502(2), ~~there is charged~~ *assessed interest in the amount of 12% a year as provided in 15-1-216* calculated as follows:

(a) The amount of underpayment is the amount of the required installment set forth in 15-31-502 that exceeds the amount, if any, of the installment paid on or before the last date prescribed for payment.

(b) Notwithstanding the provisions of subsection (1)(a), interest with respect to an underpayment of any installment may not be charged if the total amount of all payments of estimated tax made on or before the last date prescribed for the payment of the installment equals or exceeds the amount that would have been required to be paid on or before that date if the estimated tax were an amount equal to 80% of the tax for the ~~taxable~~ *tax* year, computed by placing on an annualized basis the taxable income:

(i) for the first 3 months of the ~~taxable~~ *tax* year in the case of the installment required to be paid in the 4th month;

(ii) for the first 3 months or for the first 5 months of the ~~taxable~~ *tax* year in the case of the installment required to be paid in the 6th month;

(iii) for the first 6 months or for the first 8 months of the ~~taxable~~ *tax* year in the case of the installment required to be paid in the 9th month; and

(iv) for the first 9 months or for the first 11 months of the ~~taxable~~ *tax* year in the case of the installment required to be paid in the 12th month of the ~~taxable~~ *tax* year.

(c) For purposes of subsection (1)(b), the taxable income must be placed on an annualized basis by:

(i) multiplying by 12 the taxable income referred to in subsection (1)(b); and

(ii) dividing the resulting amount by the number of months in the ~~taxable~~ *tax* year (3, 5, 6, 8, 9, or 11, as the case may be) referred to in subsection (1)(b).

(d) Notwithstanding the provisions of subsections (1)(a) through (1)(c), interest with respect to an underpayment of any installment may not be charged if the total amount of all payments of estimated tax made on or before the last date prescribed for the payment of the installment equals or exceeds 80% of the amount determined under subsection (1)(e).

(e) To determine the amount for any installment:

(i) take the taxable income for all months during the ~~taxable~~ tax year preceding the filing month;

(ii) divide the amount by the base period percentage for all months during the ~~taxable~~ tax year preceding the filing month;

(iii) determine the tax on the amount calculated under subsection (1)(e)(ii); and

(iv) multiply the tax computed under subsection (1)(e)(iii) by the base period percentage for the filing month and all months during the ~~taxable~~ tax year preceding the filing month.

(f) For purposes of this subsection (1):

Section 1. Establishment of small business health insurance pool — intent. (1) There is established a nonprofit legal entity known as the small business health insurance pool, with participating membership consisting of all employer members of the purchasing pool.

(2) The small business health insurance pool is created as a voluntary purchasing pool pursuant to the provisions of 33-22-1815 through 33-22-1817.

(3) Subject to the conditions in 53-6-1201, the purchasing pool shall make group health plan coverage available effective January 1, 2006.

(4) It is the intent of the legislature that the board:

(a) establish criteria that will allow the greatest number of employees possible to be eligible for premium assistance payments by not permitting eligibility for premium assistance payments under [sections 1 through 9] to employees who continue to maintain enrollment in another comprehensive health insurance coverage through a spouse, parent, or other person; and

(b) allow eligible small employers to determine the length of the waiting period that will apply to their employees, as long as the waiting period:

(i) is not more than 12 months; and

(ii) applies to all eligible employees within that small group in the same manner.

(5) The legislative auditor shall conduct or have conducted, at least once each biennium covering the prior 2 fiscal years, a financial compliance audit of the board and the purchasing pool. The cost of the audit must be paid for by the purchasing pool as a direct cost not subject to the cap on administrative expenses.

A qualified association health plan is subject to applicable employer group health insurance law and must receive approval from the commissioner to operate as a qualified association health plan for the purposes of [sections 1 through 9].

(b) four directors must be appointed by the governor, one of whom must be a management-level individual with knowledge of state employee health benefit plans, one of whom must be a management-level individual with knowledge of medicaid services, one of whom must be a consumer representing the public interest, and one of whom must be a consumer representing the small business community.

(2) Each director is entitled to one vote on the board.

(3) The commissioner and the governor shall each appoint a representative from their respective staffs to participate in all board meetings as nonvoting members.

(4) The directors must be compensated and receive travel expenses in the same manner as members of the quasi-judicial boards under 2-15-124(7). The costs of conducting the meetings of the purchasing pool and the compensation for its board of directors must be borne by the purchasing pool.

(5) A board director or member must be replaced in the same manner as the original appointment if that board member is not actively participating in the affairs of the board.

Section 4. Powers and duties of board. (1) The board shall:

(a) establish an operating plan that includes but is not limited to administrative and accounting procedures for the operation of the purchasing pool and a schedule for premium incentive and premium assistance payments and that complies with the powers and duties provided for in this section;

(f) adopt a premium incentive payment amount that is the same for all registered eligible small employers who join the purchasing pool or obtain qualified association health plan coverage;

(g) adopt premium assistance payment amounts that, in combination with the premium incentive payments, are consistent with the amounts provided for in [sections 6 and 8] or with the assistance of the department of public health and human services, adopt a premium assistance payment schedule that is equitably proportional to the income or wage level for eligible employees;

(h) establish criteria for determining which employees will be eligible for a premium assistance payment and the amount that the employees will receive from among those eligible small employer groups that have registered with the commissioner pursuant to [section 8] and applied for coverage under the purchasing pool group health plan or qualified association health plan. However, to the extent that federal funds are used to make some premium assistance payments, criteria for those payments must be consistent with any waiver requirements determined by the department of public health and human services pursuant to [section 10]. Eligibility for employees is not limited to the waiver eligibility groups.

(i) make appropriate changes to eligibility or other elements in the operating plan as needed to reach the goal of expending 90% of the funding dedicated to premium incentive payments and premium assistance payments during the current biennium;

(j) limit the total amount of premium incentive payments and premium assistance payments paid to the amount of available state, federal, and private funding;

- (a) borrow money;
 - (b) enter into contracts with insurers, administrators, or other persons;
 - (c) hire employees to perform the administrative tasks of the purchasing pool;
 - (d) assess its members for costs associated with administration of the purchasing pool and request that the commissioner transfer funds or request that the department of public health and human services transfer funds from the special revenue account, as provided in 53-6-1201, for that purpose;
 - (e) set contribution levels for employers;
 - (f) request that funds be transferred from the funds appropriated for premium incentive payments and premium assistance payments to the general fund to offset tax credits if the number of eligible small employers seeking premium incentive payments and employees receiving premium assistance payments is insufficient to exhaust at least 90% of the appropriated funds for the premium incentive and assistance payments during a biennium;
 - (g) seek other federal, state, and private funding sources;
 - (h) accept all small employer groups who apply for coverage under the small business health insurance pool group health plan even if they are not eligible for any tax credit or premium incentive payment and have not been registered by the commissioner pursuant to [section 8];
 - (i) receive from the commissioner's office or the department of public health and human services premium incentive payments on behalf of eligible small employers and premium assistance payments on behalf of eligible employees, collect the employer or employee premiums from the employer or employees, and make premium payments to insurers on behalf of the eligible small employers and employees;
 - (j) request the commissioner to direct more than 30% of the available funding for premium incentives and premium assistance payments to qualified association health plan coverage instead of purchasing pool coverage; and
 - (k) pay appropriate commissions to licensed insurance producers who market purchasing pool coverage.

Section 5. Duties of commissioner — rulemaking authority. Subject to the conditions in 53-6-1201, the commissioner shall:

- (1) adopt rules regarding the implementation of [sections 1 through 9], including rules regarding the administration of the premium incentive payments, premium assistance payments, and tax credits, the approval of qualified association health plans, and the registration process. The rules regarding tax credits may not relate to the filing of tax returns and claiming the tax credit on the tax returns.

(2) supervise the creation of the purchasing pool within the limits described in [sections 1 through 9];

(3) approve or disapprove the operating plan for the purchasing pool;

(4) if the board chooses to hire one, approve or disapprove the selection of a third-party administrator to handle the administration of the purchasing pool;

(5) with the assistance of the department of public health and human services, approve or disapprove the schedule of premium incentive payment or premium assistance payment amounts adopted by the board as provided in [section 4];

(6) approve or disapprove any contracts between a health insurance issuer and the purchasing pool;

(7) approve or disapprove all group health plans being offered by insurers through the purchasing pool;

(8) conduct periodic audits of the financial transactions conducted by the purchasing pool;

(9) allow up to 30%, or more if requested by the board and approved by the commissioner, of the available funding for the premium incentive payments and premium assistance payments to be applied to small group health plan coverage purchased through a qualified association health plan; and

(10) make applicable premium incentive payments or premium assistance payments for qualified association health plan coverage on behalf of eligible small employers and employees or direct the purchasing pool to make the payments; and

(11) approve or disapprove associations as qualified if their members consist of employers who sponsor group health plan coverage for their employees and purchase that coverage through an association that qualifies as a bona fide association, as defined in 33-22-1803, or nonbona fide, as provided for in administrative rule. A qualified association health plan is subject to applicable employer group health insurance law.

Section 6. Premium incentive payments, premium assistance payments, and tax credits for small employer health insurance premiums paid — eligibility for small group coverage — amounts. (1) An employer is eligible to apply for premium incentive payments and premium assistance payments or a tax credit under [sections 1 through 9] if the employer and any related employers:

(a) did not have more than the number of employees established for eligibility by the commissioner at the time of registering for premium incentive payments or premium assistance payments or a tax credit under [section 8];

(b) provide or will provide a group health plan for the employer's and any related employer's employees;

(c) do not have delinquent state income tax liability owing to the department of revenue from previous years;

(d) have been registered as eligible small employer participants by the commissioner as provided in [section 8]; and

(e) do not have any employees, not including an owner, partner, or shareholder of the business, who received more than \$75,000 in gross compensation, including bonuses and commissions, from the small employer or related employer in the prior tax year.

(2) The commissioner shall establish, by rule, the maximum number of employees that may be employed to qualify as a small employer under subsection (1). However, the number may not be less than two employees or more than nine employees. The maximum number may be different for employers seeking premium incentive payments and premium assistance payments than for employers seeking a tax credit. The number must be set to maximize the number of employees receiving coverage under [sections 1 through 9]. The commissioner may not change the maximum employee number more often than every 6 months. If the maximum number of allowable employees is changed, the change does not disqualify registered employers with respect to the tax year for which the employer has registered.

(3) Except as provided in subsection (4), an eligible small employer may claim a tax credit in the following amounts:

(a) (i) not more than \$100 each month for each employee and \$100 each month for each employee's spouse, if the employer covers the employee's spouse, if the average age of the group is under 45 years of age; or

(ii) not more than \$125 each month for each employee and \$100 each month for each employee's spouse, if the employer covers the employee's spouse, if the average age of the group is 45 years of age or older; and

(b) not more than \$40 each month for each dependent, other than the employee's spouse, if the employer is paying for coverage for the dependents, not to exceed two dependents of an employee in addition to the employee's spouse.

(4) An employer may not claim a tax credit:

(a) in excess of 50% of the total premiums paid by the employer for the qualifying small group;

(b) for premiums paid from a medical care savings account provided for in Title 15, chapter 61; or

(c) for premiums for which a deduction is claimed under 15-30-121 or 15-31-114.

(5) An employer may not claim a premium incentive payment in excess of 50% of the total premiums paid by the employer for the qualifying small group.

Section 7. Filing for tax credit — filing for premium incentive payments and premium assistance payments. (1) An eligible small employer may:

(a) apply the tax credit against taxes due for the current tax year on a return filed pursuant to Title 15, chapter 30 or 31; or

(b) if the eligible small employer did not sponsor a group health plan for employees during the 2 years prior to the first tax year of registration for the premium incentive payments or premium assistance payments or operates a new business that is less than 2 years old and has never sponsored a group health plan, apply to receive monthly premium incentive payments and premium assistance payments to be applied to coverage obtained through the purchasing pool or qualified association health plan coverage approved by the commissioner.

(2) An eligible small employer may not, in the same tax year, apply the tax credit against taxes due for the current tax year as provided for in subsection (1)(a) and receive premium incentive payments as provided for in subsection (1)(b).

(3) The premium incentive payments and premium assistance payments provided for in subsection (1)(b) must be paid pursuant to a plan of operation implemented by the board and any applicable administrative rules.

(4) (a) If an eligible small employer's tax credit as provided in subsection (1)(a) exceeds the employer's liability under 15-30-103 or 15-31-121, the amount of the excess must be refunded to the eligible small employer. The tax credit may be claimed even if the eligible small employer has no tax liability under 15-30-103 or 15-31-121.

(b) A tax credit is not allowed under 15-30-129, 15-31-132, or any other provision of Title 15, chapter 30 or 31, with respect to any amount for which a tax credit is allowed under [sections 1 through 9].

(5) The department of revenue or the commissioner may grant a reasonable extension for filing a claim for premium incentive payments or premium assistance payments or a tax credit whenever, in the department's or the commissioner's judgment, good cause exists. The department of revenue and the commissioner shall keep a record of each extension and the reason for granting the extension.

(6) (a) If an employer that would have a claim under [sections 1 through 9] ceases doing business before filing the claim, the representative of the employer who files the tax return or pays the premium may file the claim.

(b) If a corporation that would have a claim under [sections 1 through 9] merges with or is acquired by another corporation and the merger or acquisition makes the previously eligible corporation ineligible for the premium incentive payments, premium assistance payments, or tax credit in the future, the surviving or acquired corporation may file for the premium incentive payments, premium assistance payments, or tax credit for any claim period during which the former eligible corporation remained eligible.

(c) If an employer that would have a claim under [sections 1 through 9] files for bankruptcy protection, the receiver may file for the premium incentive payments, premium assistance payments, or tax credit for any claim period during which the employer was eligible.

Section 8. Registration — funding limitations — transfers — maximum number — waiting list — information transfer for tax credits. (1) (a) Each eligible small employer that proposes to apply for premium incentive payments and premium assistance payments or a tax credit under [sections 1 through 9] must be registered each year with the commissioner. The commissioner shall begin taking new applications for 2006 on October 1, 2005.

(b) An eligible small employer may submit a new application for the premium incentive payments and premium assistance payments or the tax credit anytime during the year, but in order to maintain the employer's registration for the next year, the registration application must be renewed each year.

(c) The commissioner shall begin accepting renewal applications on October 1 of each year and stop accepting renewal applications on October 31 of each year.

(d) The registration application must include the number of individuals covered, as of the date of the registration application, under the small group health plan for which the employer is seeking premium incentive payments and premium assistance payments or a tax credit. If, after the initial registration, the number of individuals increases, the employer may apply to register the

additional individuals, but those additional individuals may be added only at the discretion of the commissioner, who shall limit enrollment based on available funds.

(e) A small employer is not eligible to apply for premium incentive payments and premium assistance payments or a tax credit for a number of employees, or the employees' spouses or dependents, over the number that has been established in [section 6] as the maximum number of employees an employer may have in order to qualify for registration for the time period in question.

(f) An employer's decision to apply for premium incentive payments and premium assistance payments or a tax credit is irrevocable for 12 months or until the purchasing pool group health plan or qualified association health plan renews its registration, whichever time period is less. An employer may choose to discontinue receiving any premium incentive payments and premium assistance payments or tax credits at any time.

(2) The commissioner shall register qualifying eligible small employers in the order in which applications are received and according to whether or not the application is for premium incentive payments and premium assistance payments or a tax credit. Initially, 60% of the available funding must be dedicated to provide and maintain premium incentive payments and premium assistance payments for eligible small employers who have not sponsored group health plans in the previous 2 years and who chose to join the purchasing pool or a qualified association health plan and 40% of the available funding must be dedicated to tax credits for eligible small employers who currently sponsor a small group health plan. Funding may be transferred from the allocated fund for premium incentive payments and premium assistance payments to the general fund for tax credits if the board requests the transfer as provided in [section 4] and the commissioner approves the request.

(3) (a) The maximum number of eligible small employers is reached when the anticipated amount of claims for premium incentive payments and premium assistance payments and tax credits has reached 95% of the amount of money allocated for premium incentive payments and premium assistance payments and tax credits.

(b) The commissioner may establish a waiting list for applicants that are otherwise qualified for registration but cannot be registered because of a lack of money or because the maximum number of eligible small employers has been reached.

(c) The commissioner shall mail to each employer registered under this section a notice of registration containing a unique registration number and indicating eligibility for either premium incentive payments and premium assistance payments or a tax credit. The commissioner shall also issue to each employer that is eligible for premium incentive payments and premium assistance payments or the tax credit a certificate, placard, sticker, or other evidence of participation that may be publicly posted.

(d) The commissioner shall notify all persons who applied for registration and who were not accepted that they were not registered and the reason that they were not registered.

(4) A prospective participant shall apply for registration on a form provided by the commissioner. The prospective participant shall:

(a) provide the number of employees and whether the employer qualifies under [section 6];

(b) provide information that is necessary to estimate the amount of the premium incentive payments and premium assistance payments payable to the applicant or the amount of the tax credit available to the applicant, such as the ages of employees or dependents, relationships of employees' dependents, and information required by the department of public health and human services for determination of eligibility for premium assistance payments matched by federal funds;

(c) indicate whether the prospective employer intends to pursue the claim as a tax credit through the income tax process or through premium incentive payments and premium assistance payments to be applied toward purchasing pool or eligible qualified association health plan coverage;

(d) indicate whether or not the employer previously sponsored a group health plan and, if so, when and for how long; and

(e) provide any additional information determined by the commissioner to be necessary to support an application.

(5) Each year, small employer participants shall reregister with the commissioner in order to determine the participant's continued eligibility.

(6) The commissioner shall transmit to the department of revenue, at least annually, a list of eligible small employers that are taxpayers entitled to the tax credit and shall specify the taxpayer's name and tax identification number, the tax year to which the credit applies, the amount of the credit, and whether the credit is to be applied against taxes due on the taxpayer's return or paid as premium incentive payments or premium assistance payments. Unless there has been a finding of fraud or misrepresentation on the part of the taxpayer regarding issues relating to eligibility for the tax credit, the department of revenue may not redetermine or change the commissioner's determination regarding the taxpayer's entitlement to and amount of the tax credit.

(7) If the department of public health and human services receives approval for a section 1115 waiver as provided in [section 10], the commissioner shall work with the department of public health and human services with regard to eligibility determinations as required by federal law or waiver conditions.

Section 9. Penalties. (1) The commissioner may, after providing an opportunity for a hearing pursuant to 33-1-701, impose the penalties provided for in 33-1-317 for a violation of [sections 1 through 9]. Failure to pay a fine under this section results in a lien upon the assets and property of that person in this state and may be recovered by suit by the commissioner and deposited in the special revenue account described in 53-6-1201.

(2) In addition to any penalty provided for in 33-1-317, the commissioner may require a person violating [sections 1 through 9] to make full restitution to the state, including interest of 10% a year from the date of loss, if a violation of [sections 1 through 9] caused a premium incentive payment or premium assistance payment to be paid or a tax credit to be issued to a person who was not entitled to it.

(3) A person who purposely or knowingly violates [sections 1 through 9] and receives a premium incentive payment or premium assistance payment or tax credit that the person is not entitled to commits the offense of theft, which is punishable as provided in 45-6-301.

(4) A person who purposely or knowingly violates [sections 1 through 9] and makes false statements, knowing those statements are not true, commits the

offense of unsworn falsification to authorities, which is punishable as provided in 45-7-203.

(5) Any fines or restitution collected pursuant to this section must be deposited in the special revenue account in 53-6-1201 and dedicated to the payment of premium incentive payments and premium assistance payments or tax credits or funding new programs to assist eligible small employers with the cost of providing health insurance benefits.

Section 10. Health insurance premium assistance — legislative intent — application for section 1115 waiver — duties of board of directors of small business health insurance pool, commissioner of insurance, and department of public health and human services. (1) It is the intent of the legislature that the small business health insurance pool board of directors, established in [section 3], consider the option of funding a portion of the premium incentive payments on behalf of eligible small employers or premium assistance payments on behalf of eligible employees under [sections 1 through 9] to the extent possible through a section 1115 waiver demonstration project of medicaid coverage as authorized by section 1115 of Title XI of the Social Security Act, 42 U.S.C. 1315.

(2) The department shall prepare an analysis of the section 1115 waiver for the board for its consideration in deciding whether to request that the department seek the section 1115 waiver as provided in [section 4].

(3) (a) The department, as the designated single state agency for the receipt of medicaid, may seek, if requested by the board, approval from the U.S. department of health and human services for inclusion in a section 1115 waiver for the premium incentive payments and premium assistance payments to be provided on behalf of employees eligible under [sections 1 through 9] who meet the applicable income standard established through the section 1115 waiver.

(b) The commissioner of insurance and the board shall cooperate with the department in obtaining approval for the inclusion of the premium assistance payment coverage group in a section 1115 waiver.

(4) Upon approval of a premium assistance payment coverage group through a section 1115 waiver:

(a) the eligibility of program participants for the section 1115 demonstration premium assistance coverage group must be determined by the department. The commissioner of insurance shall provide employee and other information to the department as necessary for section 1115 waiver eligibility determinations.

(b) the department may access confidential employee and employer information necessary for administration of the premium assistance payment coverage group. The commissioner shall provide employee, employer, and other information to the department as necessary for the administration of the section 1115 waiver.

(c) the commissioner of insurance and the board shall provide to the department the funds or certification necessary to provide the state match for the medicaid money to be expended on behalf of the section 1115 waiver premium incentive payment or premium assistance payment coverage groups and for the administration of the coverage groups by the department;

(d) the commissioner of insurance, the board, and the department shall cooperate in the adoption of administrative rules necessary for the implementation of the premium incentive payments and premium assistance payments. The department shall adopt rules for the implementation of medicaid

coverage for employees participating in the program as provided in the conditions for the waiver.

(e) the commissioner and the board shall cooperate with the department to ensure that expenditures of medicaid money are made in accordance with the requirements of federal law and the approval for the section 1115 waiver.

(5) The department may coordinate or include the authorization to seek the waiver granted by this section with any other authority granted to the department in this part to seek section 1115 waivers.

Section 11. Tax credit for health insurance premiums paid — eligible small employers — pass-through entities. (1) There is a tax credit, determined under [sections 1 through 9], for eligible small employers who are individuals against the taxes imposed in 15-30-103 for qualifying premiums paid by the eligible small employer for coverage of eligible employees and eligible employees' spouses and dependents under a group health plan as defined in [section 2].

(2) If the employer is an S. corporation, the shareholders may claim a pro rata share of the tax credit. If the employer is a partnership, the credit may be claimed by the partners in the same proportion used to report the partnership's income or loss for Montana income tax purposes.

(4) A taxpayer who, in determining federal adjusted gross income, has reduced the taxpayer's business deductions by an amount for wages and salaries for which a federal tax credit was elected under sections 38 and 51(a) of the Internal Revenue Code, 26 U.S.C. 38 and 51(a), is allowed to deduct the amount of the wages and salaries paid regardless of the credit taken. The deduction must be made in the year that the wages and salaries were used to compute the credit. In the case of a partnership or small business corporation, the deduction must be made to determine the amount of income or loss of the partnership or small business corporation.

(5) Married taxpayers filing a joint federal return who are required to include part of their social security benefits or part of their tier 1 railroad retirement benefits in federal adjusted gross income may split the federal base used in calculation of federal taxable social security benefits or federal taxable tier 1 railroad retirement benefits when they file separate Montana income tax returns. The federal base must be split equally on the Montana return.

(6) A taxpayer receiving retirement disability benefits who has not attained 65 years of age by the end of the tax year and who has retired as permanently and totally disabled may exclude from adjusted gross income up to \$100 a week received as wages or payments in lieu of wages for a period during which the employee is absent from work due to the disability. If the adjusted gross income before this exclusion exceeds \$15,000, the excess reduces the exclusion by an equal amount. This limitation affects the amount of exclusion, but not the taxpayer's eligibility for the exclusion. If eligible, married individuals shall apply the exclusion separately, but the limitation for income exceeding \$15,000 is determined with respect to the spouses on their combined adjusted gross income. For the purpose of this subsection, "permanently and totally disabled" means unable to engage in any substantial gainful activity by reason of any medically determined physical or mental impairment lasting or expected to last at least 12 months.

(7) Married taxpayers who file a joint federal return and who make an election on the federal return to defer income ratably for 4 tax years because of a conversion from an IRA other than a Roth IRA to a Roth IRA, pursuant to section 408A(d)(3) of the Internal Revenue Code, 26 U.S.C. 408A(d)(3), may file separate Montana income tax returns to defer the full taxable conversion amount from Montana adjusted gross income for the same time period. The deferred amount must be attributed to the taxpayer making the conversion.

(8) An individual who contributes to one or more accounts established under the Montana family education savings program may reduce adjusted gross income by the lesser of \$3,000 or the amount of the contribution. In the case of married taxpayers, each spouse is entitled to a reduction, not in excess of \$3,000, for the spouses' contributions to the accounts. Spouses may jointly elect to treat half of the total contributions made by the spouses as being made by each spouse. The reduction in adjusted gross income under this subsection applies only with respect to contributions to an account of which the account owner, as defined in 15-62-103, is the taxpayer, the taxpayer's spouse, or the taxpayer's child or stepchild if the taxpayer's child or stepchild is a Montana resident. The provisions of subsection (1)(e) do not apply with respect to withdrawals of contributions that reduced adjusted gross income.

(9) (a) A taxpayer may exclude up to \$5,000 from the taxpayer's adjusted gross income if the taxpayer:

- (i) is a health care professional licensed in Montana as provided in Title 37;

- (iv) has received a loan payment made on the taxpayer's behalf by a loan repayment program described in subsection (9)(b) as an incentive to practice in Montana.

(b) For the purposes of subsection (9)(a), a loan repayment program includes a federal, state, or qualified private program. A qualified private loan repayment program includes a licensed health care facility, as defined in 50-5-101, that makes student loan payments on behalf of the person who is

employed by the facility as a licensed health care professional. (Subsection (2)(f) terminates on occurrence of contingency—sec. 3, Ch. 634, L. 1983; subsection (2)(o) terminates on occurrence of contingency—sec. 9, Ch. 262, L. 2001.)”

(2) (a) From the amounts estimated in subsection (1) for each county government, the department shall deduct fiscal year 2001 county government expenditures for district courts, less reimbursements for district court expenses, and fiscal year 2001 county government expenditures for public welfare programs to be assumed by the state in fiscal year 2002.

(b) The amount estimated pursuant to subsections (1) and (2)(a) is each local government's base year component. The sum of all local governments' base year components is the base year entitlement share pool. For the purpose of calculating the sum of all local governments' base year components, the base year component for a local government may not be less than zero.

(3) (a) ~~Beginning with fiscal year 2002 and in~~ In each succeeding fiscal year, the base year entitlement share pool must be increased annually by a growth rate as provided for in this subsection (3). The amount determined through the application of annual growth rates is the entitlement share pool for each fiscal year. ~~For fiscal year 2002, the growth rate is 3%. For fiscal year 2003, the growth rate is 3% for incorporated cities and towns, 1.61% for counties, and 2.3% for consolidated local governments. Beginning with calendar year 2002, by~~ By October 1 of each even-numbered year, the department shall calculate the growth rate of the entitlement share pool for each year of the next biennium in the following manner:

~~(i) Before applying the growth rate for fiscal year 2004 to determine the fiscal year 2004 entitlement share pool, the department shall add to the fiscal year 2003 entitlement share pool the fiscal year 2003 amount of revenue actually distributed to the county from the 25-cent marriage license fee in 50-15-301 and the probation and parole fee in 46-23-103(2)(b).~~

~~(ii)~~(i) The department shall calculate the average annual growth rate of the Montana gross state product, as published by the bureau of economic analysis of the United States department of commerce, for the following periods:

(A) the last 4 calendar years for which the information has been published; and

(B) the 4 calendar years beginning with the year before the first year in the period referred to in subsection ~~(3)(a)(ii)(A)~~ (3)(a)(i)(A).

~~(iii)~~(ii) The department shall calculate the average annual growth rate of Montana personal income, as published by the bureau of economic analysis of the United States department of commerce, for the following periods:

(A) the last 4 calendar years for which the information has been published; and

(B) the 4 calendar years beginning with the year before the first year in the period referred to in subsection ~~(3)(a)(iii)(A)~~ (3)(a)(ii)(A).

(b) (i) For ~~fiscal year 2004 and subsequent~~ *each* fiscal years *year*, the entitlement share pool growth rate for the first year of the biennium must be the following percentage of the average of the growth rates calculated in subsections ~~(3)(a)(ii)(B)~~ (3)(a)(i)(B) and ~~(3)(a)(iii)(B)~~ (3)(a)(ii)(B):

(A) for counties, 54%;

(B) for consolidated local governments, 62%; and

(C) for incorporated cities and towns, 70%.

(ii) The entitlement share pool growth rate for the second year of the biennium must be the following percentage of the average of the growth rates calculated in subsections ~~(3)(a)(ii)(A)~~ (3)(a)(i)(A) and ~~(3)(a)(iii)(A)~~ (3)(a)(ii)(A):

(A) for counties, 54%;

(B) for consolidated local governments, 62%; and

(C) for incorporated cities and towns, 70%.

(4) As used in this section, "local government" means a county, a consolidated local government, an incorporated city, and an incorporated town. A local government does not include a tax increment financing district provided for in subsection (6). For purposes of calculating the base year component for a county or consolidated local government, the department shall include the revenue listed in subsection (1) for all special districts within the county or consolidated local government. The county or consolidated local government is responsible for making an allocation from the county's or consolidated local government's share of the entitlement share pool to each special district within the county or consolidated local government in a manner that reasonably reflects each special district's loss of revenue sources listed in subsection (1).

(5) (a) The entitlement share pools calculated in this section and the block grants provided for in subsection (6) are statutorily appropriated, as provided in 17-7-502, from the general fund to the department for distribution to local governments. Each local government is entitled to a pro rata share of each year's entitlement share pool based on the local government's base component in relation to the base year entitlement share pool. The distributions must be made on a quarterly basis ~~beginning September 15, 2001.~~

(b) (i) ~~For fiscal year 2002, the growth amount is the difference between the fiscal year 2002 entitlement share pool and the base year entitlement share pool. For fiscal year 2002, a county may have a negative base year component. For fiscal year 2003 and each succeeding fiscal year, the growth amount is the difference between the entitlement share pool in the current fiscal year and the entitlement share pool in the previous fiscal year. For the purposes of subsection (5)(b)(ii)(A), a county with a negative base year component has a base year component of zero. The growth factor in the entitlement share must be calculated separately for:~~

- (A) counties;
- (B) consolidated local governments; and
- (C) incorporated cities and towns.

(ii) In each fiscal year, the growth amount for counties must be allocated as follows:

(A) 50% of the growth amount must be allocated based upon each county's percentage of the base year entitlement share pool for all counties; and

(B) 50% of the growth amount must be allocated based upon the percentage that each county's population bears to the state population not residing within consolidated local governments as determined by the latest interim year population estimates from the Montana department of commerce as supplied by the United States bureau of the census.

(iii) In each fiscal year, the growth amount for consolidated local governments must be allocated as follows:

(A) 50% of the growth amount must be allocated based upon each consolidated local government's percentage of the base year entitlement share pool for all consolidated local governments; and

(B) 50% of the growth amount must be allocated based upon the percentage that each consolidated local government's population bears to the state's total population residing within consolidated local governments as determined by the latest interim year population estimates from the Montana department of commerce as supplied by the United States bureau of the census.

(iv) In each fiscal year, the growth amount for incorporated cities and towns must be allocated as follows:

(A) 50% of the growth amount must be allocated based upon each incorporated city's or town's percentage of the base year entitlement share pool for all incorporated cities and towns; and

(B) 50% of the growth amount must be allocated based upon the percentage that each city's or town's population bears to the state's total population residing within incorporated cities and towns as determined by the latest interim year population estimates from the Montana department of commerce as supplied by the United States bureau of the census.

(v) In each fiscal year, the amount of the entitlement share pool not represented by the growth amount is distributed to each local government in the same manner as the entitlement share pool was distributed in the prior fiscal year.

~~(vi) For fiscal year 2002, an amount equal to the district court costs identified in subsection (2) must be added to each county government's distribution from the entitlement share pool.~~

~~(vii) For fiscal year 2002, an amount equal to the district court fees identified in subsection (1)(d) must be subtracted from each county government's distribution from the entitlement share pool.~~

(6) (a) If a tax increment financing district was not in existence during the fiscal year ending June 30, 2000, then the tax increment financing district is not entitled to any block grant. If a tax increment financing district referred to in subsection (6)(b) terminates, then the block grant provided for in subsection (6)(b) terminates.

(b) One-half of the payments provided for in this subsection (6)(b) must be made by November 30 and the other half by May 31 of each year. Subject to subsection (6)(a), the entitlement share for tax increment financing districts is as follows:

Cascade	Great Falls - downtown	\$468,966
Deer Lodge	TIF District 1	3,148
Deer Lodge	TIF District 2	3,126

~~(ii)(i) for fiscal years 2004 and year 2005:~~

Missoula County	Airport Industrial	\$2,406
Silver Bow	Ramsay Industrial	298,797; and

~~(iii)(ii) \$0 for all succeeding fiscal years.~~

(d) The entitlement share for industrial tax increment financing districts referred to in subsection (6)(c) may not be used to pay debt service on tax increment bonds to the extent that the bonds are secured by a guaranty, a letter of credit, or a similar arrangement provided by or on behalf of an owner of property within the tax increment financing industrial district.

(e) One-half of the payments provided for in subsection (6)(c) must be made by July 30, and the other half must be made in December of each year.

(7) The estimated base year entitlement share pool and any subsequent entitlement share pool for local governments do not include revenue received from countywide transportation block grants or from countywide retirement block grants.

(8) The estimates for the base year entitlement share pool in subsection (1) must be calculated as if the fees in Chapter 515, Laws of 1999, were in effect for all of fiscal year 2001.

(9) (a) If revenue that is included in the sources listed in subsections (1)(b) through (1)(p) is significantly reduced, except through legislative action, the department shall deduct the amount of revenue loss from the entitlement share pool beginning in the succeeding fiscal year and the department shall

work with local governments to propose legislation to adjust the entitlement share pool to reflect an allocation of the loss of revenue.

(b) For the purposes of subsection (9)(a), a significant reduction is a loss that causes the amount of revenue received in the current year to be less than 95% of the amount of revenue received in the base year.

(10) A three-fifths vote of each house is required to reduce the amount of the entitlement share calculated pursuant to subsections (1) through (3).

(11) When there has been an underpayment of a local government's share of the entitlement share pool, the department shall distribute the difference between the underpayment and the correct amount of the entitlement share. When there has been an overpayment of a local government's entitlement share, the local government shall remit the overpaid amount to the department.

(12) A local government may appeal the department's estimation of the base year component, the entitlement share pool growth rate, or a local government's allocation of the entitlement share pool, according to the uniform dispute review procedure in 15-1-211.

(13) A payment required pursuant to this section may not be offset by a debt owed to a state agency by a local government in accordance with Title 17, chapter 4, part 1."

Section 13. Section 15-1-122, MCA, is amended to read:

(3) The department may not disclose personal information or highly restricted personal information from an individual Montana driving record, except as permitted or required under 61-11-507, 61-11-508, or 61-11-509.

Section 121. Section 61-11-204, MCA, is amended to read:

"61-11-204. Department's duties. (1) If the records maintained by the department show that a person's driving record brings the person within the definition of a habitual traffic offender, the department shall:

Section 122. Section 61-11-210, MCA, is amended to read:

“61-11-210. Appeals. (1) A person declared to be a habitual traffic offender may file a petition in the district court in the county in which the person resides, or in Lewis and Clark County if the person is not a resident of the state, challenging the declaration and revocation. The petition must be filed within 30 days after the person received notice under 61-11-204. Receipt under 61-11-204 is presumed to be on the third day after the date of mailing. After the petition is filed, a copy must be promptly served on the county attorney of the county in which the petition was filed. The county attorney shall represent the department in the proceeding. Proof of service must be filed with the clerk of the court prior to a hearing or grant of relief. Untimely service or lack of service upon the county attorney waives the right to a hearing. The filing of the petition does not stay enforcement of the revocation.

(2) Upon receipt from the county attorney of notice of the petition, the department shall give the county attorney a certified ~~copy of the abstracts of the records of record~~ of the convictions and bond forfeitures upon which the habitual traffic offender declaration was based.

(3) A hearing date must be set and at least 10 days' notice of the date must be given to the parties. The petitioner has the burden of proving that the department's actions are invalid or that its records are erroneous.

(4) If the court finds that the petitioner is the person declared by the department to be a habitual traffic offender and that the petitioner is a habitual traffic offender, the court shall dismiss the petition. If the court finds that the petitioner is not the person declared by the department to be a habitual traffic offender or that the petitioner is not a habitual traffic offender, the court shall grant the petition and provide the petitioner with appropriate relief, which must include an order that the department reimburse the petitioner for court fees paid by the petitioner.

(5) Upon a finding adverse to the petitioner, the clerk of the court shall file with the department a copy of the court's order, together with the petitioner's driver's license if the license has not been previously surrendered. If the petition is granted, the clerk of the court shall file with the department a copy of the court's order granting the petition. The order must state the grounds upon which the relief was granted and must specify the court findings on the conviction points, if any, that have been accrued by the petitioner. The department shall then correct the petitioner's driving record to comport with the court's specific findings.”

Be it enacted by the Legislature of the State of Montana:

Section 1. Section 15-24-1402, MCA, is amended to read:

“15-24-1402. New or expanding industry — assessment — notification. (1) In the first 5 years after a construction permit is issued, qualifying improvements or modernized processes that represent new industry or expansion of an existing industry, as designated in the approving resolution, must be taxed at 50% of their taxable value. Subject to 15-10-420, each year thereafter, the percentage must be increased by equal percentages until the full taxable value is attained in the 10th year. In subsequent years, the property must be taxed at 100% of its taxable value.

(2) (a) In order for a taxpayer to receive the tax benefits described in subsection (1), the governing body of the affected county or the incorporated city or town must have approved by separate resolution for each project, following due notice as defined in 76-15-103 and a public hearing, the use of the schedule provided for in subsection (1) for its respective jurisdiction. The governing body may not grant approval for the project until all of the applicant's taxes have been paid in full. Taxes paid under protest do not preclude approval.

(b) Subject to 15-10-420, the governing body may end the tax benefits by majority vote at any time, but the tax benefits may not be denied an industrial facility that previously qualified for the benefits.

(c) The resolution provided for in subsection (2)(a) must include a definition of the improvements or modernized processes that qualify for the tax treatment that is to be allowed in the taxing jurisdiction. The resolution may provide that real property other than land, personal property, improvements, or any combination thereof is eligible for the tax benefits described in subsection (1).

(d) *Property taxes abated from the reduction in taxable value allowed by this section are subject to recapture by the local governing body if the ownership or use of the property does not meet the requirements of 15-24-1401, this section, or the resolution required by subsections (2)(a) and (2)(c) of this section. The recapture is equal to the amount of taxes avoided, plus interest and penalties for nonpayment of property taxes provided in 15-16-102, during any period in which an abatement under the provisions of this section was in effect. The amount recaptured, including penalty and interest, must be distributed by the treasurer to funds and accounts subject to the abatement in the same ratio as the property tax was abated. A recapture of taxes abated by this section is not allowed with regard to property ceasing to qualify for the abatement by reason of an involuntary conversion. The recapture of abated taxes may be canceled, in whole or in part, if the local governing body determines that the taxpayer's failure to*

meet the requirements is a result of circumstances beyond the control of the taxpayer.

(3) The taxpayer shall apply to the department for the tax treatment allowed under subsection (1). The application by the taxpayer must first be approved by the governing body of the appropriate local taxing jurisdiction, and the governing body shall indicate in its approval that the property of the applicant qualifies for the tax treatment provided for in this section. Upon receipt of the form with the approval of the governing body of the affected taxing jurisdiction, the department shall make the assessment change pursuant to this section.

(4) The tax benefit described in subsection (1) applies only to the number of mills levied and assessed for local high school district and elementary school district purposes and to the number of mills levied and assessed by the governing body approving the benefit over which the governing body has sole discretion. The benefit described in subsection (1) may not apply to levies or assessments required under Title 15, chapter 10, 20-9-331, 20-9-333, or 20-9-360 or otherwise required under state law.

(5) Prior to approving the resolution under this section, the governing body shall notify by certified mail all taxing jurisdictions affected by the tax benefit."

(3) The tax benefit described in subsection (1) applies only to the number of mills levied and assessed for high school district and elementary school district purposes and to the number of mills levied and assessed by the local governing body approving the benefit. The benefit described in subsection (1) may not apply to statewide levies.

(4) A local government may, in the resolution required by subsection (2), modify the percentages contained in subsection (1) that apply to the first year following construction through the fourth year following construction. A local government may not modify the percentages contained in subsection (1) that apply to the fifth year following construction or years following the fifth year. A local government may not modify the time limits contained in subsection (1). The modifications to the percentages in subsection (1) adopted by a local government apply uniformly to each remodeling, reconstruction, or expansion project approved by the governing body.

(5) *Property taxes abated from the reduction in property taxes allowed by this section are subject to recapture by the local governing body if the ownership or use of the property does not meet the requirements of this section or the resolution required by subsection (2). The recapture is equal to the amount of taxes avoided, plus interest and penalties for nonpayment of property taxes provided in 15-16-102, during any period in which an abatement under the provisions of this section was in effect. The amount recaptured, including penalty and interest, must be distributed by the treasurer to funds and accounts subject to the abatement in the same ratio as the property tax was abated. A recapture of taxes abated by this section is not allowed with regard to property ceasing to qualify for the abatement by reason of an involuntary conversion. (c) horizontally completed well production:		
(i) first 18 months of qualifying production	0.5%	14.8%
(ii) after 18 months	9%	14.8%

(3) The reduced tax rates under subsection (2)(a)(i) on production for the first 12 months of natural gas production from a well begins following the last day of the calendar month immediately preceding the month in which natural gas is placed in a natural gas distribution system, provided that notification has been given to the department.

(4) The reduced tax rate under subsection (2)(c)(i) on production from a horizontally completed well for the first 18 months of production begins following the last day of the calendar month immediately preceding the month in which natural gas is placed in a natural gas distribution system, provided that notification has been given to the department.

(5) Oil is taxed on the gross taxable value of production based on the type of well and type of production according to the following schedule for working interest and nonworking interest owners:

	Working Interest	Nonworking Interest
(a) primary recovery production:		
(i) first 12 months of qualifying production	0.5%	14.8%
(ii) after 12 months:		
(A) pre-1999 wells	12.5%	14.8%

(B) post-1999 wells	9%	14.8%

(6) (a) The reduced tax rates under subsection (5)(a)(i) for the first 12 months of oil production from a well begins following the last day of the calendar month immediately preceding the month in which oil is pumped or flows, provided that notification has been given to the department.

(b) (i) The reduced tax rates under subsection (5)(d)(i) on oil production from a horizontally completed well for the first 18 months of production begins following the last day of the calendar month immediately preceding the month in which oil is pumped or flows if the well has been certified as a horizontally completed well to the department by the board.

(b) *The total of the privilege and license tax and the tax for the oil, gas, and coal natural resource account may not exceed 0.3%. The base rate for the tax for oil, gas, and coal natural resource account funding is 0.08%, but when the rate adopted pursuant to 82-11-131 by the board of oil and gas conservation for the privilege and license tax:*

(i) *exceeds 0.22%, the rate for the tax to fund the oil, gas, and coal natural resource account is equal to the difference between the rate adopted by the board of oil and gas conservation and 0.3%; or*

(ii) *is less than 0.18%, the rate for the tax to fund the oil, gas, and coal natural resource account is equal to the difference between the rate adopted by the board of oil and gas conservation and 0.26%.*

(c) *The board of oil and gas conservation must give the department at least 90 days' notice of any change in the rate adopted by the board. Any rate change of the tax to fund the oil, gas, and coal natural resource account is effective at the same time that the board of oil and gas conservation rate is effective."*

Of the amount in Governor's Postsecondary Scholarship Program, \$22,000 in fiscal year 2006 and \$22,000 in fiscal year 2007 are restricted for administration costs of the scholarship program.

The budget amount for each full-time equivalent student at the community colleges, including Summitnet, is \$5,203 each year of the 2007 biennium. The general fund appropriation for OCHE — Community College Assistance provides 53% of the budget amount for each full-time equivalent student each year of the 2007 biennium. The remaining 47% of the budget amount for each full-time equivalent student must be paid from funds other than those appropriated for OCHE — Community College Assistance.

The general fund appropriation for OCHE — Community College Assistance is calculated to fund education in the community colleges for an estimated 2,631 resident FTE students in fiscal year 2006 and 2,770 in fiscal year 2007. If total resident FTE student enrollment in the community colleges is greater than the estimated number for the biennium, the community colleges shall serve the additional students without a state general fund contribution. If actual resident FTE student enrollment is less than the estimated numbers for the biennium, the commissioner of higher education shall revert general fund money to the state in accordance with 17-7-142.

Total Summitnet costs are estimated to be \$25,000 each year for the community colleges, Summitnet costs charged to the community colleges for each year may not exceed \$8,000 each for Dawson and Miles community colleges and \$9,000 for Flathead Valley community college.

Total audit costs are estimated to be \$40,000 for the community colleges for the biennium. The general fund appropriation for each community college provides 53% of the total audit costs in the 2007 biennium. The remaining 47% of these costs must be paid from funds other than those appropriated for OCHE — Community College Assistance — Legislative Audit. Audit costs charged to the community colleges for the biennium may not exceed \$12,500 each for Dawson and Miles community colleges and \$15,000 for Flathead Valley community college.

Community College Assistance Special Funding is appropriated as a block grant allocation, rather than following the standard three-factor funding formula, because the legislature has concerns about the cost of education factor. The legislature requests that the legislative finance committee make it a high priority to look at the community college funding formula and statutes and report to the 2007 legislature on recalibrating the cost of education factor and other funding issues.

Revenue anticipated to be received by the Montana university system units and colleges of technology includes:

- (1) interest earnings of \$791,274 each year of the 2007 biennium; and
- (2) other revenue of \$1,301,198 each year of the 2007 biennium.

These amounts are appropriated for current unrestricted operating expenses as a biennial lump-sum appropriation and are in addition to the funds shown in OCHE — Appropriation Distribution Transfers.

If actual resident student enrollment is greater than the estimated number for the biennium, the university system shall serve the additional students without a state general fund contribution. If actual resident enrollment is less than the estimated number for the biennium, the commissioner of higher education shall revert general fund money to the state in accordance with 17-7-142.

MONTANA UNIVERSITY SYSTEM - 5100

Because certain employee benefit plans require a large number of individual premiums for a variety of benefit options, because the portion of these premiums paid by the state is statutorily established in 2-18-703, and because the employee-paid portion of these premiums must be adjusted from time to time to maintain employee group benefit plans on an actuarially sound basis, the legislature defines rates and fees for Montana university system employee benefit programs to mean the state contribution toward employee group benefits provided for in 2-18-703 and the employee contribution toward

employee group benefits necessary to maintain the employee group benefit plans on an actuarially sound basis.

HOUSE JOINT RESOLUTION NO. 1

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA URGING THE GOVERNOR, THE DEPARTMENT OF PUBLIC HEALTH AND HUMAN SERVICES, AND THE DEPARTMENT OF CORRECTIONS TO CONTINUE EFFORTS TOWARD INTRAAGENCY AND INTERAGENCY PREVENTION COORDINATION AND TO SUPPORT INTERAGENCY EFFORTS TO ASSIST MONTANANS IN NEED AND TO COMBAT THE SUBSTANTIAL EFFECTS OF SUBSTANCE ABUSE, ESPECIALLY METHAMPHETAMINE USE, ON OUR SOCIETY.

WHEREAS, the Department of Public Health and Human Services has made proposals regarding intraagency prevention coordination for the myriad of prevention programs at the Department that involve public health and prevention activities, including alcohol, tobacco, and other drug use and abuse prevention; and

WHEREAS, the Department of Public Health and Human Services and the Department of Corrections have teamed together in the "Building Bridges" effort to provide transition social services to offenders who are or will be released from incarceration; and

WHEREAS, the Board of Crime Control has restructured to include subcommittees on prevention and treatment and funds many prevention programs involving youth, crime, and drug control; and

WHEREAS, Governor Judy Martz held a Methamphetamine Summit to explore the policy options and strategies to reduce the production, distribution, and use of methamphetamine in Montana and energized many regions of the state to coordinate efforts at the local level and also reconvened the Montana Alcohol, Tobacco and Other Drug Control Policy Task Force to assist in developing policy initiatives for the future; and

WHEREAS, the majority of drug control efforts lie in local, state, tribal, and federal law enforcement agencies and with the Department of Justice, and law enforcement cannot solve the problem of substance abuse, especially methamphetamine use, alone and requires coordinated education, prevention, intervention, and treatment efforts throughout society.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

(1) That all agencies in the Executive Branch, including those under the Governor, the Attorney General, and the Superintendent of Public Instruction, work together to coordinate education, prevention, and drug control efforts to enable and provide resources to local communities to combat the ill effects of abuse of legal and illegal substances and their concomitant effects on the public health and criminal justice systems.

(2) That Governor Schweitzer support efforts to coordinate substance abuse prevention and treatment activities within and between Executive Branch agencies and continue the efforts between the Departments of Public Health

and Human Services and Corrections to bridge offenders back into the community.

(3) That the Director of the Department of Public Health and Human Services support the efforts of the VISTA program and the Prevention Resource Center and maintain the Prevention Connection newsletter to disseminate information directly to communities.

(4) That the Director of the Department of Public Health and Human Services support a position to perform intraagency, cross-division planning and coordination for prevention activities, including the prevention of alcohol, tobacco, and other drug use and abuse, with other public health prevention efforts, including but not limited to the prevention of child abuse, teen pregnancy, HIV/AIDS, suicide, and the retail sale of alcohol and tobacco to minors.

(5) That the Board of Crime Control grow in its efforts to coordinate its substance abuse prevention, delinquency and crime prevention, and public safety programs with those at the Department of Public Health and Human Services and other agencies.

(6) That all agencies involved in prevention programs implement and continue collaborative efforts with Indian tribes.

HOUSE JOINT RESOLUTION NO. 3

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA URGING THE MONTANA DEPARTMENT OF NATURAL RESOURCES AND CONSERVATION TO ENTER INTO NEGOTIATIONS WITH THE UNITED STATES BUREAU OF RECLAMATION TO DETERMINE THE AVAILABILITY AND COST OF WATER STORED BEHIND HUNGRY HORSE DAM FOR WHICH THE STATE OF MONTANA MIGHT CONTRACT TO SUPPORT FUTURE WATER DEVELOPMENT AND EXISTING WATER USE IN THE CLARK FORK RIVER BASIN.

WHEREAS, the 2001 Montana Legislature passed House Bill No. 397 creating the Clark Fork River basin task force and directing it to write a water management plan for the Clark Fork River basin that identifies options to protect the security of water rights, provides for the orderly development of water, and provides for the conservation of water in the future; and

WHEREAS, the Clark Fork task force on August 16, 2004, adopted "The Clark Fork River Basin Water Management Plan"; and

WHEREAS, the Clark Fork task force concludes in the plan that the basin's hydroelectric utility water rights likely pose a constraint on future basin water development and a risk to water use based on water rights junior to the hydroelectric rights; and

WHEREAS, Hungry Horse Reservoir was constructed and is operated by the United States Department of the Interior Bureau of Reclamation "for the purpose of irrigation and reclamation of arid lands, for controlling flood, improving navigation, regulating the flow of the South Fork of the Flathead

River, for the generation of electric energy, and for other beneficial uses primarily in the State of Montana, but also for downstream uses"; and

WHEREAS, in its application of water right, the United States Bureau of Reclamation claimed 3.5 million acre-feet of storage for future sales; and

WHEREAS, no contracts for the sale of Hungry Horse water have been issued to date; and

WHEREAS, the plan concludes that water stored in Hungry Horse Reservoir could be released in a manner that would allow new water development in the Clark Fork River basin without adversely affecting downstream existing hydroelectric water rights; and

WHEREAS, water stored in Hungry Horse Reservoir could also be released in the amount used by water users with water rights junior to the hydroelectric utilities, thereby precluding the need for the hydroelectric utilities to make a call on junior water right holders; and

WHEREAS, the plan recommends that the State of Montana open discussions with the United States Bureau of Reclamation to determine the availability and cost of temporary and long-term contracting options and to determine a quantity of firm storage available from Hungry Horse Reservoir for Montana uses other than hydroelectric power.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the Montana Department of Natural Resources and Conservation be urged to enter into negotiations with the United States Bureau of Reclamation to determine the availability and cost of water stored behind Hungry Horse Dam for which the State of Montana might contract to support existing water use and future water development in the Clark Fork River basin.

BE IT FURTHER RESOLVED, that the Montana Department of Natural Resources and Conservation report to the Environmental Quality Council and the Clark Fork River basin task force the results of these negotiations prior to January 1, 2007.

Adopted March 8, 2005

HOUSE JOINT RESOLUTION NO. 4

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA URGING MONTANA'S CONGRESSIONAL DELEGATION TO INTRODUCE AND SUPPORT LEGISLATION REQUIRING THE U.S. ARMY CORPS OF ENGINEERS TO INCREASE AND MAINTAIN A MINIMUM POOL ELEVATION IN FORT PECK RESERVOIR OF 2226 FEET ABOVE MEAN SEA LEVEL.

WHEREAS, due to management of downstream barge traffic by the U.S. Army Corps of Engineers, the water levels of Fort Peck Reservoir have reached historic lows; and

WHEREAS, the low water levels have had an adverse impact on recreational uses of Fort Peck Reservoir; and

WHEREAS, the declining water levels have had an adverse effect on fisheries management of Fort Peck Reservoir; and

WHEREAS, declining reservoir levels are affecting the availability of water for irrigation and other agricultural uses; and

WHEREAS, reduced reservoir levels have exposed thousands of acres of land, resulting in an accelerated spread of noxious weeds; and

WHEREAS, the reduced water levels have caused a severe economic impact on all of central and eastern Montana in that marinas have closed, most boat ramps no longer reach the water and are unusable, and recreational boaters have limited use of the reservoir, thereby causing an economic disaster to the service industries of central and eastern Montana that provide food, lodging, fuel, sporting goods, boats, and marinas; and

WHEREAS, studies have concluded that the economic value of barge traffic is approximately \$7 million annually, and the economic value of recreational uses of upstream dams is estimated to be \$85 million annually; and

WHEREAS, the drawdown of the reservoirs on the Missouri River will have an impact on the cost of electricity to customers that receive power from the Western Area Power Administration; and

WHEREAS, restoring the lake level to 2226 feet above mean sea level will restore most of the recreational uses and will still allow for future flood control.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That Montana's Congressional Delegation be strongly urged to introduce and support legislation requiring the U.S. Army Corps of Engineers to increase and maintain a minimum pool elevation in Fort Peck Reservoir of 2226 feet above mean sea level.

WHEREAS, the U.S. Department of Agriculture refers to the beef industry in this country as the North American beef industry rather than the United States beef industry; and

WHEREAS, it is important that the United States beef industry maintain its identity, even as the marketplace becomes one of more global proportions; and

WHEREAS, at a time when serious livestock diseases such as bovine spongiform encephalopathy (BSE) and tuberculosis affect this country's trading partners, United States consumers deserve to know that the laws their

producers observe and abide by are not diluted and that the integrity of the United States beef industry is being maintained.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

(1) That the U.S. Department of Agriculture be urged to refer to the beef industry in this country as the United States beef industry and to refrain from referring to it as the North American beef industry.

HOUSE JOINT RESOLUTION NO. 7

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA URGING THE UNITED STATES CONGRESS TO REJECT THE UNITED STATES DEPARTMENT OF AGRICULTURE'S PROPOSAL TO RESUME LIVE CATTLE TRADE WITH CANADA UNTIL MONTANA PRODUCERS AND CONSUMERS CAN BE ASSURED THAT THE FOOD SUPPLY IS SAFE

FROM BOVINE SPONGIFORM ENCEPHALOPATHY (BSE) AND THAT
THE CATTLE INDUSTRY OF MONTANA WILL NOT BE HARMED.

WHEREAS, Montana's beef industry is a significant contributor to the state's agricultural economy and is vital to Montana's economy; and

WHEREAS, Montana relies on export markets in the Pacific Rim and other markets around the world; and

WHEREAS, the United States' export markets have declined more than \$2 billion since the first Canadian cow with bovine spongiform encephalopathy (BSE) was discovered in Washington state in 2003; and

WHEREAS, 70% of countries with a confirmed case of BSE have discovered additional infected animals after the initial outbreak; and

WHEREAS, Montana borders the province of Alberta, Canada, where all of the BSE-positive animals in North America have originated; and

WHEREAS, Montana provides a trucking corridor to the south for all Alberta feedlots; and

WHEREAS, 27,872 head of cattle, out of a national herd of approximately 6 million adult animals, or 0.46% of the national herd, have been tested for BSE in Canada compared to more than 199,166 in the United States, out of a national herd of approximately 80 million adult animals, or 0.24% of the national herd, despite the fact that all BSE-positive cases in North America have been discovered among the native Canadian herd; and

WHEREAS, Canada's meat and bone meal feed ban has not prevented several shipments of feed from being turned back by the Canadian government because of unknown animal parts, there are reports that 70% of tested feed samples in Canada contained unknown animal proteins, and the Canadian Food Inspection Agency confirmed that the original BSE-positive Canadian cow that was discovered in May 2003 was rendered into nonruminant animal feed and distributed to approximately 1,800 Canadian farms; and

WHEREAS, in early January 2005, Canada confirmed a third BSE-positive animal; and

WHEREAS, the United States Department of Agriculture has announced opening the border to imports of live Canadian cattle and further Canadian beef products.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the United States Congress be urged to reject the current proposal by the U.S. Department of Agriculture to reestablish live cattle trade with Canada until safeguards have been established and specific measures have been met to assure the producers and consumers in Montana that the cattle industry in Montana will not be placed in jeopardy.

BE IT FURTHER RESOLVED that international trade be reestablished with as many countries as possible that maintain their ban on United States beef and beef products, including our largest international customers, Japan and South Korea, prior to the United States border with Canada being opened.

BE IT FURTHER RESOLVED that the United States Congress be urged to ban all meat and feed imports from countries that have not implemented and successfully enforced a 100% compliance rate with a ruminant-to-ruminant feed ban.

BE IT FURTHER RESOLVED that the United States Department of Agriculture be urged to immediately finalize reasonable, cost-efficient, and workable rules to implement mandatory country of origin labeling before any live cattle or any additional Canadian beef product imports resume.

BE IT FURTHER RESOLVED that the Secretary of State send a copy of this resolution to the President of the United States, the United States Department of Agriculture, and the Montana Congressional Delegation.

HOUSE JOINT RESOLUTION NO. 10

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA REQUESTING AN INTERIM STUDY TO DEVELOP, CONSOLIDATE, AND UPDATE FIRE-RELATED STATUTES IN ORDER TO IMPROVE WILDLAND FIRE SUPPRESSION AND MITIGATION AND TO ADDRESS DANGEROUS ENVIRONMENTAL CONDITIONS ARISING FROM DROUGHT AND FOREST FUELS, AS WELL AS THE COMPLICATIONS AND COSTS OF FIGHTING FIRES IN WILDLAND/URBAN INTERFACES.

WHEREAS, wildfires impose a large recurrent financial, human resources, and natural resources cost on Montana; and

WHEREAS, Montana state agencies, as well as national and regional studies, commonly point to the high risk of wildfire posed by fuel accumulation; and

WHEREAS, movement into the wildland/urban interface has increased both the risk to inhabitants and the cost of fire suppression; and

WHEREAS, there is considerable sentiment among knowledgeable officials that Montana statutes are outdated or even silent on these important issues; and

WHEREAS, study is needed not only of these fire hazards but also of Montana's statutory response to these hazards, the use of local resources, and the funding of wildland fire protection and suppression costs; and

WHEREAS, a strong relationship between the federal, state, and local agencies is necessary, and the need to study their interrelationships and clarify how to enhance them is important.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the Legislative Council be requested to designate an appropriate interim committee, pursuant to section 5-5-217, MCA, or direct sufficient staff resources to develop, consolidate, and update fire-related statutes, in collaboration with the Department of Natural Resources and Conservation, wildland fire service organizations, and any other organizations, to address dangerous environmental conditions and areas of wildland/urban interface, to improve wildland fire suppression and mitigation, and to recommend legislation to appropriately fund wildland fire protection and suppression costs.

BE IT FURTHER RESOLVED, that if the study is assigned to staff, any findings or conclusions be presented to and reviewed by an appropriate committee designated by the Legislative Council.

BE IT FURTHER RESOLVED, that all aspects of the study, including presentation and review requirements, be concluded prior to September 15, 2006.

BE IT FURTHER RESOLVED, that the final results of the study, including any findings, conclusions, comments, or recommendations of the appropriate committee, be reported to the 60th Legislature.

HOUSE JOINT RESOLUTION NO. 11

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA URGING COOPERATION BETWEEN AND AMONG STATE AND FEDERAL AGRICULTURAL RESEARCH STATIONS AND TRIBAL AGRICULTURAL RESEARCH PROGRAMS TO FACILITATE ONGOING RESEARCH, SHARING OF RESEARCH SCIENTISTS, AND EDUCATIONAL EFFORTS IN ADDRESSING CRITICAL ISSUES CONCERNING DELETERIOUS INSECTS, PESTICIDE USE, LIVESTOCK DISEASE, NOXIOUS WEEDS, AND IRRIGATED AND DRYLAND CROPPING SYSTEMS; AND URGING SUBMISSION OF A REPORT TO THE LEGISLATURE REGARDING THE PROGRESS OF COOPERATIVE RESEARCH EFFORTS AND THE SHARING OF EDUCATIONAL INFORMATION BETWEEN THE STATE AND MONTANA TRIBES AND BETWEEN STATE AND FEDERAL AGRICULTURAL RESEARCH STATIONS.

WHEREAS, critical issues concerning deleterious insects, pesticide use, livestock disease, noxious weeds, and irrigated and dryland cropping systems affect all Montana agricultural interests, both tribal and nontribal; and

WHEREAS, the state through its University System agricultural research stations, Montana tribes through tribal agricultural research programs, and the U.S. Department of Agriculture through its agricultural research service programs seek to address these important agricultural issues; and

WHEREAS, cooperation between agricultural research stations at both the state and federal levels and between state, federal, and tribal entities regarding ongoing research, sharing of research scientists, and educational efforts would help provide a unified approach toward solving these critical issues and strengthen overall efforts on a statewide basis; and

WHEREAS, the agricultural research program at the Fort Belknap Reservation would provide a logical tribal vehicle for cooperation with state and pertinent federal research programs to study insects and pesticides, the agricultural research program at the Fort Peck Reservation would provide a logical tribal vehicle for cooperation with state and pertinent federal research programs to study livestock issues, and the agricultural research program at the Rocky Boy Reservation would provide a logical tribal vehicle for cooperation with state and pertinent federal research programs to study noxious weeds; and

WHEREAS, irrigated and dryland cropping system issues would be an appropriate research focus for cooperation between state and pertinent federal research programs and all tribal agricultural research programs; and

WHEREAS, sharing of research and information between state and federal agricultural research stations, particularly the U.S. Department of Agriculture agricultural research laboratories in Sidney and Miles City, would be beneficial to statewide efforts; and

WHEREAS, because a portion of both state and tribal agricultural research funding comes from federal sources, it is appropriate that the federal government be made aware of Montana's efforts to enhance cooperation between and among state and federal agricultural research stations and tribal agricultural research programs and that the Montana Congressional Delegation be encouraged to seek increased federal funding for all Montana agricultural research efforts, including funding for joint state, federal, and tribal partnerships that address Montana's water resources and irrigated and dryland cropping systems; and

WHEREAS, a report to the Montana Legislature regarding cooperative research efforts and the sharing of educational information between the state and Montana tribes and between state and federal agricultural research stations would help the Legislature identify areas of greatest immediate concern, and available funding sources to address those concerns, in a timely and cost-effective manner.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That Montana agricultural research stations, including federal agricultural research facilities in Sidney and Miles City, be encouraged to share research and information between stations in order to more effectively address agricultural issues of regional and statewide concern.

BE IT FURTHER RESOLVED, that the state agricultural research stations be encouraged to share ongoing research, research scientists, and educational efforts with tribal agricultural research programs in order to help provide a unified approach toward solving critical agricultural issues and strengthening efforts regarding deleterious insects, pesticide use, livestock disease, noxious weeds, and irrigated and dryland cropping systems on a statewide basis.

BE IT FURTHER RESOLVED, that the Montana Congressional Delegation be urged to seek increased federal funding for all Montana agricultural research efforts, including funding for joint state, federal, and tribal partnerships that address Montana's water resources and irrigated and dryland cropping systems.

BE IT FURTHER RESOLVED, that Montana agricultural research stations, through the Montana University System, be encouraged to provide a systemwide report to the 60th Legislature regarding cooperative research efforts and the sharing of educational information between and among state and federal agricultural research stations and tribal agricultural research programs in order to help the Legislature identify areas of greatest immediate concern, examine available funding sources to address those concerns, and consider the potential for cooperative state, federal, and tribal agricultural research pilot programs.

BE IT FURTHER RESOLVED, that the Secretary of State send a copy of this resolution to the natural resource committee of each tribal government in Montana, to the director of each state and federal agricultural research station in Montana, to the Director of the Montana Department of Agriculture, to the

U.S. Secretary of Agriculture, and to the members of the Montana Congressional Delegation.

HOUSE JOINT RESOLUTION NO. 12

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA ENCOURAGING THE CONSTRUCTION OF ROUNDABOUTS INSTEAD OF RIGHT-ANGLE INTERSECTIONS.

WHEREAS, the Insurance Institute for Highway Safety reports that nationwide, fatal crashes at intersections increased 18% during the period between 1992 and 1998; and

WHEREAS, modern roundabouts are designed to control traffic flow at intersections without the use of stop signs or traffic signals; and

WHEREAS, in recent years, there has been growing interest in the potential benefits of roundabouts and an increase in construction of roundabouts; and

WHEREAS, although uncommon in Montana, other states and countries are constructing roundabouts as a safer alternative to intersections; and

WHEREAS, California, Colorado, Florida, Maine, Maryland, Michigan, Nevada, South Carolina, Vermont, and Washington are among the states that are constructing modern roundabouts; and

WHEREAS, the absence of right angles, combined with the necessary reduction in speed, makes roundabouts safer for pedestrians and bicyclists as well as for motorists; and

WHEREAS, an 8-state study of 24 intersections before and after construction of roundabouts found a 39% decrease in crashes and a 76% decrease in crashes that resulted in injury; and

WHEREAS, commercial motor vehicles contribute to the state's economy and the operation of commercial motor vehicles should be considered when roundabouts are designed; and

WHEREAS, the evidence is clear that constructing properly designed roundabouts instead of right-angle intersections in Montana would likely reduce the number of crashes and the number of injuries suffered by Montana motorists.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

(1) That the Department of Transportation and cities and towns in their respective jurisdictions be encouraged to construct more roundabouts instead of signalized, right-angle intersections.

(2) That copies of this resolution be sent by the Secretary of State to the Governor, to the director of the Department of Transportation, and to the Montana League of Cities and Towns with the request that it be forwarded to each city or town public works department or similar entity involved in road design and construction.

HOUSE JOINT RESOLUTION NO. 13

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA URGING THE UNITED STATES CONGRESS TO REPEAL THE FEDERAL LANDS RECREATION ENHANCEMENT ACT.

WHEREAS, H.R. 3283, the Federal Lands Recreation Enhancement Act, allows the federal land management agencies to charge access fees for recreational use of federally managed public lands by the general public; and

WHEREAS, Montana recently made access to its state parks and stream access locations easier for Montanans; and

WHEREAS, Montana's culture, quality of life, and traditions demand free access to public lands; and

WHEREAS, fees for access to public lands discriminate economically against those least able to pay the fees, especially citizens in low-income states, including Montana; and

WHEREAS, these public lands access fees have been highly controversial and are opposed by hundreds of organizations and county governments, by state legislatures, including the Montana Legislature, and by millions of rural Americans; and

WHEREAS, H.R. 3283 is substantive legislation, including criminal penalties, that fundamentally changes the way America's public lands are funded and managed; and

WHEREAS, federal policies regarding management of public lands have a profound impact on the well-being of the citizens of Montana and changes to them should be conducted in an open public forum; and

WHEREAS, H.R. 3283 was never approved by the U.S. House of Representatives and was never introduced, never had hearings, and was never approved by the U.S. Senate but was instead attached to an omnibus spending bill as an appropriations rider.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

(1) That the Montana Legislature demands that H.R. 3283 be repealed by the United States Congress.

(2) That copies of this resolution be sent to the Governor of Montana, Brian Schweitzer, to the President of the United States, to the Vice President of the United States, to the Speaker of the United States House of Representatives, to the majority and minority leadership of the United States Senate, to United States Senators Max Baucus, Conrad Burns, and Craig Thomas, to United States Representatives Denny Rehberg and Ralph Regula, and to the presiding officer of the Public Lands Committee in the United States House of Representatives.

HOUSE JOINT RESOLUTION NO. 15

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA REQUESTING AN INTERIM STUDY TO REVIEW ISSUES RELATED TO SENTENCING PRACTICES AND THE DISPROPORTIONATE REPRESENTATION OF MINORITIES IN THE CRIMINAL JUSTICE AND CORRECTIONS SYSTEMS.

WHEREAS, Indians and other minorities in Montana are disproportionately overrepresented in the criminal justice system compared to their representation in the general population; and

WHEREAS, there are numerous points of discretion in the criminal justice and corrections system that need to be reviewed for causes behind racial disparity in sentencing, including quality of counsel, arrest rates, detention in jail versus release on bail, the various uses of plea agreements and trials, rates of conviction, sentencing patterns, opportunities for effective treatment, rates of incarceration, rates in receiving deferred or suspended sentences and in granting of parole, and differences in probation and parole revocations; and

WHEREAS, Indians represent over 7.5% of the overall population of Montana, yet Indian females represent 17% and Indian males represent 14.4% of the overall 2004 state adult offender population, including prison, intensive supervision parole, prerelease, and probation; and

WHEREAS, the numbers incarcerated in state prisons are even more disproportionate — 27.2% of incarcerated females and 16.8% of incarcerated males are Indian — and those rates have remained consistent for at least 20 years; and

WHEREAS, Indian youth are also disproportionately overrepresented in the Youth Court system, representing 12% to 18% of arrests, referrals to juvenile court, secure detention, petition filings, delinquent findings, probation placement, and secure confinement, and in the juvenile corrections systems, ranging from 20% at the Pine Hills Youth Correctional Facility for boys and up to 50% at the Riverside Youth Correctional Facility for girls; and

WHEREAS, two-thirds of Indians in Montana live on reservations under federal jurisdiction, and the Indian adults and youth who are in federal prisons or under federal supervision are not reflected in the state statistics, which further exacerbates and distorts the magnitude of the disproportionality.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the Legislative Council be requested to designate an appropriate interim committee, pursuant to section 5-5-217, MCA, or direct sufficient staff resources to study the reasons, including quality of counsel, arrest rates, detention in jail versus release on bail, the various uses of plea agreements and trials, rates of conviction, sentencing patterns, opportunities for effective treatment, rates of incarceration, rates in receiving deferred or suspended sentences and in granting of parole, and differences in probation and parole revocations, why there is a disproportionate number of adult and youth minority persons in the criminal justice system in Montana.

BE IT FURTHER RESOLVED, that the committee make recommendations for the criminal justice and corrections systems and the Judiciary to alleviate any disparate treatment of minorities.

BE IT FURTHER RESOLVED, that if the study is assigned to staff, any findings or conclusions be presented to and reviewed by an appropriate committee designated by the Legislative Council.

BE IT FURTHER RESOLVED, that all aspects of the study, including presentation and review requirements, be concluded prior to September 15, 2006.

BE IT FURTHER RESOLVED, that the final results of the study, including any findings, conclusions, comments, or recommendations of the appropriate committee, be reported to the 60th Legislature, each tribal government located on the seven Montana reservations and to the Little Shell band of Chippewa, the Governor, the Montana Congressional Delegation, and the Bureau of Indian Affairs of the United States Department of the Interior.

WHEREAS, Brandon Patch, a citizen of the State of Montana, subject to the state's laws and deserving of its care and protection, and a proud member of the Miles City American Legion Baseball team the Mavericks, was killed by a batted ball from a nonwood bat in a baseball game in 2003; and

WHEREAS, 15 players have been killed by batted baseballs from bats determined to be nonwood aluminum, composite, or "unknown" substances during a 10-year period, according to an examination conducted by the U.S. Consumer Product Safety Commission; and

WHEREAS, nonwood bats when used by young men and mature men may be able to propel a baseball off the bat at a rate of speed that may exceed human reaction time for pitchers and infielders; and

WHEREAS, since its inception until the invention of nonwood bats in the 1970s, baseball had been played with a wood bat; and

WHEREAS, Major League Baseball is played exclusively with wood bats; and

WHEREAS, although nationwide responsible baseball organizations and governmental bodies have not yet conclusively proved that nonwood bats increase the velocity of batted balls beyond the ability of defensive players to react to them, there is at least anecdotal evidence, including the death of Brandon Patch, that the use of nonwood bats places our children, particularly those of high school age, in an unacceptable risk of injury; and

HOUSE JOINT RESOLUTION NO. 22

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA URGING THE UNITED STATES SECRETARY OF AGRICULTURE AND THE UNITED STATES SECRETARY OF THE INTERIOR TO DIRECT THE APPROPRIATE FEDERAL AGENCIES TO EXPEDITE THE ELIMINATION OF BRUCELLOSIS IN THE GREATER YELLOWSTONE AREA BISON AND ELK HERDS, AND IN THEIR ENVIRONMENT, AND URGING THE PRESIDENT OF THE UNITED STATES TO NAME THE UNITED STATES DEPARTMENT OF AGRICULTURE AS THE LEAD AGENCY IN AN ELIMINATION PLAN.

WHEREAS, an essential element of proper wildlife management is the maintenance of healthy animal populations; and

WHEREAS, the disease brucellosis, and the causative organism *Brucella abortus*, has been known to be present in the Yellowstone National Park bison herd for over 87 years; and

WHEREAS, the bison population of Yellowstone National Park is now nearly 4,500 bison, well over the population target of 3,000 bison; and

WHEREAS, in the 2000 final environmental impact statement for the interagency bison management plan for the State of Montana and Yellowstone National Park, one of the objectives was to commit to the eventual elimination of brucellosis in bison and other wildlife; and

WHEREAS, the State of Montana, the U.S. Department of Agriculture, and the U.S. Department of the Interior agreed in a 1995 memorandum of understanding that an objective was to plan for the elimination of brucellosis from the greater Yellowstone area by the year 2010; and

WHEREAS, cattle herds in Idaho and Wyoming have been infected with brucellosis by elk in the greater Yellowstone area, resulting in significant economic loss to local economies; and

WHEREAS, Yellowstone National Park bison that have been infected with or exposed to brucellosis and greater Yellowstone area elk that may have been infected with or exposed to brucellosis frequently make nomadic or migratory movements into Montana, threatening the health of Montana citizens as well as the state's livestock industry and brucellosis class-free status; and

WHEREAS, for years, Montana has been forced to react to the nomadic movements of bison from Yellowstone National Park into Montana with costly management measures, including hazing, capturing, and lethally removing

bison, to protect the health and welfare of Montana citizens and the livestock industry; and

WHEREAS, elimination of brucellosis in the greater Yellowstone area bison and elk herds, and in their environment, would mitigate a public health and animal health concern and reduce ongoing state expenses related to the nomadic movement of bison from Yellowstone National Park; and

WHEREAS, a brucellosis vaccination program for bison is being developed and should be implemented in the Yellowstone National Park wild bison herd as soon as possible as a critical component of any ongoing eradication strategy.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the U.S. Secretary of Agriculture and the U.S. Secretary of the Interior be urged to direct the U.S. Department of Agriculture's Animal and Plant Health Inspection Service Veterinary Services Office, the National Park Service, and any other affected federal agencies to undertake the expeditious elimination of brucellosis in the greater Yellowstone area bison and elk herds, and in their environment, by developing and implementing a brucellosis elimination program, and that the President of the United States be urged to name the United States Department of Agriculture as the lead federal agency for the development of an elimination plan.

BE IT FURTHER RESOLVED, that any federal brucellosis elimination program be developed in coordination with Montana state veterinarians and the Montana Department of Livestock to ensure that state and federal programs continue to protect the health and welfare of Montana citizens, Montana wildlife, and the Montana livestock industry.

BE IT FURTHER RESOLVED, that copies of this resolution be sent by the Secretary of State to the members of the Montana Congressional Delegation, the President of the United States, the U.S. Secretary of Agriculture, the U.S. Secretary of the Interior, and the Director of the National Park Service.

Adopted March 10, 2005

HOUSE JOINT RESOLUTION NO. 24

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA COMMEMORATING THE BICENTENNIAL OF THE LEWIS AND CLARK EXPEDITION IN MONTANA.

WHEREAS, on May 14, 1804, the Corps of Discovery, led by Captains Meriwether Lewis and William Clark, left St. Louis and traveled up the Missouri River, journeyed to its headwaters, and then followed the Columbia River to the Pacific Ocean; and

WHEREAS, Lewis and Clark entered the area currently known as Montana in the springtime of 1805 and traveled more miles in Montana than in any other present state; and

WHEREAS, Lewis and Clark used the Missouri River as a major thoroughfare for their journey through the wild lands of Montana, encountering the Great Falls of the Missouri on June 13, 1805, encountering the Gates of the Mountains on June 19, 1805, when the expedition reached the foothills of the

Rocky Mountains, and finding the headwaters of the Missouri River on July 25, 1805; and

WHEREAS, Lewis and Clark encountered the Salish and Kootenai nations who assisted them in traveling across the most difficult overland segment of their expedition, namely over present-day Lolo Pass and near the area now known as the Great Burn; and

WHEREAS, in July 1806, Corps of Discovery member Sergeant Nathaniel Pryor traversed an area of the Crow Indian nation, now named in his honor as the Pryor Mountains, on the eastward segment of the expedition, a remote area that ranges from high plateaus to desert limestone canyons; and

WHEREAS, Captain Lewis and his return party, traveling east, followed the Blackfoot River and Alice Creek, reaching the Continental Divide, and the expedition reached the location currently known as the Lewis and Clark Pass on July 7, 1806; and

WHEREAS, Lewis and Clark encountered fish and wildlife in abundance during their journey and subsisted on fish and game just as modern-day anglers and hunters currently do, treasuring Montana's trout streams, deer and elk herds, and many other opportunities to enjoy the outdoors; and

WHEREAS, in the span of 200 years since the Lewis and Clark expedition, the Missouri River has been dammed and transformed into a series of slackwater impoundments or, in many places, narrow, fast-flowing channels, and management of this river significantly impacts the continuance of agriculture, fisheries, wildlife, and recreational opportunities.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the Senate and House of Representatives:

(1) applaud the extraordinary journey conceived by President Thomas Jefferson and carried out by Captains Lewis and Clark and the Corps of Discovery;

(2) recognize the enormous contribution of the American Indian nations to the success of this journey;

(3) support efforts to conserve the Missouri River through science-based management of its annual water fluctuations and maintenance of its fisheries and wildlife populations;

(4) support the conservation of our natural heritage as a commemoration of the spirit of the Corps of Discovery; and

(5) support Montana's efforts to encourage all Americans to visit, to appreciate, and to develop a sense of the importance of protecting this natural legacy for future generations.

HOUSE JOINT RESOLUTION NO. 26

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA REQUESTING AN INTERIM STUDY OF THE HISTORY AND TRENDS OF THE STATE'S RELIANCE ON AND USE OF FEDERAL FUNDS, OF THE HISTORY,

TRENDS, AND PORTENTS OF FEDERAL BUDGET DEFICITS, PARTICULARLY AS TO HOW FEDERAL BUDGET DEFICITS HAVE AFFECTED AND MAY IN THE FUTURE AFFECT THE AVAILABILITY OF FEDERAL REVENUE FOR STATE-ADMINISTERED PROGRAMS, AND OF OPTIONS AVAILABLE TO THE LEGISLATURE FOR DEALING WITH REDUCTIONS IN THE AVAILABILITY OF FEDERAL FUNDS FOR PROGRAMS ADMINISTERED BY THE STATE.

WHEREAS, the budget deficit for the federal government for fiscal year 2005 is currently estimated by the Congressional Budget Office to be \$368 billion, excluding the additional \$80 billion requested in January for the cost of the war in Afghanistan and Iraq this year; and

WHEREAS, according to the Congressional Budget Office, the national debt at the end of 2004 stood at \$7.355 trillion and is projected to be \$7.975 trillion by the end of this year; and

WHEREAS, according to the Congressional Budget Office, budget deficits for the federal government may increase over the next 5 years; and

WHEREAS, the United States Congress has in recent years reduced direct funding and matching grants available to Montana and other states; and

WHEREAS, the proportion of the budget of the State of Montana paid for by federal dollars is currently 47%; and

WHEREAS, decreases in federal funding that supports state programs will not only challenge the state budget, but will also adversely affect local governments and tribal governments and the citizens whom they serve.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the Legislative Council be requested to designate an appropriate interim committee, pursuant to section 5-5-217, MCA, or direct sufficient staff resources to:

(1) examine and analyze the history and trends of the state's reliance on the use of federal funds in programs administered by the state or jointly by the state and local governments;

(2) examine and analyze:

(a) the potentially dramatic increases in future federal budget deficits and, by default, the national debt;

(b) the probability that increases in federal budget deficits will result in substantial and permanent decreases in federal funding for state-administered programs; and

(c) the possible nature and scope of impacts to state-administered programs, including programs that affect local governments and tribal governments, that may be inferred from potential decreases in federal funding; and

(3) identify policy options available to future Legislatures to prepare for and address reductions in federal funding for state-administered programs.

BE IT FURTHER RESOLVED, that if the study is assigned to staff, any findings or conclusions be presented to and reviewed by an appropriate interim committee designated by the Legislative Council.

BE IT FURTHER RESOLVED, that all aspects of the study, including presentation and review requirements, be concluded prior to September 15, 2006.

BE IT FURTHER RESOLVED, that the final results of the study, including any findings, conclusions, comments, or recommendations of the appropriate committee, be reported to the 60th Legislature.

HOUSE JOINT RESOLUTION NO. 29

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA CLARIFYING TO APPROPRIATE FEDERAL GOVERNMENT OFFICIALS THAT MONTANA RESERVES ITS APPLICABLE RIGHTS AND REMEDIES TO REQUEST FEDERAL PREDATOR CONTROL AND TO EXERCISE RIGHTS AND REMEDIES TO PREVENT AND CONTROL DAMAGE OR CONFLICT ON FEDERAL, STATE, OR OTHER PUBLIC OR PRIVATE LAND CAUSED BY PREDATORY ANIMALS, AND URGING THE MONTANA CONGRESSIONAL DELEGATION TO TAKE APPROPRIATE MEASURES TO OBTAIN MEANINGFUL FUNDING AND ASSISTANCE FOR MONTANA CITIZENS AND COMMUNITIES THAT HAVE BEEN ADVERSELY AFFECTED BY FEDERAL WOLF REINTRODUCTION.

WHEREAS, Article II, section 3, of the Montana Constitution provides all persons with the inalienable right to enjoy and defend their lives and liberties, to acquire, possess, and protect property, and to seek their safety, health, and happiness in all lawful ways; and

WHEREAS, the 2001 Montana Legislature enacted section 87-5-131, MCA, to provide for state delisting of the gray wolf upon federal delisting and to provide a plan to manage the wolf as a species in need of management until the Department of Fish, Wildlife, and Parks and the Fish, Wildlife, and Parks Commission determine that the wolf no longer needs protection as a species in need of management and can be managed and protected as a game animal; and

WHEREAS, the 2003 Montana Legislature enacted section 87-1-217, MCA, requiring the Department of Fish, Wildlife, and Parks to manage large predators, including wolves, with the primary goals to

preserve citizens' opportunities to hunt large game species, to protect humans, livestock, and pets, and to preserve and enhance the safety of the public during outdoor recreational and livelihood activities; and

WHEREAS, the 2003 Montana Legislature adopted Senate Joint Resolution No. 4, requesting delisting of the wolf pursuant to the federal Endangered Species Act of 1973, requesting that Congress establish and fund the Northern Rocky Mountain Grizzly Bear and Gray Wolf National Management Trust, requesting that wolf population management methods include nonlethal and lethal methods, encouraging the Fish, Wildlife, and Parks Commission to reclassify the gray wolf when regulation of the wolf population is needed, and requesting the Department of Fish, Wildlife, and Parks or the Department of Livestock to address livestock depredations expeditiously; and

WHEREAS, the 2003 Montana Legislature passed House Bill No. 283 (chapter 530, Laws of 2003), directing the Attorney General to prepare a proactive opinion of state options regarding delisting and possible litigation scenarios related to recovery of damages and costs associated with wolf reintroduction in Montana; and

WHEREAS, uncontrolled wolf populations and extraordinarily high wolf densities continue to cause damage to Montana's economy, customs, culture, public safety, and public health despite the state's ongoing efforts to conform to federal requirements regarding wolf management plans and the state's regular requests for wolf delisting and despite the declared intent of Congress in 1988 "not to hurt hunting, not to hurt the local economies"; and

WHEREAS, wolves are predators and should be managed as predators; and

WHEREAS, high wolf population densities resulting from reintroduction are proof of the failure of the U.S. Fish and Wildlife Service to abide by the law and its own regulations; and

WHEREAS, the U.S. Congress has yet to address its restitution responsibilities under the Fifth Amendment to the U.S. Constitution for damage to private property, livestock, domestic animals, and Montana wildlife that has resulted from the unnatural and accelerated reintroduction of wolves; and

WHEREAS, designation of the wolf as a game animal under the Montana management plan will not supersede or undermine current federal or state law allowing management of wolves for depredation and Montana would be better served by a state management plan that allows the controlled taking of wolves following delisting; and

WHEREAS, recent adoption of the final 10(j) Rule under the Endangered Species Act allowed Montana landowners to take additional steps to protect livestock and dogs from attacks by wolves on private land and allowed grazing permittees and guiding and outfitting permittees to take wolves attacking livestock or domestic animals herding and guarding livestock on public lands; and

WHEREAS, a recent U.S. District Court decision in Oregon held that the U.S. Fish and Wildlife Service violated the Endangered Species Act by changing the status of the gray wolf from "endangered" to "threatened" in some regions, relaxing protection on many of the nation's gray wolves and effectively disallowing the shooting of wolves that are not part of the reintroduced experimental populations but that are attacking livestock; and

WHEREAS, the court decision irreparably harmed the good faith efforts between state and federal agencies to move expeditiously toward delisting the gray wolf and raised the prospect of endless third-party lawsuits that will obstruct and delay the delisting process; and

WHEREAS, federal, state, and local governments have a constitutional duty and fiduciary responsibility to provide all available remedies to protect the economy, customs, culture, public safety, and public health of the citizenry.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the State of Montana reserves its rights and remedies available by order of the U.S. Secretary of Agriculture to provide funding under the federal Granger-Thye Act for predator control pursuant to Title 7 of the U.S. Code and recognizes that an injunction sought in a court of law cannot divest the State of Montana of those rights and remedies.

BE IT FURTHER RESOLVED, that the State of Montana reserves its rights and remedies available through the U.S. Secretary of the Interior pursuant to Section 11(h) of the Endangered Species Act to order predator control in defense

of game herds and recognizes that an injunction sought in a court of law cannot divest the State of Montana of those rights and remedies.

BE IT FURTHER RESOLVED, that the State of Montana reserves its rights and remedies to prevent and control damages or conflicts on federal, state, or other public or private lands caused by predatory animals, rodents, and birds that are injurious to livestock, agriculture, horticulture, forestry, wildlife, and human safety and health, including threatened or endangered wildlife within Montana, as established by federal or state law or regulation or by county resolution.

BE IT FURTHER RESOLVED, that the Montana Congressional Delegation is urged to recognize the statutory concessions made by the State of Montana and is urged to obtain meaningful and substantive funding for the impacts from the federal wolf reintroduction program that was forcibly established in Montana, including emergency federal assistance for those Montana communities that bear the disproportionate burden of the impacts from the federal wolf reintroduction program.

BE IT FURTHER RESOLVED, that the Montana Congressional Delegation is urged to review documents published from 1988 through November 22, 1994, that preceded accelerated wolf reintroduction in order to verify that the federal government never intended for high wolf population densities to result in damage to Montana citizens or to strip citizens of their legal rights.

BE IT FURTHER RESOLVED, that the Montana Congressional Delegation is urged to respond to this unintended collateral damage to Montana citizens by seeking restitution under the Fifth Amendment to the U.S. Constitution for Montana citizens who have been damaged by the introduction of wolves into Montana.

BE IT FURTHER RESOLVED, that the Secretary of State send copies of this resolution to the President of the United States, the U.S. Secretary of Agriculture, the U.S. Secretary of the Interior, members of the Montana Congressional Delegation, and all other members of the U.S. Senate and House of Representatives.

WHEREAS, the Fish, Wildlife, and Parks Commission and the Department of Fish, Wildlife, and Parks have adopted rules and regulations in administering those statutes; and

WHEREAS, the adopted rules and regulations reflect preferences to meet individual situations and conditions; and

WHEREAS, there has been no comprehensive study of these preferences to determine if they are effective in recognizing the contributions of landowners in maintaining healthy wildlife populations and if they are consistent with sound wildlife management principles.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the Legislative Council be requested to designate an appropriate interim committee or statutory committee, pursuant to section 5-5-217, MCA, or direct sufficient staff resources to:

(1) evaluate existing statutes that grant a landowner preference in obtaining a big game hunting license or licenses or permit or permits or in sponsoring another person to receive a big game license or permit;

(2) compare the system in Montana for granting those licenses with the statutes, preferences, and administrative rules for similar licenses in other states surrounding Montana; and

(3) assess the impact of granting such licenses on the various wildlife populations and on public-hunting opportunities for both residents and nonresidents.

BE IT FURTHER RESOLVED, that if the study is assigned to staff, any findings or conclusions be presented to and reviewed by an appropriate committee designated by the Legislative Council.

BE IT FURTHER RESOLVED, that all aspects of the study, including presentation and review requirements, be concluded prior to September 15, 2006.

WHEREAS, situations sometimes arise in which audits reveal errors in a claim that has already been paid, consisting of errors in the documentation supporting a claim, for which the Department then seeks repayment from the provider because of the error; and

WHEREAS, the provider is responsible for the error, even if the error was on the part of the Department in paying the claim in the first place; and

WHEREAS, sometimes the repayment sought by the Department from the provider is beyond the ability of the provider to repay because of the provider's cash flow situation.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the Department of Public Health and Human Services review its administrative rules and procedures, for possible revisions to those rules and procedures, in order to address the issue of overpayments associated with Department or provider errors, made in the process of paying claims, that are discovered in the audit process, in order to give greater certainty and predictability to providers in the payment process.

HOUSE JOINT RESOLUTION NO. 42

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA REQUESTING THAT A LEGISLATIVE STUDY BE CONDUCTED ON HOW PUBLIC EMPLOYEE RETIREMENT FUNDS ARE INVESTED AND HOW INVESTMENT PERFORMANCE, RETIREMENT PLAN BENEFITS, AND LEGISLATIVE POLICY DECISIONS INTERACT TO AFFECT THE ACTUARIAL SOUNDNESS OF THE PUBLIC EMPLOYEE RETIREMENT PLANS AND EMPLOYER'S FUNDING OBLIGATIONS.

WHEREAS, a significant decline in the market value of public retirement plan investments from fiscal year 2000 through fiscal year 2003 resulted in actuarial losses to the public retirement plans totaling more than \$1.3 billion; and

WHEREAS, as a consequence of these actuarial losses, the amortization schedules for paying off unfunded liabilities in the teachers', public employees', sheriffs', and game wardens' and peace officers' retirement systems had to be extended to well beyond 30 years; and

WHEREAS, Article VIII, section 15, of the Montana Constitution requires that the public retirement systems be funded on an actuarially sound basis; and

WHEREAS, the Legislature has interpreted "actuarially sound basis" to mean having an amortization period of 30 years or less;

WHEREAS, the retirement boards requested legislation to increase employer contributions to the public employee retirement plans until funding was adequate to reduce the amortization schedules to under 30 years; and

WHEREAS, the employer contribution rate increases will require the Legislature to appropriate a total of nearly \$6.7 million in general fund money for state employer contributions during this biennium; and

WHEREAS, in each subsequent biennium, these employer contribution rate increases and the expected growth in the public employee payroll will increase general fund obligations each biennium until the retirement systems are sound; and

WHEREAS, local government and school district employer contribution rate increases will require local governments and school districts to contribute an additional \$20 million during the next biennium with that amount increasing as salaries increase each biennium until the retirement systems are sound; and

WHEREAS, between 58% and 75% of the funding for the public employee retirement plans comes from investment earnings, while only 12% to 20% of the funding comes from employer contributions; and

WHEREAS, public retirement plan funds are invested by the state Board of Investments and constitute nearly \$6 billion or 62% of all investments managed by the Board of Investments; and

WHEREAS, the Legislature is responsible for oversight of the public employee retirement plans and should consider how investment strategies, retirement benefits, and legislative policy decisions interact to affect employer funding obligations.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the Legislative Council be requested to designate an appropriate interim committee, pursuant to section 5-5-217, MCA, or direct sufficient staff resources to:

- (1) review constitutional and statutory language governing how public employee retirement plan funds are managed and invested;
- (2) study the investment strategies, objectives, and asset allocation of public employee retirement funds managed by the Board of Investments;
- (3) compare the asset allocation, investment performance, and actuarial assumptions regarding Montana's public employee retirement plan funds with asset allocation, investment performance, and actuarial assumptions used in other states;
- (4) study how investments or asset allocation strategies are adjusted by the Board of Investments either in anticipation of changing needs or changing market conditions or after significant national and world events affect the market;
- (5) study actual rates of return versus actuarial gains and losses in market value and how actuarially assumed rates of return adopted by the retirement boards relate to realized returns and the investment objectives set by the Board of Investments;
- (6) examine how investments, retirement benefits, and legislative policy decisions interact to affect the actuarial soundness of the public employee retirement plans and employer funding obligations; and

(7) identify legislative policy issues and concerns, consider options, and develop recommendations.

BE IT FURTHER RESOLVED, that the Legislative Services Division explore whether technical assistance is available and can be provided to assist in conducting this study.

BE IT FURTHER RESOLVED, that if the study is assigned to an interim committee, the committee be staffed by the Legislative Services Division and, if appropriate and by request, that the interim committee also receive staff assistance from the Legislative Fiscal Division and the Legislative Audit Division.

BE IT FURTHER RESOLVED, that if the study is assigned to staff, any findings or conclusions be presented to and reviewed by an appropriate committee designated by the Legislative Council.

BE IT FURTHER RESOLVED, that all aspects of the study, including presentation and review requirements, be concluded prior to September 15, 2006.

BE IT FURTHER RESOLVED, that the final results of the study, including any findings, conclusions, comments, or recommendations of the appropriate committee, be reported to the 60th Legislature.

WHEREAS, agricultural land is classified for property tax purposes according to its use that includes irrigated use, nonirrigated use, and grazing use and is further subclassified by production categories; and

WHEREAS, agricultural land is taxed based on its productive capacity; and

WHEREAS, the several classification categories and other determinants of value may result in anomalies in the equalization of value of agricultural land; and

WHEREAS, the current classification and valuation methods applied to agricultural land may be outdated and unfair; and

WHEREAS, the Department of Revenue requested legislation to revise the valuation of agricultural land; and

WHEREAS, the proposed legislation did not adequately deal with the many problems associated with the valuation of agricultural land.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

(2) The Speaker or presiding officer may ask, “For what purpose does the member rise?” or “For what purpose does the member seek recognition?” and may then decide if recognition is to be granted. There is no appeal from the Speaker’s or presiding officer’s decision.

H20-20. Questions of order and privilege. (1) The Speaker shall decide all questions of order and privilege, subject to an appeal by any representative seconded by two representatives. The question on appeal is, “Shall the decision of the chairman be sustained?”.

(3) Questions of order and privilege, in order of precedence, are:

(a) those affecting the collective rights, safety, dignity, and integrity of the House; and

(b) those affecting the rights, reputation, and conduct of individual representatives.

(4) A member may not address the House on a question of privilege between the time:

(2) Only a member may sit in a member's chair when the House is in session.

H20-50. Dilatory motions or questions. The House has a right to protect itself from dilatory motions or questions used for the purpose of delaying or obstructing business. H20-60. Opening and order of business. The opening of each legislative day must include an invocation, the pledge of allegiance, and roll call. Following the opening, the order of business of the House is as follows:

- (1) communications and petitions;

(3) If the decision of the House is in favor of the member called to order, the member may proceed. If the decision is against the member, the member may not proceed.

(4) If a member is called to order, the matter may be referred to the Rules Committee by the Democratic or Republican floor leader. The Committee may recommend to the House that the member be censured or be subject to other action. The House shall act upon the recommendation of the Committee.

CHAPTER 3

H30-10. House standing committees — appointments. (1) The following are the standing committees: Agriculture; Appropriations; Business and Labor; Education; Ethics; Federal Relations, Energy, and Telecommunications; Fish, Wildlife, and Parks; Transportation; Human Services; Judiciary; Legislative Administration; Local Government; Natural Resources; Rules; State Administration; and Taxation.

(2) (a) Each standing committee must be composed of an equal number of members of each political party.

(b) There will be an equal number of committees chaired by the members of each political party.

(c) There must be two vice chairmen for each committee, one from each political party.

(d) The Democrats will chair the following standing committees: Appropriations; Business and Labor; Education; Ethics; Fish, Wildlife, and Parks; Human Services; Rules; and State Administration.

(e) The Republicans will chair the following standing committees: Agriculture; Federal Relations, Energy, and Telecommunications; Judiciary; Legislative Administration; Local Government; Natural Resources; Taxation; and Transportation.

(f) The House Democratic Leader, in consultation with the Speaker, shall appoint the Democratic committee chairmen and vice chairmen, and the House Republican Leader, in consultation with the Speaker, shall appoint the Republican committee chairmen and vice chairmen. The authority to appoint a chairman or vice chairman carries with it the power to remove that chairman or vice chairman from a committee.

(g) The members of the standing and select committees must be appointed by the House Democratic Leader and the House Republican Leader after good faith consultation with the Speaker and the other House Leader. The Speaker shall appoint a total of three members to standing committees. After the Speaker has made appointments, the Democratic House Leader and the Republican House Leader shall appoint the members of their respective parties. The authority to appoint a member carries with it the power to remove that member from a committee.

(h) There will be six subcommittees of the Committee on Appropriations. Three subcommittees will be chaired by Democratic representatives, and three subcommittees will be chaired by Republican representatives. The chairman of the Committee on Appropriations shall choose the first subcommittee chairman, and the vice chairman of the Committee on Appropriations from the other political party shall choose the second subcommittee chairman. The parties shall then alternate the selection of the remaining subcommittee chairmen.

(3) The Speaker may, in the Speaker's discretion or as authorized by the House, create and appoint select committees, designating the chairman and vice

chairman of the select committee. Select committees may request or receive legislation in the same manner as a standing committee and are subject to the rules of standing committees.

H30-20. Chairman's duties. (1) The principal duties of the chairman of standing or select committees are to:

- (a) preside over meetings of the committee and to put all questions;
- (b) maintain order and decide all questions of order subject to appeal to the committee;
- (c) supervise and direct staff of the committee;
- (d) have the committee secretary keep the official record of the minutes;
- (e) sign reports of the committee and submit them promptly to the Chief Clerk;
- (f) appoint subcommittees to perform on a formal or an informal basis as provided in subsection (2); and
- (g) inform the Speaker of committee activity.

(2) With the exception of the House Appropriations subcommittees, a subcommittee of a standing committee may be appointed by the chairman of the committee. A subcommittee must be composed of an equal number of members from each political party. The chairman of the standing committee shall appoint the chairman of the subcommittee.

H30-30. Quorum — officers as members. (1) A quorum of a committee is a majority of the members of the committee. A quorum of a committee must be present at a meeting to act officially. A quorum of a committee may transact business, and a majority of the quorum, even though it is a minority of the committee, is sufficient for committee action.

(2) The Speaker, the House Democratic Leader, the House Republican Leader, the Democratic floor leader, and the Republican floor leader are ex officio, nonvoting members of all House committees. They may count toward establishing a quorum.

H30-40. Meetings. (1) All meetings of committees must be open to the public at all times, subject always to the power and authority of the chairman to maintain safety, order, and decorum. The date, time, and place of committee meetings must be posted.

- (2) A committee or subcommittee may be assembled for:
 - (a) a public hearing at which testimony is to be heard and at which official action may be taken on bills, resolutions, or other matters;
 - (b) a formal meeting at which the committees may discuss and take official action on bills, resolutions, or other matters without testimony; or
 - (c) a work session at which the committee may discuss bills, resolutions, or other matters but take no formal action.
- (3) All committees meet at the call of the chairman or upon the request of a majority of the members of the committee directed to and with the approval of the Speaker.

(4) All committees shall provide for and give public notice, reasonably calculated to give actual notice to interested persons, of the time, place, and subject matter of regular and special meetings. All committees are encouraged to provide at least 3 legislative days notice to members of committees and the

general public. However, a meeting may be held upon notice appropriate to the circumstances.

(5) A committee may not meet during the time the House is in session without leave of the Speaker. Any member attending such a meeting must be considered excused to attend business of the House subject to a call of the House.

(6) All meetings of committees must be recorded and the minutes must be available to the public within a reasonable time after the meeting. The official record must contain at least the following information:

- (a) the time and place of each meeting of the committee;
- (b) committee members present, excused, or absent;
- (c) the names and addresses of persons appearing before the committee, whom each represents, and whether the person is a proponent, opponent, or other witness;
- (d) all motions and their disposition;
- (e) the results of all votes;
- (f) references to the recording log, sufficient to serve as an index to the original recording; and
- (g) testimony and exhibits submitted in writing.

H30-50. Procedures. (1) The chairman shall notify the sponsor of any bill pending before the committee of the time and place it will be considered.

(2) A standing or select committee may not take up referred legislation unless the sponsor or one of the cosponsors is present or unless the sponsor has given written consent.

- (3) The committee shall act on each bill in its possession:
 - (a) by reporting the bill out of the committee:
 - (i) with the recommendation that it be referred to another committee;
 - (ii) favorably as to passage; or
 - (iii) unfavorably; or
 - (b) by tabling the measure in committee.

(4) The committee may not report a bill to the House without recommendation. Except as provided in subsection (5), a tie vote in a standing committee on the question of a recommendation to the whole House on a matter before the committee, for example on a question of whether a bill "do pass" or "do not pass", does not result in the matter passing out to the whole House for consideration without recommendation.

(5) Each political party is entitled to choose 12 bills on which a tie vote in committee will result in the matter passing out of committee to the whole House without recommendation. The bills must be chosen by the House Democratic Leader for the Democratic party and the House Republican Leader for the Republican party. The House Democratic Leader and the House Republican Leader may agree in writing to increase the number of bills on which a tie vote in committee will result in the matter passing out of committee to the whole House without recommendation.

(6) The committee may recommend that a bill on which it has made a favorable recommendation by unanimous vote be placed on the consent calendar.

(7) In reporting a measure out of committee, a committee shall include in its report:

- (a) the measure in the form reported out;
- (b) the recommendation of the committee;
- (c) an identification of all substantive changes; and
- (d) a fiscal note, if required.

(8) If a measure is withdrawn from a committee and brought to the House floor for debate on second reading on that day without a committee recommendation, the bill does not include amendments formally adopted by the committee.

(9) A second to any motion offered in a committee is not required in order for the motion to be considered by the committee.

(10) The vote of each member on all committee actions must be recorded. All motions may be adopted only on the affirmative vote of a majority of the members voting.

(11) A motion to take a bill from the table may be adopted by the affirmative vote of a majority of the members present at any meeting of the committee.

(12) An action formally taken by a committee may not be altered in the committee except by reconsideration and further formal action of the committee.

(13) A committee may reconsider any action as long as the matter remains in the possession of the committee. A committee member need not have voted with the prevailing side in order to move reconsideration.

(14) Any legislation requested by a committee requires three-fourths of all members of the committee to vote in favor of the question to allow the committee to request the drafting or introduction of legislation. Votes requesting drafting and introduction of committee legislation may be taken jointly or separately.

(15) The chairman shall decide points of order.

(16) The privileges of committee members include the following:

- (a) to participate freely in committee discussions and debate;
- (b) to offer motions;
- (c) to assert points of order and privilege;
- (d) to question witnesses upon recognition by the chairman;
- (e) to offer any amendment to any bill; and
- (f) to vote, either by being present or by proxy, using a standard form or through the vice chairman or minority vice chairman.

(17) Any meeting of a committee held through the use of telephone or other electronic communication must be conducted in accordance with Chapter 3 of the House Rules.

(18) A committee may consolidate into one bill any two or more related bills referred to it whenever legislation may be simplified by the consolidation.

(19) Committee procedure must be informal, but when any questions arise on committee procedure, the rules or practices of the House are applicable except as stated in the House Rules.

H30-60. Public testimony. (1) Testimony from proponents, opponents, and informational witnesses must be allowed on every bill or resolution before a standing or select committee. All persons, other than the sponsor, offering testimony shall complete a "Witness Form" and submit it to the committee secretary.

(2) Any person wishing to offer testimony to a committee hearing a bill or resolution must be given a reasonable opportunity to do so, orally or in writing. Written testimony may not be required of any witness, but all witnesses must be encouraged to submit a statement in writing for the committee's official record.

(3) The chairman may order the committee room cleared of visitors if there is disorderly conduct. During committee meetings, visitors may not speak unless called upon by the chairman. Restrictions on time available for testimony may be announced.

(4) The number of people in a committee room may not exceed the maximum posted by the State Fire Marshal. The chairman shall maintain that limit.

(5) In any committee meeting, the use of cameras, television, radio, or any form of telecommunication equipment is allowed, but the chairman may designate the areas of the hearing room from which the equipment must be operated.

CHAPTER 4

Legislation

H40-10. Introduction deadlines. If a representative accepts drafted legislation from the Legislative Services Division after the deadline for preintroduction, the representative may not introduce that legislation after 2 legislative days from the time the bill was accepted from the Legislative Services Division.

H40-20. House resolutions. (1) A House resolution is used to adopt or amend House rules, make recommendations on the districting and apportionment plan (Montana Constitution, Art. V, Sec. 14), express the sentiment of the House, or assist House operations.

(2) As to drafting, introduction, and referral, a House resolution is treated as a bill. A House resolution may be requested and introduced at any time. Final passage of a House resolution is determined by the Committee of the Whole report. A House resolution does not progress to third reading.

(3) The Chief Clerk shall transmit a copy of each passed House resolution to the Senate and the Secretary of State.

H40-30. Cosponsors. (1) Prior to submitting legislation to the Chief Clerk for introduction, the chief sponsor may add representatives and senators as cosponsors by having them sign the legislation.

(2) After legislation is submitted for introduction but before the legislation returns from the first House committee, the chief sponsor may add or remove cosponsors by filing a cosponsor form with the Chief Clerk. This filing must be noted by the Chief Clerk for the record on Order of Business No. 11.

H40-40. Introduction — receipt. (1) During a session, proposed House legislation may be introduced in the House by submitting it, endorsed with the signature of a representative as chief sponsor, to the Chief Clerk for introduction. Except for the first 15 bill numbers that may be reserved for preintroduced legislation, in each session of the Legislature, the proposed

legislation must be numbered consecutively by type in the order of receipt. Submission and numbering of properly endorsed legislation constitutes introduction.

(2) Preintroduction of legislation prior to a session under provisions of the joint rules constitutes introduction in the House.

(3) Acknowledgment by the Chief Clerk of receipt of legislation or other matters transmitted from the Senate for consideration by the House constitutes introduction of the Senate legislation in the House or receipt by the House for purposes of applying time limits contained in the House rules. All legislation may be referred to a committee prior to being read across the rostrum as provided in H40-50.

(4) Acknowledgment by the Chief Clerk of receipt of messages from the Senate or other elected officials constitutes receipt by the House for purposes of any applicable time limit. Senate legislation or messages received from the Senate or elected officials are subject to all other rules.

H40-50. First reading. Legislation properly introduced or received in the House must be announced across the rostrum and public notice provided. This announcement constitutes first reading, and no debate or motion is in order except that a representative may question adherence to rules. Acknowledgment by the Chief Clerk of receipt of legislation transmitted from the Senate commences the time limit for consideration of the legislation. All legislation received by the House may be referred to a committee prior to being read across the rostrum.

H40-60. One reading per day. Except on the final legislative day, legislation may receive no more than one reading per legislative day. On the final legislative day, legislation may receive more than one reading.

H40-70. Referral. (1) If the Speaker is not the elected leader of the Democratic caucus, the Rules Committee shall establish the jurisdiction of each standing committee and all properly introduced House legislation and transmitted Senate legislation must be referred to a House committee, joint select committee, or joint special committee by the Chief Clerk of the House in conformity to the committee jurisdiction. The assignment of a bill to a committee may be appealed to the Rules Committee by either House Leader. If the Rules Committee does not reassign a bill to another committee, the original assignment may not be changed unless accomplished by motion on the House floor.

(2) Legislation may not receive final passage and approval unless it has been referred to a House committee, joint select committee, or joint special committee.

H40-80. Rereferral — normal progression. (1) Except as provided in subsection (2), legislation that is in the possession of the House and that has not been finally disposed of may be rereferred to a House committee by House motion approved by not less than three-fifths of the members present and voting.

(2) Legislation that is in the possession of the House and that has been reported from a committee with a do pass or be concurred in recommendation may be rereferred to a House committee by a majority vote.

(3) The normal progress of legislation through the House consists of the following steps in the order listed: introduction; referral to a standing or select committee; a report from the committee; second reading; and third reading.

H40-90. Legislation withdrawn from committee. Legislation may be withdrawn from a House committee by House motion approved by not less than three-fifths of the members present and voting.

H40-100. Standing committee reports. (1) Subject to H30-50(5), a House standing committee recommendation of “do pass” or “be concurred in” must be announced across the rostrum and, if there is no objection to form, is considered adopted.

(2) A recommendation of “do not pass” or “be not concurred in” must be announced across the rostrum and, on the following legislative day, may be debated and adopted or rejected on Order of Business No. 2. A motion to reject an adverse committee report must be approved by not less than three-fifths of the members voting. Failure to adopt a motion to reject an adverse committee report constitutes adoption of the report.

(3) If the House rejects an adverse committee report, the bill progresses to second reading, as scheduled by the Speaker, with any amendments recommended by the committee.

H40-110. Consent calendar procedure. (1) Noncontroversial bills and simple and joint resolutions may be recommended for the consent calendar by a standing committee and processed according to the following provisions:

(a) To be eligible for the consent calendar, the legislation must receive a unanimous vote by the members of the standing committee in attendance (do pass, do pass as amended). In addition, a motion must be made and passed unanimously to place the legislation on the consent calendar and this action reflected in the committee report. Appropriation or revenue bills may not be recommended for the consent calendar.

(b) The legislation must then be sent to be processed and reproduced as a third reading version and specifically marked as a “consent calendar” item.

(2) Other legislation may be placed on the consent calendar by agreement between the Speaker and the Republican floor leader following a positive recommendation by a standing committee. The legislation must be sent to be processed as a second reading version but must be specifically announced and posted as a “consent calendar” item.

(3) Legislation must be posted immediately (as soon as it is received appropriately printed) on the consent calendar and must remain there for 1 legislative day before consideration under Order of Business No. 11, special orders of the day. At that time, the presiding officer shall announce consideration of the consent calendar and allow “reasonable time” for questions and answers upon request. No debate is allowed.

(4) If any one representative submits a written objection to the placement of legislation on the consent calendar, the legislation must be removed from the consent calendar and added to the regular second reading board.

(5) Consent calendar legislation will be considered on Order of Business No. 8, third reading of bills, following the regular third reading agenda, as separately noted on the agenda.

(6) Legislation on the consent calendar must be considered individually with the roll call vote spread on the journal as the final vote in the House.

(7) Legislation passed on the consent calendar must then be transmitted to the Senate. Legislation must be appropriately printed prior to transmittal.

H40-120. Legislation requiring other than a majority vote. Legislation that requires other than a majority vote for final passage needs only a majority vote for any action that is taken prior to third reading and that normally requires a majority vote.

H40-130. Amending House second and third reading agendas. (1) A majority of representatives present may rearrange or remove legislation from either the second or third reading agenda on that legislative day.

(2) Legislation may be added to the second or third reading agenda on that legislative day on a motion approved by not less than three-fifths of the members present and voting.

H40-140. Second reading. (1) Legislation returned from committee may be placed on second reading unless otherwise ordered by the House.

(2) The House shall form itself into a Committee of the Whole to consider business on second reading. The Committee of the Whole may debate legislation, attach amendments, and recommend approval or disapproval of legislation.

(3) Except on the final legislative day, at least 1 legislative day must elapse between the time legislation is reported from committee and the time it is considered on second reading.

(4) If a motion to recommend that a bill “do pass” or “be concurred in” fails in the Committee of the Whole, the obverse, i.e., a recommendation that the bill “do not pass” or “be not concurred in”, is considered to have passed. If a motion to recommend that a bill “do not pass” or “be not concurred in” fails in the Committee of the Whole, the obverse, i.e., a recommendation that the bill “do pass” or “be concurred in”, is considered to have passed.

(5) An amendment attached to legislation by the Committee of the Whole remains unless removed by further legislative action.

(6) When the Committee of the Whole reports to the House, the House shall adopt or reject the Committee of the Whole report. If the House rejects the Committee of the Whole report, the legislation remains on second reading, as amended by the Committee of the Whole, unless the House orders otherwise.

(7) A representative may move to segregate legislation from the Committee of the Whole report before the report is adopted. Segregated legislation, as amended by the Committee of the Whole, must be placed on second reading unless the House orders otherwise. Amendments adopted by the Committee of the Whole on segregated legislation remain adopted unless reconsidered or unless the legislation is rereferred to a committee.

H40-150. Amendments in the Committee of the Whole. (1) All Committee of the Whole amendments must be checked by the House amendments coordinator for format, style, clarity, consistency, and other factors, in accordance with the most recent Bill Drafting Manual published by the Legislative Services Division, before the amendment may be accepted at the rostrum. The amendment form must include the date and time the amendment is submitted for that check.

(2) An amendment submitted to the rostrum for consideration by the Committee of the Whole must be marked as checked by the amendments coordinator and signed by a representative. Unless the Democratic floor leader, the Republican floor leader, and sponsor agree, amendments must be printed and placed on the members’ desks prior to consideration.

(3) An amendment may not be proposed until the sponsor has opened on a bill.

(4) A copy of every amendment rejected by the Committee of the Whole must be kept as part of the official records.

(5) An amendment may not change the original purpose of the bill.

H40-160. Motions in the Committee of the Whole. (1) When the House resolves itself into a Committee of the Whole, the only motions in order are to:

(a) amend;

(b) recommend passage or nonpassage;

(c) recommend concurrence or nonconcurrence;

(d) reconsider;

(e) pass consideration;

(f) call for cloture;

(g) rise, rise and report, or rise and report progress and beg leave to sit again; and

(h) to change the order in which legislation is placed on the agenda.

(2) Subsections (1)(d) through (1)(g) are nondebatable but may be amended. Once a motion under subsection (1)(b) or (1)(c) is made, a contrary motion is not in order.

(3) If a quorum of representatives is not present during second reading, the Committee of the Whole may conduct no business on legislation and a motion for a call of the House without a quorum is in order.

H40-170. Limits on debate in the Committee of the Whole. (1) A representative may not speak more than once on the motion and may speak for no more than 5 minutes. The representative who makes the motion may speak a second time for 5 minutes in order to close.

(2) After at least two proponents and two opponents have spoken on a question and 30 minutes have elapsed, a motion to call for cloture is in order. Approval by not less than two-thirds of the members present and voting is required to sustain a motion for cloture. Notwithstanding the passage of a motion to end debate, the sponsor of the motion on which debate was ended may close.

(3) By previous agreement of the Democratic floor leader and the Republican floor leader:

(a) a lead proponent and a lead opponent may be granted additional time to speak on a bill;

(b) a bill or resolution may be allocated a predetermined amount of time for debate and number of speakers.

H40-180. Special provisions for debate on the general appropriations bill. (1) The Appropriations Committee chairman, in presenting the bill, is not subject to the 5-minute speaking limitation.

(2) Each appropriations subcommittee chairman shall fully present the chairman's portion of the bill. A subcommittee chairman is not subject to the 5-minute speaking limitation.

(3) After the presentation by the subcommittee chairman, the respective section of the bill is open for debate, questions, and amendments. A proposed amendment to the general appropriations act may not be divided.

(4) An amendment that affects more than one section of the bill must be offered when the first section affected is considered.

(5) Following completion of the debate on each section, that section is closed and may not be reopened except by majority vote.

(6) If a member moves to reopen a section for amendment, only the amendment of that member may be entertained. Another member wishing to amend the same section shall make a separate motion to reopen the section.

(7) Debate on the motion to reopen a section is limited to the question of reopening the section. The amendment itself may not be debated at that time. This limitation does not prohibit the member from explaining the amendment to be considered.

(8) A motion for cloture is not in order during debate on the general appropriations bill.

H40-190. Engrossing. (1) After legislation is passed on second reading, it must be engrossed within 48 hours under the direction of the Speaker. The Speaker may grant additional time for engrossing.

(2) When the legislation that has passed second reading, as amended, has been correctly engrossed, it may be placed on third reading on the following legislative day. If the bill is not amended, the bill must be sent to printing. On the final legislative day, the correctly engrossed legislation may be placed on third reading on the same legislative day. For the purposes of this rule, "engrossing" means placing amendments in a bill.

H40-200. Third reading. (1) All bills, joint resolutions, and Senate amendments to House bills and joint resolutions passing second reading must be placed on third reading the day following the receipt of the engrossing or other appropriate printing report.

(2) Legislation on third reading may not be amended or debated.

(3) The Speaker shall state the question on legislation on third reading. If a majority of the representatives voting does not approve the legislation, it fails to pass third reading.

H40-210. Senate legislation in the House. Senate legislation properly transmitted to the House must be treated as House legislation.

H40-220. Senate amendments to House legislation. (1) When the Senate has properly returned House legislation with Senate amendments, the House shall announce the amendments on Order of Business No. 4, and the Speaker shall place them on second reading for debate. The Speaker may rerefer House legislation with Senate amendments to a committee for a hearing if the Senate amendments constitute a significant change in the House legislation. The second reading vote is limited to consideration of the Senate amendments.

(2) If the House accepts Senate amendments, the House shall place the final form of the legislation on third reading to determine if the legislation, as amended, is passed or if the required vote is obtained.

(3) If the House rejects the Senate amendments, the House may request the Senate to recede from its amendments or may direct appointment of a conference committee and request the Senate to appoint a like committee.

(4) Conference committees must be composed of an equal number of members from each political party. The members of conference committees must be appointed by the House Democratic Leader and the House Republican Leader after good faith consultation. Each leader shall appoint the members of the leader's respective party. If there is no House Democratic Leader, then the Speaker shall appoint the members.

H40-230. Conference committee reports. (1) When a House conference committee files a report, the report must be announced under Order of Business No. 3. A tie vote in a conference committee on the question of a recommendation to the whole House on a matter referred for a conference results in the matter passing out to the whole House for consideration without recommendation.

(2) The House may debate and adopt or reject the conference committee report on second reading on any legislative day. The House may reconsider its action in rejecting a conference committee report under rules for reconsideration, H50-160.

(3) If both the House and the Senate adopt the same conference committee report on legislation requiring more than a majority vote for final passage, the House, following approval of the conference committee report on third reading, shall place the final form of the legislation on third reading to determine if the required vote is obtained.

(4) If the House rejects a conference committee report, the committee continues to exist unless dissolved by the Speaker or by motion. The committee may file a subsequent report.

(5) A House conference committee may confer regarding matters assigned to it with any Senate conference committee with like jurisdiction and submit recommendations for consideration of the House.

H40-240. Enrolling. (1) When House legislation has passed both houses, it must be enrolled within 48 hours under the direction of the Speaker. The Speaker may grant additional time for enrolling.

(2) The chief sponsor of the legislation shall examine the enrolled legislation and, if it has no enrolling errors, shall, within 1 legislative day, certify the legislation as correctly enrolled.

(3) The correctly enrolled legislation must be delivered to the Speaker, who shall sign the legislation.

(4) After the legislation has been reported correctly enrolled but before it is signed, any representative may examine the legislation.

H40-250. Governor's amendments. (1) When the Governor returns a bill with recommended amendments, the House shall announce the amendments under Order of Business No. 5.

(2) The House may debate and adopt or reject the Governor's recommended amendments on second reading on any legislative day.

(3) If both the House and the Senate accept the Governor's recommended amendments on a bill that requires more than a majority vote for final passage, the House shall place the final form of the legislation on third reading to determine if the required vote is obtained.

H40-260. Governor's veto. (1) When the Governor returns a bill with a veto, the House shall announce the veto under Order of Business No. 5.

(2) On any legislative day, a representative may move to override the Governor's veto by a two-thirds vote under Order of Business No. 9.

CHAPTER 5**Floor Actions**

H50-10. Attendance. (1) A representative, unless excused, is required to be present at every sitting of the House.

(2) A representative may request in writing to be excused for a specified cause by the representative's party leader. This excused absence is not a leave with cause from a call of the House.

H50-20. Quorum. (1) A quorum of the House is fifty-one representatives (Montana Constitution, Art. V, Sec. 10).

(2) Any representative may question the lack of a quorum at any time a vote is not being taken. The question is nondebatable, may not be amended, and is resolved by a roll call.

(3) The House may conduct no business without a quorum, except that representatives present may convene, compel the attendance of absent representatives, or adjourn.

H50-30. Call of the House without a quorum. (1) In the absence of a quorum, a majority of the representatives present may compel the attendance of absent representatives through a call of the House without a quorum. The motion for the call is nondebatable, may not be amended, and is in order at any time it has been established that a quorum is not present.

(2) During a call of the House, all business is suspended. No motion is in order except a motion to adjourn or to remove the call.

(3) When a quorum has been achieved under the call, the call is automatically lifted. The call may also be lifted by adjournment or by two-thirds of the representatives present and voting.

H50-40. Call of the House with a quorum. (1) If a quorum is present but at least one representative is excused or absent, one-third of the representatives present and voting may order a call of the House with a quorum.

(2) The motion for a call is nondebatable, may not be amended, and is in order at any time a vote is not being taken, except that a call of the House with a quorum is not allowed in the Committee of the Whole.

(3) During a call of the House, all business is suspended. No motion is in order except a motion to adjourn or to remove the call.

(4) When all representatives are present, except those on leave with cause, the call is automatically lifted. The call may also be lifted by adjournment or by two-thirds of the representatives present and voting.

H50-50. Leave with cause. (1) During a call of the House, a representative with an overriding medical or personal reason may request a leave with cause.

(2) If the representative is present at the time of the call, the Speaker may approve a request for a leave with cause.

(3) If the representative is not present at the time of the call, two-thirds of the representatives present and voting may approve a request for leave with cause.

(4) During a call of the House, a representative on leave with cause may not cast an absentee vote.

H50-60. Motions. (1) Any representative may propose a motion allowed by the rules for the order of business under which the motion is offered for the

consideration of the House. Unless otherwise specified in rule or law, a majority of representatives voting is necessary and sufficient to decide a motion.

(2) Seconds to motions on the House floor are not required.

(3) Absentee votes are not allowed on votes that are specified as “representatives present and voting”.

(4) The floor leader of the party of the Speaker shall make routine procedural motions required to conduct the business of the House.

H50-70. Limits on debate of debatable motions. (1) Except for the representative who places a debatable motion before the body, no representative may speak more than once on the question unless a unanimous House consents. The representative who places the motion may close.

(2) No representative may speak for more than 10 minutes on the same question, except that a representative may have 5 minutes to close.

H50-80. Nondebatable motions. (1) A representative has the right to understand any question before the House and, usually under the administration of the presiding officer, may ask questions to exercise this right.

(2) The following motions are nondebatable:

(a) to adjourn;

(b) for a call of the House;

(c) to recess or rise;

(d) for parliamentary inquiry;

(e) to table or take from the table;

(f) to call for the previous question or cloture;

(g) to amend a nondebatable motion;

(h) to divide a question;

(i) to postpone consideration to a day certain;

(j) to suspend the rules;

(k) all incidental motions, such as motions relating to voting or of a general procedural nature; and

(l) to appeal a call to order.

H50-90. Questions. A representative may, through the presiding officer, ask questions of another representative during a floor session. There is no limit on questions and answers, except as provided in H20-50.

H50-100. Amending motions — limitations. (1) A representative may move to amend the specific provisions of a motion without changing its substance.

(2) No more than one motion to amend a motion is in order at any one time.

(3) A motion for a call of the House, for the previous question, to table, or to take from the table may not be amended.

H50-110. Substitute motions. (1) When a question is before the House, no substitute motion may be made except the following, which have precedence in the order listed:

(a) to adjourn;

(b) for a call of the House;

- (c) to recess or rise;
- (d) for a question of privilege;
- (e) to table;
- (f) to call for the previous question or cloture;
- (g) to postpone consideration to a day certain;
- (h) to refer to a committee; and
- (i) to propose amendments.

(2) Nothing in this section allows a motion that would not otherwise be allowed under a particular order of business.

(3) (a) Except as provided in subsection (3)(b), no more than one substitute motion is in order at any one time.

(b) A motion for cloture is in order on a substitute motion to amend.

H50-120. Withdrawing motions. A representative who proposes a motion may withdraw it before it is voted on or amended.

H50-130. Dividing a question. Except as provided in H40-180, a representative may request to divide a question as a matter of right if it includes two or more propositions so distinct that they can be separated and if at least one substantive question remains after one substantive question is removed.

H50-140. Previous question. (1) If a majority of representatives present and voting adopts a motion for the previous question, debate is closed on the question and it must be brought to a vote. The Speaker may not entertain a motion to end debate unless at least one proponent and one opponent have spoken on the question.

(2) Notwithstanding the passage of a motion to end debate, the sponsor of the motion on which debate was ended may close.

H50-150. Questions requiring other than a majority vote. The following questions require the vote specified for each condition:

100 House Members

(2) a motion to approve a bill to appropriate the principal of the coal severance tax trust fund (three-fourths);

(7) a motion to appeal the presiding officer's interpretation of the rules to the House Rules Committee (15 representatives).

Entire Legislature

(1) a motion to approve a bill proposing to amend the Montana Constitution (two-thirds of the entire Legislature).

H50-160. Reconsideration. (1) Any representative may, within 1 legislative day of a vote, move to reconsider the House vote on any matter still within the control of the House.

(2) A motion for reconsideration, unless tabled or replaced by a substitute motion, must be disposed of when made.

(3) When a motion for reconsideration fails, the question is finally settled. A motion for reconsideration may not be renewed or reconsidered.

(4) A motion to recall legislation from the Senate constitutes a motion to reconsider and is subject to the same rules.

(5) A motion for reconsideration is not in order on a vote to postpone to a day certain or to table legislation.

(6) There may be only one reconsideration vote on a specific issue on a legislative day.

H50-170. Renewing procedural motions. The House may renew a procedural motion if further House business has intervened.

H50-180. Tabling. (1) Under Order of Business No. 9, a representative may move to table any question, motion, or legislation before the House except the question of a quorum or a call of the House. The motion is nondebatable and may not be amended.

H50-190. Voting. (1) The representatives shall vote to decide any motion or question properly before the House. Each representative has one vote.

(2) The House may, without objection, use a voice vote on procedural motions that are not required to be recorded in the journal. If a representative rises and objects, the House shall record the vote.

(3) The House shall record the vote on all substantive questions. If the voting system is inoperable, the Chief Clerk shall record the representatives' votes by other means.

(4) A member who is present shall vote unless the member has disclosed a conflict of interest to the House.

H50-200. Changing a vote. (1) A representative may move to change the representative's vote within 1 legislative day of the vote. The motion is nondebatable. The motion must be made on Order of Business No. 9, motions. All of the members present and voting are required to consent to the change in order for it to be effective.

(2) The representative making the motion shall first specify the bill number, the question, and the original vote tally. A vote may not be changed if it would affect the outcome of legislation.

(3) A vote change must be entered into the journal as a notation that the member's vote was changed. The original printed vote will not be reprinted to reflect the change.

(4) An error caused by a malfunction of the voting system may be corrected without a vote.

H50-210. Absentee votes. (1) An excused representative may file an absentee vote authorization form to vote during the excused absence on any vote for which absentee voting is allowed.

(2) An excused representative shall sign an absentee vote authorization form that specifies the motion and the desired vote.

(3) The absentee vote authorization form must be handed in at the rostrum by the party whip or designated representative before voting on the motion has commenced.

(4) The absentee vote authorization may be revoked before the vote by the member who signed the authorization.

(5) Absentee voting is not allowed on third reading.

H50-230. Adjournment for a legislative day. (1) A representative may move that the House adjourn for that legislative day. The motion is nondebatable and may be made under any order of business except Order of Business No. 7.

(2) A motion to adjourn for a legislative day must specify a date and time for the House to convene on the subsequent legislative day.

H50-240. Adjournment sine die. A representative may move that the House adjourn for the session. The motion is nondebatable and may be made under any order of business except Order of Business No. 7.

CHAPTER 6**Motions**

H60-10. Proposal for consideration. (1) Every question presented to the House or a committee must be submitted as a definite proposition.

(2) A representative has the right to understand any question before the House and, under the authority of the presiding officer, may ask questions to exercise this right.

H60-20. Nondebatable motions. The following motions, in addition to any other motion specifically designated, must be decided without debate:

- (1) to adjourn;
- (2) for a call of the House;
- (3) to recess or rise;

- (7) to amend a nondebatable motion;
- (8) to divide a question;
- (9) to postpone consideration to a day certain;
- (10) to suspend the rules; and
- (11) all incidental motions, such as motions relating to voting or of a general procedural nature.

H60-30. Motions allowed during debate. (1) When a question is under debate, only the following motions are in order. The motions have precedence in the following order:

- (a) to adjourn;
 - (b) for a call of the House;
 - (c) to recess or rise;
 - (d) for a question of privilege;
 - (e) to table or take from the table;
 - (f) to call for the previous question or cloture;
 - (g) to postpone consideration to a day certain;
 - (h) to refer or rerefer; and
 - (i) to propose amendments.
- (2) This section does not allow a motion that would not otherwise be allowed under a particular order of business.
- (3) Only one substitute motion is in order at any time.

H60-40. Motions to adjourn or recess. (1) A motion to adjourn or recess is always in order, except:

- (a) when the House is voting on another motion;
- (b) when the previous question has been ordered and before the final vote;
- (c) when a member entitled to the floor has not yielded for that purpose; or

(d) when business has not been transacted after the defeat of a motion to adjourn or recess.

(2) The vote by which a motion to adjourn or recess is carried or fails is not subject to a motion to reconsider.

H60-50. Motion to table. (1) A motion to table, if carried, has the effect of postponing action on the proposition to which it was applied until superseded by a motion to take from the table.

(2) The vote by which a motion to table is carried or fails cannot be reconsidered.

(3) A motion to table is not in order after the previous question has been ordered.

H60-60. Motion to postpone. A motion to postpone to a day certain may be amended and is debatable within narrow limits. The merits of the proposition that is the subject of the motion to postpone may not be debated.

H60-70. Motion to refer. When a motion is made to refer a subject to a standing committee or select committee, the question on the referral to a standing committee must be put first.

H60-80. Terms of debate on motion to refer or rerefer. (1) A motion to refer or rerefer is debatable within narrow limits. The merits of the proposition that is the subject of the motion may not be debated.

(2) A motion to refer or rerefer with instructions is fully debatable.

H60-100. Moving the previous question after a motion to table. (1) If a motion to table is made directly to a main motion, a motion for the previous question is not in order.

(2) If an amendment to a main motion is pending and a motion to table is made, the previous question may be called on the main motion, the pending amendment, and the motion to table the amendment.

H60-110. Standard motions. The following are standard motions:

(1) moving House bills or resolutions on second reading, "Mister/Madam Chairman, I move that when this committee does rise and report after having under consideration House Bill ___, that it recommend the same (do pass)/(do pass as amended)/(do not pass)."

CHAPTER 7**Rules**

H70-10. House rules. (1) The House may adopt, through a House resolution passed by a majority of its members, rules to govern its proceedings.

(4) The House Rules Committee shall report all resolutions for House rules within 1 legislative day of referral.

H70-20. Tenure of rules. Rules adopted by the House remain in effect until removed by House resolution or until a new House is elected and takes office.

H70-30. Suspension of rules. The House may suspend a House rule on a motion approved by not less than two-thirds of the members voting.

H70-40. Supplementary rules. Mason's Manual of Legislative Procedure (2000) governs House proceedings in all cases not covered by House rules.

H70-50. Interpreting rules. The Speaker shall interpret all questions on House rules, subject to appeal by any 15 representatives to the House Rules Committee. Unless the delay would cause legislation to fail to meet a scheduled deadline, the House Rules Committee may consider and report on the appeal on the next legislative day. The decision of the House Rules Committee may be appealed to the House by any representative.

H70-60. Joint rules superseded. A House rule, insofar as it relates to the internal proceedings of the House, supersedes a joint rule.

That the following Joint Rules be adopted:

JOINT RULES OF THE MONTANA SENATE AND HOUSE OF REPRESENTATIVES

CHAPTER 10

Administration

10-10. Time of meeting. Each house may order its time of meeting.

10-20. Legislative day — duration. (1) If either house is in session on a given day, that day constitutes a legislative day.

(2) A legislative day for a house ends either 24 hours after that house convenes for the day or at the time the house convenes for the following legislative day, whichever is earlier.

10-30. Schedules. The presiding officer of each house shall coordinate its schedule to accommodate the workload of the other house.

10-40. Adjournment — recess — meeting place. A house may not, without the consent of the other, adjourn or recess for more than 3 days or to any place other than that in which the two houses are sitting (Montana Constitution, Art. V, Sec. 10(5)).

10-50. Access of press. Subject to the presiding officer's discretion on issues of decorum and order, an accredited press representative may not be prohibited from photographing, televising, or recording a legislative meeting or hearing.

10-60. Conflict of interest. A member who has a personal or private interest in any measure or bill proposed or pending before the Legislature shall disclose the fact to the house to which the member belongs.

10-70. Telephone calls and internet access. (1) Long-distance telephone calls made by a member while the Legislature is in session or while the member is in travel status are considered official legislative business. These include but are not limited to calls made to constituencies, places of business, and family members. A member's access to the internet through a permissible server is a proper use of the state communication system if the use is for

legislative business or is within the scope of permissible use of long-distance telephone calls.

(2) Session staff, including aides and interns, may use telephones for long-distance calls only if specifically authorized to do so by their legislative sponsor or supervisor. Sponsoring members and supervisors are accountable for use of state telephones and internet access by their staff, including aides and interns, and may not authorize others to use state phones or state servers to access the internet.

(3) Permanent staff of the Legislature shall comply with executive branch rules applying to the use of state telephones.

10-80. Joint employees. The presiding officers of each house, acting together, shall:

(1) hire joint employees; and

(2) review a dispute or complaint involving the competency or decorum of a joint employee, and dismiss, suspend, or retain the employee.

10-85. Harassment prohibited. (1) Legislators and legislative employees have the right to work free of harassment on account of race, color, sex, culture, social origin or condition, or religious ideas when performing services in furtherance of legislative responsibilities, whether the offender is an employer, employee, legislator, lobbyist, or member of the public.

(2) A violation of this policy must be reported to the party leader in the appropriate house if the offended party is a legislator or to the presiding officer if the offended party is the party leader. The presiding officer may refer the matter to the rules committee of the applicable house, and the offender is subject to discipline or censure, as appropriate.

(3) If the offended party is an employee of the house of representatives or the senate, the violation must be reported to the employee's supervisor or, if the offender is the supervisor for the house of representatives or the senate, the report should be made to the chief clerk of the house of representatives or to the secretary of the senate, as appropriate. If the offended party is a permanent legislative employee, the report should be made to the employee's supervisor or, if the offender is the supervisor, to the appropriate division director. If the offender is a division director, the report should be made to the presiding officer of the appropriate statutory committee.

(4) If the offended party is a supervisor for the house of representatives or the senate, the violation must be reported to the chief clerk of the house of representatives or to the secretary of the senate, as appropriate. If the offended party is a supervisor of permanent legislative employees, the violation must be reported to the appropriate division director. If the offender is a division director, the report should be made to the presiding officer of the appropriate statutory committee.

(5) The chief clerk or the secretary shall report the violation to the presiding officer. The presiding officer may refer the matter to the rules committee. If the offender is an employee or supervisor, the employee or supervisor is subject to discipline or discharge.

10-90. Legislative interns. Qualifications for legislative interns are specified in Title 5, chapter 6, MCA.

10-100. Legislative Services Division. (1) The staff of the Legislative Services Division shall serve both houses as required.

(2) Staff members shall:

- (a) maintain personnel files for legislative employees; and
- (b) prepare payrolls for certification and signature by the presiding officer and prepare a monthly financial report.

10-120. Engrossing and enrolling staff — duties. (1) The Legislative Services Division shall provide all engrossing and enrolling staff.

(2) The duties of the engrossing and enrolling staff are:

(a) to engross or enroll any bill or resolution delivered to them within 48 hours after it has been received, unless further time is granted in writing by the presiding officer of the house in which the bill originated; and

(b) to correct clerical errors, absent the objection of the sponsor of a bill, resolution, or amendment and the Secretary of the Senate or the Chief Clerk of the House of Representatives in any bill or amendment originating in the house by which the Clerk or Secretary is employed. The following kinds of clerical errors may be corrected:

- (i) errors in spelling;
- (ii) errors in numbering sections;
- (iii) additions or deletions of underlining or lines through matter to be stricken;
- (iv) material copied incorrectly from the Montana Code Annotated;
- (v) errors in outlining or in internal references;
- (vi) an error in a title caused by an amendment;
- (vii) an error in a catchline caused by an amendment;
- (viii) errors in references to the Montana Code Annotated; and
- (ix) other nonconformities of an amendment with Bill Drafting Manual form.

(3) The engrossing and enrolling staff shall give notice in writing of the clerical correction to the Secretary of the Senate or the Chief Clerk of the House and to the sponsor of the bill or amendment. The sponsor shall sign the clerical form to acknowledge notification of the clerical correction. The signed form must be filed in the office of the amendments coordinator. A party receiving notice may register an objection to the correction by filing the objection in writing within 24 hours after receipt of the notice.

(4) If a committee is the sponsor of a bill or resolution, any committee member designated by the chair may be the principal sponsor for the purpose of this section. If a committee has proposed an amendment, the chair is the principal sponsor for the purpose of this section.

(5) For the purposes of this rule, “engrossing” means placing amendments in a bill.

10-130. Bills. (1) A bill draft request must be sponsored by a member of the Legislature.

(2) A bill must be:

- (a) printed on paper with numbered lines;
- (b) numbered at the foot of each page (except page 1);
- (c) covered with a cover page of substantial material; and

(d) introduced.

(3) In a section amending an existing statute, matter to be stricken out must be indicated with a line through the words or part to be deleted, and new matter must be underlined.

(4) Sections of the Montana Code Annotated repealed or amended in a bill must be stated in the title.

(5) Introduced bills must be reproduced on white paper and distributed to members.

(6) An introduced bill may not be withdrawn.

10-140. Voting. (1) A bill may not become a law except by vote of the constitutionally required majority of all the members present and voting in each house (Montana Constitution, Art. V, Sec. 11(1)). On final passage, the vote must be taken by ayes and noes and the names of those voting entered on the journal (Montana Constitution, Art. V, Sec. 11(2)).

(2) Any vote in one house on a bill proposing an amendment to The Constitution of the State of Montana under circumstances in which there exists the mathematical possibility of obtaining the necessary two-thirds vote of the Legislature will cause the bill to progress as though it had received the majority vote.

10-150. Recording and publication of voting. (1) Every vote of each member on each substantive question in the Legislature, in any committee, or in Committee of the Whole must be recorded and made public. On final passage of any bill or joint resolution, the vote must be taken by ayes and noes and the names entered on the journal.

(2) (a) Roll call votes must be taken by ayes and noes and the names entered on the journal on adopting an adverse committee report and on those motions made in Committee of the Whole to:

(i) amend;

(ii) recommend passage or nonpassage;

(iii) recommend concurrence or nonconcurrence; or

(iv) indefinitely postpone.

(b) The text of all proposed amendments must be recorded.

(3) A roll call vote must be taken on nonsubstantive questions on the request of two members who may, on any vote, request that the ayes and noes be spread upon the journal.

(4) Roll call votes and other votes that are to be made public but are not specifically required to be spread upon the journal must be entered in the minutes of the appropriate committee or of the appropriate house (Montana Constitution, Art. V, Sec. 11(2)). A copy of the minutes must be filed with the Montana Historical Society. If electronically recorded minutes are kept for a committee, a written log conforming to section 2-3-212(2), MCA, must also be kept.

10-160. Journal. Each house shall:

(1) supply the Legislative Services Division with the contents of the daily journal to be stored on an automated system;

(2) examine its journal and order correction of any errors; and

(3) distribute a daily journal to all members.

10-170. Journals — authentication — availability. (1) The journal of the Senate must be authenticated by the signature of the President and the journal of the House of Representatives by the signature of the Speaker.

(2) The Legislative Services Division shall make the completed journals available to the public (sections 5-11-201 through 5-11-203, MCA).

CHAPTER 30

Committees

30-10. Committee chair. Except as provided in Joint Rule 30-50, the chair of the Senate committee is the chair of all joint committees.

30-20. Voting in joint committees. (1) Except for Rules Committees and conference committees, a member of a joint committee votes individually and not by the house to which the committee member belongs.

(2) Because the Rules Committees and conference committees are joint meetings of separate committees, in those committees the committees from each house vote separately. A majority of each committee shall agree before any action may be taken, unless otherwise specified by individual house rules.

30-30. Conference committees. (1) If either house requests a conference and appoints a committee for the purpose of discussing an amendment on which the two houses cannot agree, the other house shall appoint a committee for the same purpose. The time and place of all conference committee meetings must be agreed upon by their chairs and announced from the rostrum. This announcement is in order at any time. Failure to make this announcement does not affect the validity of the legislation being considered. A conference committee meeting must be conducted as an open meeting, and minutes of the meeting must be kept.

(2) A conference committee, having conferred, shall report to the respective houses the result of its conference. A conference committee shall confine itself to consideration of the disputed amendment. The committee may recommend:

- (a) acceptance or rejection of each disputed amendment in its entirety; or
- (b) further amendment of the disputed amendment.

(3) If either house requests a free conference committee and the other house concurs, appointments must be made in the same manner as above. A free conference committee may discuss a bill in its entirety and is not confined to a particular amendment.

30-40. Conference committee — enrolling. A conference committee report must give clerical instructions for a corrected reference bill and for enrolling by referring to the reference bill version.

30-50. Committee consideration of appropriation bills. (1) All bills providing for an appropriation of public money may first be considered by a joint committee composed of the members of the Senate Finance and Claims Committee and the House Appropriations Committee, and then by each separately.

(2) Meetings of the joint committee must be held upon call of the chair of the House Appropriations Committee, who is chair of the joint committee.

(3) The committee chair of the Senate Finance and Claims Committee or of the House Appropriations Committee may be a voting member in the joint subcommittees if:

- (a) either house has fewer members on the joint subcommittees;
- (b) the chair represents the house with fewer members on the subcommittees; and
- (c) the chair is present for the vote at the time that a question is called. A vote may not be held open to facilitate voting by a chair.

30-60. Estimation of revenue. The Revenue and Transportation Interim Committee shall introduce a House joint resolution for the purpose of estimating revenue that may be available for appropriation by the Legislature.

30-70. Appointment of interim committees. As provided for in section 5-5-211(6), MCA, 50% of interim committees must be selected from the following legislative standing committees:

 - (a) Senate Agriculture, Livestock, and Irrigation Committee;

CHAPTER 40

Legislation

40-10. Amendment to state constitution. A bill must be used to propose an amendment to The Constitution of the State of Montana. The bill is not subject to the veto of the Governor (Montana Constitution, Art. VI, Sec. 10(1)).

40-20. Appropriation bills. (1) All appropriation bills must originate in the House of Representatives.

(2) Appropriation bills for the operation of the Legislature must be introduced by the chair of the House Appropriations Committee.

40-30. Effective dates. (1) Except as provided in subsections (2) through (4), a statute takes effect on October 1 following its passage and approval unless a different time is prescribed in the enacting legislation.

(2) A law appropriating public funds for a public purpose takes effect on July 1 following its passage and approval unless a different time is prescribed in the enacting legislation.

(3) A statute providing for the taxation or imposition of a fee on motor vehicles takes effect on the first day of January following its passage and approval unless a different time is prescribed in the enacting legislation.

(4) A joint resolution takes effect on its passage unless a different time is prescribed therein (sections 1-2-201 and 1-2-202, MCA).

40-40. Bill requests and introduction — limits and procedures.

(1) Prior to a regular session, a person entitled to serve in that session, hereafter referred to as a "member", is entitled to request bill drafting services from the Legislative Services Division, subject to the following limits:

(a) Prior to 5 p.m. on December 5 preceding a regular session of the Legislature, a member may request an unlimited number of bills and resolutions to be prepared by the Legislative Services Division for introduction in the regular session.

(b) After 5 p.m. on December 5, a member may request no more than seven bills or resolutions to be prepared by the Legislative Services Division. At least

five of the seven bills or resolutions must be requested before the regular session convenes.

(c) After December 5, a member, in the member's discretion, may grant to any other member any of the remaining bill or resolution requests the granting member has not used. A bill requested by an individual may not be transferred to another legislator but may be introduced by another legislator.

(d) These limitations on bill and resolution requests do not apply to:

(i) Code Commissioner bills;

(ii) a bill or resolution requested by a standing committee; and

(iii) a bill or resolution requested by a member at the request of a newly elected state official if so designated.

(2) The staff of the Legislative Services Division shall work on bill draft requests in the order received. After a member has requested the drafting of five bills, the sixth bill request and all subsequent bill requests of that member must receive a lower drafting priority than all other bills of members not in excess of five per member. The Speaker of the House, the minority leader of the House, the President of the Senate, and the minority leader of the Senate may each direct the staff of the Legislative Services Division to assign a higher priority to 10 draft requests. The staff of the Legislative Services Division shall assign a higher priority to any bill draft request when jointly directed by:

(a) the President of the Senate, the minority leader of the Senate, the Speaker of the House, and the minority leader of the House; or

(b) the House and the Senate.

(3) Bills and resolutions must be reviewed by the staff of the Legislative Services Division prior to introduction for proper format, style, and legal form. The staff of the Legislative Services Division shall store bills on the automated bill drafting equipment and shall print and deliver them to the requesting members. The original bill cover must be signed to indicate review by the Legislative Services Division. A bill may not be introduced unless it is so signed.

(4) (a) During a session, a bill may be introduced by endorsing it with the name of a member and presenting it to the Chief Clerk of the House of Representatives or the Secretary of the Senate. Bills or joint resolutions may be sponsored jointly by Senate and House members. A jointly sponsored bill must be introduced in the house in which the member whose name appears first on the bill is a member. The chief joint sponsor's name must appear immediately to the right of the first sponsor's name. Except as provided in subsection (4)(b), in each session of the Legislature, bills, joint resolutions, and simple resolutions must be numbered consecutively in separate series in the order of their receipt.

(b) The first 15 House bills may be reserved for preintroduced bills.

(5) (a) Any bill proposed by an interim or statutory legislative committee or introduced by request of an administrative or executive agency or department must be so indicated by placing after the names of the sponsors the phrase "By Request of the..... (Name of committee or agency)". The phrase may not be added to an introduced bill and may not be placed on a bill whose subject matter was requested by an agency or statutory or interim committee prior to the convening of the session. Unless requested by an individual member, a bill draft request submitted at the request of an agency must be submitted to, reviewed by, and requested by the appropriate interim or statutory committee. Except as provided in subsection (5)(b), an agency or committee bill request must be

preintroduced or the request is canceled. Preintroduction must occur no later than 5 p.m. on the fifth working day prior to the convening of a legislative session. Preintroduction is accomplished when the Legislative Services Division receives a signed preintroduction form.

(b) The preintroduction requirement does not apply to an office held by an elected official during the official's first year in that office or to bills requested by a joint select or joint special committee appointed prior to the convening of the legislative session to address a specific issue.

(6) Bills may be preintroduced, numbered, and reproduced prior to a legislative session by the staff of the Legislative Services Division. Actual signatures of persons entitled to serve as members in the ensuing session may be obtained on a consent form from the Legislative Services Division and the sponsor's name printed on the bill. Additional sponsors may be added on motion of the chief sponsor at any time prior to a standing committee report on the bill. These names will be forwarded to the Legislative Services Division to be included on the face of the bill following standing committee approval.

(3) Except as otherwise provided in these rules or The Constitution of the State of Montana, a joint resolution is treated in all respects as a bill.

(4) A copy of every joint resolution must be transmitted after adoption to the Secretary of State by the Secretary of the Senate or the Chief Clerk of the House.

40-65. Appropriation required for bills requesting interim studies.

A bill including a request for an interim study may not be transmitted to the Governor unless the bill contains an appropriation sufficient to conduct the study. A fiscal note may be requested for a bill requesting an interim study if the appropriation does not appear to be sufficient.

40-70. Bills with same purpose — vetoes. (1) A bill may not be introduced or received in a house after that house, during that session, has finally rejected a bill designed to accomplish the same purpose, except with the approval of the Rules Committee of the house in which the bill is offered for introduction or reception.

(2) Failure to override a veto does not constitute final rejection.

40-80. Reproduction of full statute required. A statute may not be amended or its provisions extended by reference to its title only, but the statute section that is amended or extended must be reproduced or published at length.

40-90. Bills — original purpose. A law may not be passed except by bill. A bill may not be so altered or amended on its passage through either house as to change its original purpose (Montana Constitution, Art. V, Sec. 11(1)).

40-100. Fiscal notes. (1) As provided in Title 5, chapter 4, part 2, MCA, all bills reported out of a committee of the Legislature having a potential effect on the revenues, expenditures, or fiscal liability of the state, local governments, or public schools, except appropriation measures carrying specific dollar amounts, must include a fiscal note incorporating an estimate of the fiscal effect. The Legislative Services Division staff shall indicate at the top of each bill prepared for introduction that a fiscal note may be necessary under this rule. Fiscal notes must be requested by the presiding officer of either house, who, at the time of introduction or after adoption of substantive amendments to an introduced bill, shall determine the need for the note, based on the Legislative Services Division staff recommendation.

(2) The Legislative Services Division shall make available an electronic copy of any bill for which it has been determined a fiscal note may be necessary to the Budget Director immediately after the bill has been prepared for introduction and delivered to the requesting member. The Budget Director may proceed with the preparation of a fiscal note in anticipation of a subsequent formal request. A

bill with financial implications for a local government or school district must comply with subsection (4).

(3) The Budget Director, in cooperation with the governmental entity or entities affected by the bill, is responsible for the preparation of the fiscal note. Except as provided in subsection (4), the Budget Director shall return the fiscal note within 6 days unless further time is granted by the presiding officer or committee making the request, based upon a written statement from the Budget Director that additional time is necessary to properly prepare the note.

(4) (a) A bill that may require a local government or school district to perform an activity or provide a service or facility that requires the direct expenditure of additional funds without a specific means to finance the activity, service, or facility in violation of section 1-2-112 or 1-2-113, MCA, must be accompanied, at the time that the bill is presented for introduction, by an estimate of all direct and indirect fiscal impacts on the local government or school district. The estimate of the fiscal impacts must be prepared by the Budget Director in cooperation with a local government or school district affected by the bill.

(b) The Budget Director has 10 days to prepare the estimate. Upon completion of the estimate, the Budget Director shall submit it to the presiding officer and the chief sponsor of the bill.

(5) A completed fiscal note must be submitted by the Budget Director to the presiding officer who requested it. The presiding officer shall notify the bill's chief sponsor of the completed fiscal note and request the chief sponsor's signature. The chief sponsor has 1 legislative day after delivery to review the fiscal note and to discuss the findings with the Budget Director, if necessary. After the legislative day has elapsed, all fiscal notes must be reproduced and placed on the members' desks, either with or without the chief sponsor's signature.

(6) A fiscal note must, if possible, show in dollar amounts:

- (a) the estimated increase or decrease in revenues or expenditures;
- (b) costs that may be absorbed without additional funds; and
- (c) long-range financial implications.

(7) The fiscal note may not include any comment or opinion relative to merits of the bill. However, technical or mechanical defects in the bill may be noted.

(8) A fiscal note also may be requested, through the presiding officer, on a bill and on an amended bill by:

- (a) a committee considering the bill;
- (b) a majority of the members of the house in which the bill is to be considered, at the time of second reading; or
- (c) the chief sponsor.

(9) The Budget Director shall make available on request to any member of the Legislature all background information used in developing a fiscal note.

(10) If a bill requires a fiscal note, the bill may not be reported from a committee for second reading unless the bill is accompanied by the fiscal note.

40-110. Sponsor's fiscal note. (1) If a sponsor elects to request the preparation of a sponsor's fiscal note pursuant to section 5-4-204, MCA, the sponsor shall make the election as provided and return the completed sponsor's fiscal note to the presiding officer within 4 days of the election.

(2) The presiding officer may grant additional time to the sponsor for preparation of the sponsor's fiscal note.

(3) Upon receipt of the completed sponsor's fiscal note, the presiding officer shall refer it to the committee hearing the bill. If the bill is printed, the note must be identified as a sponsor's fiscal note, reproduced, and placed on the members' desks.

(4) The Legislative Services Division shall provide forms for preparation of sponsors' fiscal notes and shall print the completed sponsors' fiscal notes on a different color paper than the fiscal notes prepared by the Budget Director.

40-120. Substitute bills. (1) A committee may recommend that every clause in a bill be changed and that entirely new material be substituted so long as the new material is relevant to the title and subject of the original bill. The substitute bill is considered an amendment and not a new bill.

(2) The proper form of reporting a substitute bill by a committee is to propose amendments to strike out all of the material following the enacting clause, to substitute the new material, and to recommend any necessary changes in the title of the bill.

(3) If a committee report is adopted that recommends a substitute for a bill originating in the other house, the substitute bill must be printed and reproduced.

40-130. Reading of bills. Prior to passage, a bill, other than a bill requested by a joint select or joint special committee as provided in 40-40(5)(b), must be read three times in the house in which it is under consideration. It may be read either by title or by summary of title.

40-140. Second reading — bill reproduction. (1) If the majority of a house adopts a recommendation for the passage of a bill originating in that house after the bill has been returned from a committee with amendments, the bill must be reproduced on yellow paper with all amendments incorporated into the copies.

(2) If a bill has been returned from a committee without amendments, only the first sheet must be reproduced on yellow paper, and the remainder of the text may be incorporated by reference to the preceding version of the entire bill.

(3) A bill requested by and heard by a joint select or joint special committee, as provided in 40-40(5)(b), may be referred directly to second reading. If the bill is passed by the house of origin, the bill must be transmitted to the other house, and if the bill was not amended, it may be placed on second reading without the need for referral to a committee.

40-150. Engrossing. (1) When a bill has been reported favorably by Committee of the Whole of the house in which it originated and the report has been adopted, the bill must be engrossed if the bill is amended. Committee of the Whole amendments must be included in the engrossed bill. If the bill is not amended, the bill must be sent to printing. The bill must be placed on the calendar for third reading on the legislative day after receipt.

(2) Copies of the engrossed bill to be distributed to members are reproduced on blue paper. If a bill is unamended by the Committee of the Whole and contains no clerical errors, it is not required to be reprinted. Only the first sheet must be reproduced on blue paper, with the remainder of the text incorporated by reference to the preceding version of the entire bill.

(3) If a bill is amended by a standing committee in the second house, the amendments must be included in a tan-colored bill and distributed in the second house for second reading consideration. If the bill is amended in Committee of the Whole, the amendments must be included in a salmon-colored reference bill and distributed in the second house for third reading. If the bill passes on third reading, copies of the reference bill must be distributed in the original house. The original house may request from the second house a specified number of copies of the amendments to be printed.

40-160. Enrolling. (1) When a bill has passed both houses, it must be enrolled. An original and two duplicate printed copies of the bill must be enrolled, free from all errors, with a margin of two inches at the top and one inch on each side. In sections amending existing statutes, new matter must be underlined and deleted matter must be shown as stricken.

(2) When the enrolling is completed, the bill must be examined by the sponsor.

(3) The correctly enrolled bill must be delivered to the presiding officer of the house in which the bill originated. The presiding officer shall sign the original and two copies of each bill not later than the next legislative day after it has been reported correctly enrolled, unless the bill is delivered on the last legislative day, in which case the presiding officer shall sign it that day. The fact of signing must be announced by the presiding officer and entered upon the journal no later than the next legislative day. At any time after the report of a bill correctly enrolled and before the signing, if a member signifies a desire to examine the bill, the member must be permitted to do so. The bill then must be transmitted to the other house where the same procedure must be followed.

(4) A bill that has passed both houses of the Legislature by the 90th day may be:

- (a) enrolled;
- (b) clerically corrected by the presiding officers, if necessary;
- (c) signed by the presiding officers; and

(d) delivered to the Governor or, in the case of a bill proposing a referendum, to the Secretary of State, not later than 5 working days after the 90th legislative day.

(5) All journal entries authorized under this rule must be entered on the journal for the 90th day.

(6) The original and two copies signed by the presiding officer of each house must be presented to the Governor or the Secretary of State, as applicable, in return for a receipt. A report then must be made to the house of the day of the presentation, which must be entered on the journal.

(7) The original must be filed with the Secretary of State. Signed copies with chapter numbers assigned pursuant to section 5-11-204, MCA, must be filed with the Clerk of the Supreme Court and the Legislative Services Division.

40-170. Amendment by second house. (1) Amendments to a bill by the second house may not be further amended by the house in which the bill originated, but must be either accepted or rejected. A bill amended by the second house when the effect of the combined amendments is to return the bill to the form that the bill passed the house in which the bill originated is not considered to have been amended and need not be returned to the house of origin for acceptance or rejection of the amendments. If the amendments are rejected, a

conference committee may be requested by the house in which the bill originated. If the amendments are accepted and the bill is of a type requiring more than a majority vote for passage, the bill again must be placed on third reading in the house of origin.

(2) The vote on third reading after concurrence in amendments is the vote of the house of origin that must be used to determine if the required number of votes has been cast.

40-180. Final action on a bill. (1) When a bill being heard by the second house has received its third reading or has been rejected, the second house shall transmit it as soon as possible to the original house with notice of the second house's action.

(2) A bill that reduces revenue and that contains a contingent voidness provision may not be transmitted to the Governor unless there is an identified corresponding reduction in an appropriation contained in the general appropriations act.

40-190. Transmittal of bills between houses. (1) Each house shall transmit to the other with any bill all relevant papers.

(2) When a House bill is transmitted to the Senate, the Secretary of the Senate shall give a dated receipt for the bill to the Chief Clerk of the House. When a Senate bill is transmitted to the House of Representatives, the Chief Clerk of the House shall give a dated receipt to the Secretary of the Senate.

40-200. Transmittal deadlines. (1) (a) A bill or amendment transmitted after the deadline established in this subsection (1) may be considered by the receiving house only upon approval of two-thirds of its members present and voting. If the receiving house does not so vote, the bill or amendment must be held pending in the house to which it was transmitted.

(b) (i) A bill, except for an appropriation bill, a revenue bill, an interim study resolution, or amendments considered by joint committee, must be transmitted from one house to the other on or before the 45th legislative day.

(ii) Amendments, except to appropriation bills, bills implementing the general appropriations bill, the revenue estimating resolution, interim study resolutions, and revenue bills, must be transmitted from one house to the other on or before the 73rd legislative day.

(c) (i) Revenue bills must be transmitted to the other house on or before the 71st legislative day.

(ii) Amendments to revenue bills, received from the other house, must be transmitted to the house of origin on or before the 82nd legislative day.

(iii) A revenue bill is one that either increases or decreases revenue.

(d) (i) Appropriation bills and any bill implementing provisions of a general appropriation bill must be transmitted to the Senate on or before the 67th legislative day.

(ii) Senate amendments to appropriation bills must be transmitted by the Senate to the House on or before the 80th legislative day.

(2) (a) A joint resolution introduced for the purpose of estimating revenue available for appropriation by the Legislature must be transmitted to the Senate no later than the 60th legislative day.

(b) Amendments to the revenue estimating resolution must be transmitted to the House no later than the 82nd legislative day.

(3) Bills repealing or directing the amendment or adoption of administrative rules and joint resolutions advising or requesting the repeal, amendment, or adoption of administrative rules may be transmitted at any time during a session.

(4) Interim study resolutions must be transmitted from one house to the other on or before the 85th legislative day.

40-210. Governor's veto. (1) Except as provided in 40-65 and 40-180, each bill passed by the Legislature must be submitted to the Governor for the Governor's signature. This does not apply to:

- (a) bills proposing amendments to The Constitution of the State of Montana;
- (b) bills ratifying proposed amendments to the United States Constitution;
- (c) resolutions; and
- (d) referendum measures of the Legislature.

(2) If the Governor does not sign or veto the bill within 10 days after its delivery, the bill becomes law.

(3) The Governor shall return a vetoed bill to the Legislature with a statement of reasons for the veto.

(4) If after receipt of a veto message, two-thirds of the members of each house present approve the bill, it becomes law.

(5) If the Legislature is not in session when the Governor vetoes a bill, the Governor shall return the bill with reasons for the veto to the Legislature as provided by law. The Legislature may be polled on a bill that it approved by two-thirds of the members present or it may be reconvened to reconsider any bill so vetoed (Montana Constitution, Art. VI, Sec. 10).

(6) The Governor may veto items in appropriation bills, and in these instances the procedure must be the same as upon veto of an entire bill (Montana Constitution, Art. VI, Sec. 10).

40-220. Response to Governor's veto. (1) When the presiding officer receives a veto message, the presiding officer shall read it to the members over the rostrum. After the reading, a member may move that the Governor's veto be overridden.

(2) A vote on the motion is determined by roll call. If two-thirds of the members present vote "aye", the veto is overridden. If two-thirds of the members present do not vote "aye", the veto is sustained.

40-230. Governor's recommendations for amendment. (1) The Governor may return any bill to the Legislature with recommendations for amendment. The Governor's recommendations for amendment must be considered first by the house in which the bill originated.

(2) If the Legislature passes the bill in accordance with the Governor's recommendations, it shall return the bill to the Governor for reconsideration. The Governor may not return a bill to the Legislature a second time for amendment.

(3) If the Governor returns a bill to the originating house with recommendations for amendment, the house shall reconsider the bill under its rules relating to amendments offered in Committee of the Whole.

(4) The bill then is subject to the following procedures:

(a) The originating house shall transmit to the second house, for consideration under its rules relating to amendments in Committee of the Whole, the bill and the originating house's approval or disapproval of the Governor's recommendations.

(b) If both houses approve the Governor's recommendations, the bill must be returned to the Governor for reconsideration.

(c) If both houses disapprove the Governor's recommendations, the bill must be returned to the Governor for reconsideration.

(d) If one house disapproves the Governor's recommendations and the other house approves, then either house may request a conference committee, which may be a free conference committee.

(i) If both houses adopt a conference committee report, the bill in accordance with the report must be returned to the Governor for reconsideration.

(ii) If a conference committee fails to reach agreement or if its report is not adopted by both houses, the Governor's recommendations must be considered not approved and the bill must be returned to the Governor for further consideration.

CHAPTER 60

Rules

60-10. Suspension of joint rule — change in rules. (1) A joint rule may be repealed or amended only with the concurrence of both houses, under the procedures adopted by each house for the repeal or amendment of its own rules.

(2) A joint rule governing the procedure for handling bills may be temporarily suspended by the consent of two-thirds of the members of either house, insofar as it applies to the house suspending it.

(3) Any Rules Committee report recommending a change in the joint rules must be referred to the other house. Any new rule or any change in the rules of either house must be transmitted to the other house for informational purposes.

(4) Upon adoption of any change, the Secretary of the Senate and the Chief Clerk of the House of Representatives shall provide the office of the Legislative Services Division:

(a) one copy of all motions or resolutions amending Senate, House, or joint rules; and

60-30. Publication and distribution of joint rules. (1) The Legislative Services Division shall codify and publish in one volume:

(a) the rules of the Senate;

(b) the rules of the House of Representatives; and

(c) the joint rules of the Senate and the House of Representatives.

(2) After the rules have been published, the Legislative Services Division shall distribute copies as directed by the Senate and the House of Representatives.

60-40. Tenure of joint rules. The joint rules remain in effect until removed by a joint resolution or until a new Legislature is elected and takes office.

SENATE JOINT RESOLUTION NO. 4

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA ENCOURAGING MONTANA TRIBAL GOVERNMENTS TO ADOPT SECURED TRANSACTION COMMERCIAL CODES, ENCOURAGING THE DEVELOPMENT OF TRAINING PROGRAMS FOR TRIBAL COURTS ON THE USE OF THE CODES, AND REQUESTING AN APPROPRIATE LEGISLATIVE COMMITTEE TO REPORT ON THE IMPLEMENTATION OF THE CODES AND THE TRAINING.

WHEREAS, economic development and affordable housing needs are among the most critical of issues facing Indian Country; and

WHEREAS, one significant barrier frequently faced by American Indian-owned businesses and American Indian consumers on reservations is the lack of access to affordable credit for business, housing, or other consumer purposes; and

WHEREAS, the importance of credit as a fundamental component of economic and housing development cannot be overstated; and

WHEREAS, the pervasive lack of access to affordable credit and capital can be generally attributed to the fears and apprehensions routinely expressed by non-Indian lenders and other potential business partners and investors; and

WHEREAS, this has been a persistent problem throughout Indian Country; and

WHEREAS, commercial codes are important tools for enabling and supporting tribal economic and housing development by improving access to commercial and consumer credit; and

WHEREAS, fundamental to the goal of building sound economies is the need for commercial laws that will enhance tribal business environments by reducing risks for outside lenders and other nontribal entities that do business with tribes, tribal enterprises, Indian-owned private businesses, and Indian consumers.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That each tribal government in Montana be encouraged to review the model tribal secured transaction law developed by the National Conference of Commissioners on Uniform State Laws and, if agreeable to the tribal government, adopt the model law for use on its reservation.

BE IT FURTHER RESOLVED, that the Montana Bar Association, the University of Montana Law School, the Montana Judiciary, and the Legislature be encouraged to, upon request, assist tribal courts in developing and implementing a training course, including ongoing education, on the use of secured transaction commercial codes.

BE IT FURTHER RESOLVED, that the Legislative Council be requested to designate an appropriate interim committee or statutory committee to provide a report to the 60th Legislature on the review and implementation of secured transaction commercial codes by tribal governments and the implementation of the training for tribal courts.

BE IT FURTHER RESOLVED, that the Secretary of State send a copy of this resolution to the Montana Bar Association, the University of Montana Law School, the Montana Supreme Court, the 22 judicial districts, and each tribal government located on the seven Montana reservations.

SENATE JOINT RESOLUTION NO. 6

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA REQUESTING THAT THE LEGISLATIVE COUNCIL DESIGNATE AN APPROPRIATE INTERIM COMMITTEE OR DIRECT STAFF RESOURCES TO STUDY ACCESS BY LOW-INCOME MONTANANS TO THE MONTANA CIVIL LEGAL SYSTEM AND TO DETERMINE WHETHER ANY CHANGES ARE APPROPRIATE.

WHEREAS, nearly one out of every five Montanans, 190,000 people, live at or near the federal poverty level, and Montana ranks 10th in the overall poverty rate among the states and ranks 45th in median household income and 46th in per capita income; and

WHEREAS, a comprehensive legal needs study has recently been completed by the Equal Justice Task Force created by the Montana Supreme Court; and

WHEREAS, although the data from the legal needs study is just beginning to be analyzed, preliminary results of the legal needs study show that 85% of Montana's poor and near-poor residents have at least one legal problem a year; and

WHEREAS, federal funding for civil legal assistance to the poor has been substantially reduced in recent years; and

WHEREAS, in 1996, the Montana Legal Services Association, Montana's only general statewide civil legal assistance provider, suffered a 48% reduction in federal funding, which has never been restored, and the Montana Legal Services Association's Legal Assistance to Victims grant from the U.S. Department of Justice Violence Against Women Act Office was not renewed for 2005, resulting in further reductions in services to low-income people; and

WHEREAS, although there is one private attorney for every 365 Montana residents, there is only one Montana Legal Services Association attorney for every 13,000 low-income residents; and

WHEREAS, the State of Montana provides no funding for civil legal assistance to Montana's low-income population; and

WHEREAS, reductions in civil legal assistance funding for the poor has been exacerbated by the low rate of return on the Interest on Lawyers Trust Accounts funds, managed by the Montana Justice Foundation, one of the few additional funding sources for civil legal services to the poor; and

WHEREAS, denial of access to Montana's civil legal system prevents Montana residents from realizing the protections afforded by the Montana Constitution.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the Legislative Council be requested to designate an appropriate interim committee, pursuant to section 5-5-217, MCA, or direct sufficient staff resources to review the access to the legal system in Montana that is provided to low-income Montanans and to determine whether any changes may be appropriate. The study must include:

(1) a review of the unmet civil legal needs of low-income residents of Montana using the recently completed legal needs study;

(2) a review of technological advances in place to serve the civil legal needs of low-income Montanans and of whether additional resources or further coordination of technological resources could address all or part of the unmet needs;

(3) a review of the services and resources being provided by the attorneys in private practice, governmental agencies, and nongovernmental organizations to meet the civil legal needs of low-income residents of Montana and of the efforts underway to increase those services, resources, or both;

(4) changes in state law necessary to facilitate the provision of civil legal services to those unable to afford them;

(5) a review of funding sources currently available to address civil legal needs of low-income Montanans;

(6) a determination of the level of public funding required to provide the assistance necessary to enhance equal access to the Montana justice system;

(7) a review of revenue options that could be considered in providing state funding for civil legal services for low-income residents of Montana and the manner in which state funds could be appropriated;

(8) a determination of the types and numbers of civil cases in which legal services or resources are provided to low-income Montanans through public or private sources;

(9) a review of and recommendation regarding possible alternative methods of providing needed legal services and resources to low-income Montanans other than by direct representation by attorneys;

(10) a review of courts' involvement in assisting low-income Montanans who appear before the courts to receive needed legal or other services;

(11) a review of how the youth courts may be used to reduce recidivism in the youth court system by providing referrals to services for at-risk families; and

(12) any other aspect of the administration of access to justice for low-income Montanans that is determined to be appropriate.

BE IT FURTHER RESOLVED, that the study committee or staff be directed to request information and staff assistance from the Legislative Fiscal Division.

BE IT FURTHER RESOLVED, that the committee or staff be directed to develop a specific list of options, including an option of no action, to be considered for recommendation to the 60th Legislature.

BE IT FURTHER RESOLVED, that if the study is assigned to staff, any findings or conclusions be presented to and reviewed by an appropriate committee designated by the Legislative Council.

BE IT FURTHER RESOLVED, that all aspects of the study, including presentation and review requirements, be concluded prior to September 15, 2006.

BE IT FURTHER RESOLVED, that the final results of the study, including any findings, conclusions, comments, or recommendations of the appropriate committee, be reported to the 60th Legislature.

SENATE JOINT RESOLUTION NO. 11

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA REQUESTING AN INTERIM STUDY TO LOOK AT THE SUBDIVISION REVIEW PROCESS; AND REQUIRING THAT THE FINAL RESULTS OF THE STUDY BE REPORTED TO THE 60TH LEGISLATURE.

WHEREAS, the Montana Subdivision and Platting Act was enacted by the Montana Legislature in 1973; and

WHEREAS, since its enactment, the Montana Legislature has adopted numerous amendments to the Montana Subdivision and Platting Act and yet procedural and substantive issues continue to emerge; and

WHEREAS, acting under House Joint Resolution No. 37 from the 2003 Legislative Session, the Education and Local Government Interim Committee, working with a broad-based group of affected and interested parties, was able to reach consensus regarding many subdivision review process issues, resulting in the introduction of Senate Bill No. 116 in the 2005 Legislative Session; and

WHEREAS, members of the Education and Local Government Interim Committee, as well as the citizens involved in the interim study, realize that many substantive issues remain regarding subdivision review and especially its appropriate role in and interplay with local land use planning and regulation.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the Legislative Council be requested to designate an appropriate interim committee, pursuant to section 5-5-217, MCA, or direct sufficient staff resources to review all relevant portions of the Montana Subdivision and

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA PROMOTING CIVIC EDUCATION IN MONTANA'S ELEMENTARY AND SECONDARY SCHOOLS.

WHEREAS, a high level of disengagement, especially among American youth, demands a recommitment to education for active and effective citizenship; and

WHEREAS, schools are one of the places where young people learn to interact and work together for a common purpose; and

WHEREAS, into the late 1960s, schools offered courses in civics, democracy, and government, but today most formal civic education consists of a single government course; and

WHEREAS, the time has come for schools to assist students in becoming competent and responsible citizens who are informed and thoughtful, participate in the community, act politically, and possess civic virtues.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

- (6) encourage student participation in school governance.

BE IT FURTHER RESOLVED, that the Secretary of State send copies of this resolution to the Board of Public Education and the Superintendent of Public Instruction for distribution to each school district in Montana.

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA STRONGLY URGING THAT TAIWAN BE PERMITTED APPROPRIATE AND MEANINGFUL PARTICIPATION IN ACTIVITIES OF THE WORLD HEALTH ORGANIZATION.

WHEREAS, direct and unobstructed participation in international health cooperation forums and programs is crucial for all parts of the world, especially with today's greater potential for the cross-border spread of various infectious diseases; and

WHEREAS, Taiwan's achievements in the field of health are substantial, including one of the highest life expectancy levels in Asia, maternal and infant mortality rates comparable to those of western countries, the eradication of the infectious diseases of cholera, smallpox, and plague, and being the first Asian nation to eradicate polio and the first country in the world to provide children with free hepatitis B vaccinations; and

WHEREAS, the United States Centers for Disease Control and Prevention and its Taiwanese counterpart have enjoyed close collaboration on a wide range of public health issues; and

WHEREAS, in recent years, Taiwan has expressed a willingness to financially and technically assist the international aid and health activities supported by the World Health Organization; and

WHEREAS, Taiwan's population of 23 million people is larger than that of 75% of the World Health Organization member states; and

WHEREAS, the United States, in the 1994 Taiwan Policy Review, declared its intention to support Taiwan's participation in appropriate international organizations; and

WHEREAS, Taiwan's participation in the activities of the World Health Organization could bring many benefits to the state of health not only in Taiwan but also regionally and globally.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the Montana Legislature strongly urge that Taiwan be permitted appropriate and meaningful participation in the activities of the World Health Organization.

SENATE JOINT RESOLUTION NO. 14

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA REQUESTING AN INTERIM STUDY REGARDING THE MISSIONS AND OPERATION OF THE MONTANA NATIONAL GUARD FOR THE PURPOSES OF STATE ACTIVE DUTY PERFORMED TO MEET STATE EMERGENCIES.

WHEREAS, members of the Montana National Guard, like members of other states' National Guard organizations, serve in either a federal or a state status; and

WHEREAS, the alert system, mobilization and demobilization, deployment and redeployment, pay and benefits, retirement qualification and benefits, life and health insurance provisions, and death benefits for members of the National Guard serving in a federal active duty status are mostly established by federal law and regulation and are reviewed and studied from time to time by the Department of Defense and the United States Congress; and

WHEREAS, the same subjects for members of the Montana National Guard while serving in a state status on State Active Duty (SAD) are governed by state law and regulations of the Montana Department of Military Affairs; and

WHEREAS, SAD is used for many different kinds of state emergencies, including such emergencies as wildfire suppression and strikes at state institutions, and those types of emergencies are difficult to predict, requiring availability of forces, through a mobilization and deployment system, virtually 24 hours a day, 7 days a week, all year long; and

WHEREAS, there may be a need for more Montana National Guard members to serve more state duty in a SAD status in the future, for the purposes of reaction to weapons of mass destruction threats and for antiterrorist missions, because not every response by the National Guard to unidentified causes of emergencies can or will be paid for by the United States; and

WHEREAS, the necessity for SAD, the process by which National Guard members are called to SAD, the conditions under which members serve on SAD, the deployment and redeployment system, the benefits available to them on and after SAD, the laws under which they serve on SAD, and other practical and legal implications of SAD service have not ever been studied by the Legislature; and

WHEREAS, the service of members of the Montana National Guard on SAD is extremely important to the residents of Montana and to state and local

governments in Montana because the state needs an organized, trained, and equipped force ready to respond to state emergencies at the call of the Governor; and

WHEREAS, it is therefore fitting and proper that the Legislature review all aspects of SAD in order to become informed regarding mechanisms and missions of SAD and to determine whether the laws governing the National Guard need to be updated or otherwise changed to enhance the execution of SAD missions and to reflect national and state priorities for the use of the Montana National Guard while on SAD.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the Legislative Council be requested to designate an appropriate committee, pursuant to section 5-5-217, MCA, or direct sufficient staff resources to work in collaboration with the Department of Military Affairs and other appropriate groups to:

(1) receive information from the Department of Military Affairs and other federal, state, and local government agencies, as well as persons from the private sector, to determine what aspects of SAD function well and those aspects that need further attention by the Legislature;

(2) examine the method by which state emergencies are declared and ended and the system by which the Montana National Guard is alerted, mobilized, deployed, and redeployed and serves on SAD;

(3) study the preparation, training, mission, and tasks of the Montana National Guard as they relate to the type of emergency for which the Guard is placed on SAD;

(4) study the pay, benefits, and support furnished members of the National Guard while being called to, serving on, and completing SAD;

(5) study the types of emergencies for which the National Guard has been called to SAD and the types of emergencies for which it may be called to SAD in the future and determine how well current practices and statutes relate to those missions; and

(6) examine the laws under which the National Guard is called to duty and executes its SAD missions, to determine whether to ascertain the appropriateness of those laws, given the National Guard's past, present, and future missions while on SAD.

BE IT FURTHER RESOLVED, that, if the study is assigned to staff, any findings or conclusions be presented to and reviewed by an appropriate committee designated by the Legislative Council.

BE IT FURTHER RESOLVED, that all aspects of the study, including presentation and review requirements, be concluded prior to September 15, 2006.

BE IT FURTHER RESOLVED, that the final results of the study, including any findings, conclusions, comments, or recommendations of the appropriate committee, be reported to the 60th Legislature.

SENATE JOINT RESOLUTION NO. 17

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA ENCOURAGING RENEWABLE ENERGY DEVELOPMENT; AND URGING THE UNITED STATES CONGRESS TO SUPPORT THE RENEWABLE ENERGY PRODUCTION INCENTIVE PROGRAM AND PRODUCTION TAX CREDIT PROGRAM.

WHEREAS, renewable energy supply brings fuel diversity benefits and mitigates market dominance by a very few energy fuel types in the nation's mix of energy supplies, enhances national security by reducing dependence on imported fuels, and decreases environmental impacts compared to traditional methods of electricity generation; and

WHEREAS, increasing public preference and consumer demand support renewable energy generation and product development and commercialization; and

WHEREAS, renewable energy production costs have progressively declined and performance has steadily improved and promises continued improvement; and

WHEREAS, encouraging use of renewable energy resources has been an important national goal since the passage of the Energy Policy Act of 1992; and

WHEREAS, the United States Congress established the Renewable Energy Production Incentive (REPI) Program, in the Energy Policy Act of 1992, to provide direct payments of 1.5 cents per kilowatt hour to any public, not-for-profit utility for energy it produces through new renewable energy projects brought online between October 1993 and September 30, 2003, during the first 10 years of the utility's operation; and

WHEREAS, the United States Congress also established the Energy Production Tax Credit (PTC) Program, in the Energy Policy Act of 1992, to provide a wind production tax credit of 1.5 cents per kilowatt hour for electrical energy produced from a new facility brought online after December 31, 1993, and before July 1, 1999, for the first 10 years of the facility's operation; and

WHEREAS, the United States Congress has extended and expanded the PTC Program three times over the past 6 years, in 1999, in 2001, and again in 2004, but each time Congress has allowed the credit to expire before acting and has then approved only short-term extensions; and

WHEREAS, funding for the REPI Program has remained far below the level needed to maximize the potential of the incentive, supporting only a fraction of the qualified renewable energy projects that apply each year; and

WHEREAS, authorization for the current REPI Program expired on September 30, 2003, and authorization for the current PTC Program expires on December 31, 2005; and

WHEREAS, given the 2-year or 3-year lead time required for bringing facilities online, the expiration of the REPI and PTC Programs is currently slowing the implementation of hundreds of megawatts worth of future projects and is frustrating plans to build new turbine manufacturing facilities that could supply these projects; and

WHEREAS, failure to extend the REPI and PTC Programs means that contracts will be put on hold, workers will be laid off, and the growing

momentum toward developing renewable energy markets will again be brought to a halt; and

WHEREAS, additional renewable technologies could also benefit from a production incentive or tax credit, just as solar, wind, geothermal, closed-loop biomass, and poultry waste have done through the existing REPI and PTC Programs; and

WHEREAS, tradable tax credits for renewable energy, consisting of a production tax credit that a public or consumer-owned utility can accrue by developing and owning a renewable energy facility and then selling to the private sector, will:

- (1) facilitate public/private partnerships;
- (2) benefit not-for-profit utilities by providing an alternative to the potentially underfunded REPI Program;
- (3) benefit private sector partners that wish to support renewable energy by providing tax credits against existing tax liabilities; and
- (4) further facilitate the development of renewable energy in our region.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the United States Congress be respectfully urged to:

- (1) acknowledge the value of the REPI and PTC Programs to the continued development and commercialization of renewable energy technologies, industries, and markets;
- (2) approve, at a minimum, a 10-year extension of the PTC Program until December 31, 2015, and the retroactive 10-year extension of the REPI Program that was included in the proposed conference report of the Energy Policy Act of 2003;
- (3) expand the eligible resources for the REPI Program to include landfill gas and extend the benefits to additional public utilities and tribes;
- (4) expand the resources eligible for the PTC Program to include geothermal, solar, and both animal and forest waste as biomass feedstocks;
- (5) authorize tradable tax credits for renewable energy; and
- (6) act on this issue immediately, regardless of whether or when comprehensive energy legislation is taken up for consideration.

BE IT FURTHER RESOLVED, that copies of this resolution be sent by the Secretary of State to the Honorable George W. Bush, President of the United States, the President of the United States Senate, the Speaker of the United States House of Representatives, and each member of the Montana Congressional Delegation.

SENATE JOINT RESOLUTION NO. 19

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA SUPPORTING THE MONTANA CONSTITUTION, THE UNITED STATES CONSTITUTION, AND THE BILL OF RIGHTS; ENCOURAGING VARIOUS ACTIONS IN

SUPPORT OF FIGHTING TERRORISM AND PROTECTING CIVIL RIGHTS AND CIVIL LIBERTIES; REQUESTING THE ATTORNEY GENERAL OF MONTANA TO COMPILE AND DISSEMINATE RELEVANT INFORMATION REGARDING ACTIONS TAKEN BY THE FEDERAL GOVERNMENT UNDER THE USA PATRIOT ACT; AND ENCOURAGING MONTANA'S CONGRESSIONAL DELEGATION TO SUPPORT AND ENSURE THE CIVIL RIGHTS OF ALL MONTANANS AND CITIZENS OF THE UNITED STATES, WHICH INCLUDES ALLOWING THE USA PATRIOT ACT TO EXPIRE.

WHEREAS, the citizens of Montana recognize the Constitution of the United States as our charter of liberty and that the Bill of Rights enshrines the fundamental and inalienable rights of Americans, including the freedoms of religion, speech, assembly, and privacy; and

WHEREAS, each of Montana's duly elected public servants has sworn to defend and uphold the United States Constitution and the Constitution of the State of Montana; and

WHEREAS, the citizens of Montana denounce and condemn all acts of terrorism by any entity, wherever the acts occur; and

WHEREAS, terrorist attacks against Americans, such as those that occurred on September 11, 2001, have necessitated the crafting of effective laws to protect citizens of the United States and others from terrorist attacks; and

WHEREAS, any new security measures of federal, state, and local governments should be carefully designed and employed to enhance public safety without infringing on the civil liberties and rights of innocent citizens of Montana and the United States; and

WHEREAS, certain provisions of the "Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001", also known as the USA PATRIOT Act, allow the federal government to more liberally detain and investigate citizens and to engage in surveillance activities that may violate or offend the rights and liberties guaranteed by our state and federal constitutions.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the 59th Montana Legislature supports the government of the United States in its campaign against terrorism and affirms the commitment of the United States that the campaign not be waged at the expense of essential civil rights and liberties of citizens of this country that are protected in the United States Constitution and the Bill of Rights.

BE IT FURTHER RESOLVED, that it is the policy of the citizens of Montana to oppose any portion of the USA PATRIOT Act that violates the rights and liberties guaranteed under the Montana Constitution or the United States Constitution, including the Bill of Rights.

BE IT FURTHER RESOLVED, that in accordance with Montana state policy, in the absence of reasonable suspicion of criminal activity under Montana law, the 59th Montana Legislature exhorts agents and instrumentalities of this state to not:

(1) initiate or participate in or assist or cooperate with an inquiry, investigation, surveillance, or detention under the USA PATRIOT Act if the action violates constitutionally guaranteed civil rights or civil liberties;

(2) record, file, or share intelligence information concerning a person or organization, including library lending and research records, book and video store sales and rental records, medical records, financial records, student records, and other personal data, even if authorized under the USA PATRIOT Act, if the action violates constitutionally guaranteed civil rights or civil liberties; or

(3) retain any of the intelligence information described in subsections (1) and (2) of this clause if the information violates constitutionally guaranteed civil rights or civil liberties.

BE IT FURTHER RESOLVED, that the Attorney General of Montana is encouraged to review intelligence information currently held by the state, assess the legality and appropriateness of holding the information under the United States Constitution and Montana Constitution, and permanently dispose of all such information to which there is not attached a reasonable suspicion of criminal activity.

BE IT FURTHER RESOLVED, that the 59th Montana Legislature admonishes every agency and instrumentality of the state to not:

(1) use state resources or institutions for the enforcement of federal immigration matters that are the responsibility of the federal government;

(2) collect or maintain information about the political, religious, or social views, associations, or activities of any individual, group, association, organization, corporation, business, or partnership unless the information directly relates to an investigation of criminal activities and there are reasonable grounds to suspect that the subject of the information was, is, or may be involved in criminal conduct; or

(3) engage in racial profiling.

BE IT FURTHER RESOLVED, that state and local law enforcement agencies should not use race, religion, ethnicity, or national origin as factors in selecting individuals to subject to investigatory activities, except when seeking to apprehend a specific suspect whose race, religion, ethnicity, or national origin is part of the description of the suspect.

BE IT FURTHER RESOLVED, that the 59th Montana Legislature requests:

(1) public schools and institutions of higher learning within Montana to provide notice to each individual whose education records have been obtained by law enforcement agents pursuant to section 507 of the USA PATRIOT Act; and

(2) each public library within Montana to post in a prominent place within the library a notice to library users as follows: "WARNING: Under Section 215 of the federal USA PATRIOT Act (Public Law 107-56), records of the books and other material you borrow from this library may be obtained by federal agents. Federal law prohibits librarians from informing you if records about you have been obtained by federal agents. Questions about the law and policy that allows federal agents to obtain and use information about your activities in this library should be directed to: U.S. Attorney General, Department of Justice, Washington, DC 20530".

BE IT FURTHER RESOLVED, that the 59th Montana Legislature encourages the Attorney General of Montana to periodically seek from federal authorities the following information in a form that facilitates an assessment of the effect of federal antiterrorism efforts on the residents of Montana:

(1) the name of each resident of Montana who has been arrested or otherwise detained by federal authorities as a result of terrorism investigations since September 11, 2001, the location of each detainee, the circumstances that led to each detention, the charges, if any, lodged against each detainee, and the name of counsel, if any, representing each detainee;

(2) the number of search warrants that have been executed in Montana pursuant to section 213 of the USA PATRIOT Act and without notice to the subject of the warrant;

(3) the extent of electronic surveillance carried out in Montana under powers granted in the USA PATRIOT Act;

(4) the extent to which federal authorities monitor political meetings, religious gatherings, or other activities within Montana that are protected by the First Amendment;

(5) the number of times that education records have been obtained from public schools and institutions of higher learning in Montana under section 507 of the USA PATRIOT Act;

(6) the number of times that library records have been obtained from libraries in Montana under section 215 or section 505 of the USA PATRIOT Act; and

(7) the number of times that records of the books purchased by store patrons from bookstores in Montana have been obtained under section 215 of the USA PATRIOT Act.

BE IT FURTHER RESOLVED, that the 59th Montana Legislature requests the Attorney General of Montana to compile and transmit to each member of the Legislature, at least once every 6 months, a summary of the information obtained pursuant to the legislative requests made in this resolution and, based on the information and any other relevant information, to include an assessment of the effect of federal antiterrorism efforts on the residents of Montana.

BE IT FURTHER RESOLVED, that the 59th Montana Legislature desires that all public libraries adopt policies that ensure the regular destruction of records, when the records are no longer needed, that may be used to identify the name of a book borrower or the name of any Internet user.

BE IT FURTHER RESOLVED, that in order to protect intellectual privacy rights, the 59th Montana Legislature advises all persons in local businesses and institutions, particularly booksellers, to refrain whenever possible from keeping records that can be used to identify the name of any purchaser and to regularly destroy sales records maintained by the business or institution.

BE IT FURTHER RESOLVED, that the 59th Montana Legislature urges the Montana delegation in the United States Congress to:

(1) correct provisions in the USA PATRIOT Act and other administrative measures that infringe on civil liberties by supporting the sunset provisions of the USA PATRIOT Act, slated to be reviewed by Congress in 2005, and ultimately allow the USA PATRIOT Act to expire; and

(2) support passage of the Security and Freedom Ensured Act of 2003 and the End Racial Profiling Act of 2004.

BE IT FURTHER RESOLVED, that the 59th Montana Legislature urges the Montana Congressional Delegation to vigorously oppose any pending and all

future federal legislation if the legislation infringes on the civil rights and civil liberties of American citizens. Federal legislation that the Montana Congressional Delegation is encouraged to oppose includes but is not limited to the Domestic Security Enhancement Act of 2003, also known as Patriot Act II.

BE IT FURTHER RESOLVED, that the Secretary of State send a copy of this resolution to President George W. Bush, the Attorney General of the United States, Governor Brian Schweitzer, Senator Max Baucus, Senator Conrad Burns, and Representative Dennis Rehberg.

SENATE JOINT RESOLUTION NO. 20

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA REQUESTING A PERFORMANCE AUDIT OF THE EXTENT OF CONSERVATION EASEMENTS AND THE PROPERTY TAX POLICY ISSUES ASSOCIATED WITH CONSERVATION EASEMENTS.

WHEREAS, acquisition of development rights through conservation easements, both public and private, has increased dramatically in the past 4 years; and

WHEREAS, negotiated terms relative to the use of these easements may in perpetuity affect any further development on these easements; and

WHEREAS, acquired development rights on these properties may impact the market value of these and adjacent properties; and

WHEREAS, income and estate tax deductions are often an attractive incentive in negotiating easement contracts; and

WHEREAS, the cumulative effect of ongoing acquisition of development rights may present tax implications for counties; and

WHEREAS, land trusts and government agencies are actively acquiring conservation easements in Montana; and

WHEREAS, it is of compelling interest to officials of Montana counties and Montana taxpayers and elected officials to have accurate information available on which to base policy decisions.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

(1) That the Legislative Audit Committee prioritize a performance audit of the extent of conservation easements and the property tax policy issues associated with conservation easements.

(2) That the Committee identify the cause of the conflicting information available.

(3) That the Committee recommend a method for compiling this information in a readily available format for use by the Legislature and interested parties.

(4) That the Committee evaluate relevant information to determine trends in conservation easements and development of agricultural lands that would indicate potential for shifts in tax collections.

(5) That the Committee present its findings, recommendations, and any proposed legislation to the 60th Legislature.

SENATE JOINT RESOLUTION NO. 21

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA URGING SUPPORT FOR AND CONTINUED FUNDING OF AMTRAK PASSENGER RAIL SERVICE THROUGH MONTANA.

WHEREAS, Amtrak is energy-efficient and environmentally beneficial, consuming about half as much energy per passenger-mile as airlines and causing less air pollution; and

WHEREAS, Amtrak provides mobility to citizens of many smaller communities that are poorly served by air and bus service, as well as to senior citizens, persons with disabilities, students, and persons with medical conditions that prevent them from flying; and

WHEREAS, communities served by Amtrak in Montana are not provided with any other mode of public transportation, and residents of these communities are required to travel up to 200 miles to the nearest airport; and

WHEREAS, 129,044 passengers rode Amtrak across Montana in fiscal year 2004, up from 122,053 in fiscal year 2003; and

WHEREAS, Montana's tourism industry benefits from rail passenger service through the state; and

WHEREAS, Amtrak spent \$57,495 for goods and services in Montana in fiscal year 2004, up from \$19,800 in fiscal year 2003; and

WHEREAS, during fiscal year 2004, Amtrak employed 57 Montanans, who earned a total of \$3,293,052 in wages; and

WHEREAS, according to a February 6, 2005, editorial in the Great Falls Tribune, a recent national survey found that 71% of Americans believe federal subsidies of Amtrak are about right or not enough; and

WHEREAS, Amtrak is vital to the economy of Montana's northern tier, as indicated by a recent study by R.L. Banks & Associates that concluded that Amtrak's Empire Builder contributes nearly \$14 million annually in economic benefits to the State of Montana.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the 59th Montana Legislature urge Montana's Congressional Delegation to support continued Amtrak passenger rail service through Montana.

BE IT FURTHER RESOLVED, that the 59th Montana Legislature urge the President and the United States Congress to include funding for Amtrak in any spending plan that is adopted.

BE IT FURTHER RESOLVED, that the Secretary of State send copies of this resolution to Montana's Congressional Delegation.

SENATE JOINT RESOLUTION NO. 22

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA URGING CONGRESS TO PASS A WELL-FUNDED, MULTIYEAR FEDERAL HIGHWAY PROGRAM IN A TIMELY MANNER WHILE ALSO PROTECTING MONTANA'S INTERESTS.

WHEREAS, a well-funded federal highway program is important to the economy and quality of life in Montana, creating and maintaining jobs for Montanans, facilitating commerce in Montana, and enabling Montanans to travel safely to school, work, hospitals, stores, places of recreation, and other destinations that are important to a high quality of life; and

WHEREAS, Congress has not yet enacted legislation providing for a multiyear reauthorization of the federal highway program, hampering the ability of the state to deliver needed highway improvements to the citizens of Montana; and

WHEREAS, Montana has a vast and extensive highway system that serves national as well as state transportation needs, and Montana has very few citizens to finance the highway systems' maintenance and improvement, and it is essential that Montana's position in the federal highway program be perpetuated in the reauthorization.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the Montana Legislature strongly supports prompt enactment of a well-funded, multiyear federal highway program that includes a highway funding formula that is at least as favorable to Montana's share of the program as the formula in the most recent multiyear federal highway legislation.

BE IT FURTHER RESOLVED, that copies of this resolution be sent by the Secretary of State to the Montana Congressional Delegation.

SENATE JOINT RESOLUTION NO. 23

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA AFFIRMING THE LEGISLATURE'S DESIRE TO BE CONSULTED ON THE PROVISIONS OF INTERNATIONAL TRADE AGREEMENTS; AND REQUESTING MONTANA'S CONGRESSIONAL DELEGATION TO PROMOTE PROTECTIONS FOR MONTANA AND THE BEST INTERESTS OF MONTANA IN THE NEGOTIATION OF THESE AGREEMENTS.

WHEREAS, the Constitution of the United States of America reserves powers to the states that it does not grant to the nation and local governments also have autonomy over those powers not reserved to the state under the Montana Constitution; and

WHEREAS, existing trade agreements, such as the North American Free Trade Agreement (NAFTA), and proposed agreements, such as the Free Trade Area of the Americas (FTAA) and the Central American Free Trade Agreement

(CAFTA), grant powers that affect lawmaking authority of state and local governments but do not require a supermajority vote of the U.S. Senate to ratify and cannot be amended as is the case with treaties before the U.S. Senate; and

WHEREAS, NAFTA and CAFTA enable individual foreign investors to sue governments for expropriation of profits, giving individual foreign investors greater rights in the United States than are granted to United States citizens by the Constitution; and

WHEREAS, trade negotiations under the General Agreement on Trade in Services (GATS) could affect Montana's ability to operate or regulate electricity, prescription drug programs, insurance, higher education, water resources, and other essential services; and

WHEREAS, the National Conference of State Legislatures, the International Municipal Lawyers Association, the National Association of Counties, the National Association of Attorneys General, and various state legislators from Idaho and California have sent letters to the U.S. Trade Representative expressing these concerns and have received little response; and

WHEREAS, these agreements might compromise the sovereignty and economic well-being of the State of Montana because:

(1) a NAFTA tribunal has held that Canadian softwood imports do not pose a threat of injury to U.S. producers;

(2) the Economic Policy Institute has determined that 1,700 Montana jobs have been lost because of NAFTA;

(3) the viability of Montana's agricultural economy and family farms and ranches are compromised by excessive competition from low-priced imported agricultural products; and

(4) Montana's energy laws concerning a default supplier, quotas from renewable energy sources and preferential tax treatments given to those energy sources, and preferential treatment to in-state providers of electrical generation and regulation of energy contracts may not comport with U.S. trade commitments to "open markets";

WHEREAS, these international agreements might affect the ability of Montana to regulate its oil and gas royalties and use purchase preferences in Montana's procurement laws; and

WHEREAS, the U.S. Trade Ambassador's State Point of Contact has failed to create a clearly marked channel for two-way communications as it was meant to; and

WHEREAS, Montanans are committed and prepared to treat foreign firms that do business in Montana in a nondiscriminatory fashion under a standard based on the Commerce and Foreign Commerce Clauses of the U.S. Constitution, yet Montanans are neither prepared nor willing to accept a challenge to their sovereignty based on an arbitrary and unreasonable standard of discrimination.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That Montana's Congressional Delegation be requested to take steps to ensure that:

(1) the Montana Legislature and other state legislatures are consulted by the United States Trade Representative before commitments are made to specific provisions in trade agreements; and

(2) legislation implementing any new trade or investment accord include appropriate protections for the states from federal lawsuits enforcing these agreements.

BE IT FURTHER RESOLVED, that Montana's Congressional Delegation is urged to defend the best interests of the State of Montana and Montana's local governments, the United States government, and the Constitution rather than the rights of foreign investors when voting on the ratification of any trade agreements.

BE IT FURTHER RESOLVED, that the Secretary of State send copies of this resolution to the Governor of the State of Montana, Montana's Congressional Delegation, the United States Trade Representative, and the President of the United States.

WHEREAS, the Rotary Club of Chicago was founded on February 23, 1905, when Chicago attorney Paul Harris invited three business associates to a meeting to form a club to share "mutual cooperation and informal friendship such as all of us had once known in our villages"; and

WHEREAS, by 1921, Rotary Clubs had been formed on six continents, and the name Rotary International was adopted in 1922; and

WHEREAS, as Rotary International grew, its focus changed from serving the business and professional needs of its members to serving communities in need, as expressed in its motto "Service Above Self"; and

WHEREAS, the Rotary Foundation, established in 1928, today garners contributions exceeding \$80 million annually to support a range of humanitarian grants and educational programs; and

WHEREAS, in 1985, Rotary International made a commitment to immunize all of the world's children against polio, and by the centennial of Rotary in 2005, more than \$500 million will have been earmarked for the eradication of polio; and

WHEREAS, Rotary International is approaching its 100th anniversary and consists of 1.2 million members in some 31,000 Rotary Clubs in 166 countries, all committed to addressing such problems as environmental degradation, illiteracy, world hunger, and children at risk.

SENATE JOINT RESOLUTION NO. 26

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA URGING SUPPORT FOR CREATING A CENTER FOR THE STUDY AND TREATMENT OF ASBESTOS-RELATED ILLNESS AND FOR PROVIDING RELIEF FOR THE VICTIMS OF ASBESTOS EXPOSURE IN LIBBY, MONTANA.

WHEREAS, the discovery, on a nationwide basis, of the often terminal effects of asbestos exposure has spawned a massive and still growing civil litigation industry; and

WHEREAS, the United States Supreme Court has repeatedly called upon Congress to resolve the national asbestos litigation issue; and

WHEREAS, United States Senate Judiciary Committee Chairman Arlen Specter has under consideration a provision to help resolve the impasse; and

WHEREAS, in the small community of Libby, Montana, many residents have already succumbed to asbestosis and hundreds more have been diagnosed with the disease; and

WHEREAS, the unique nature of the tremolite fibers found in the vermiculite processed at the W.R. Grace zonolite mine at Libby may cause symptoms to be masked for 20 or more years before a diagnosis can be made; and

WHEREAS, there is currently no cure for either asbestosis or mesothelioma and it is likely that other incurable, autoimmune diseases, including rheumatoid arthritis and lupus, will be found to be linked to tremolite asbestos exposure; and

WHEREAS, current events relative to the W.R. Grace Company seemingly eliminate any access to a remedy against that company for the Libby victims' exposure to asbestos contamination; and

WHEREAS, the compensation measure under consideration by the United States Senate appears to be the last resort for many victims of asbestos exposure; and

WHEREAS, the Lincoln County Health Board, of necessity, has appealed to the Montana Legislature for a modest amount of funding to meet the bare necessities of treating asbestos-related illnesses for the biennium beginning July 1, 2005; and

WHEREAS, in 2003, the Legislature passed House Joint Resolution No. 14, requesting the Montana Congressional Delegation to pursue funding options from federal sources to develop, build, and maintain, in Libby, Montana, a

center for the study of asbestos issues and the treatment of illnesses related to tremolite-series asbestos.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the Legislature formally reaffirms the request made in 2003 to Montana's Congressional Delegation to take action in creating a center for the study and treatment of illnesses related to tremolite-series asbestos.

BE IT FURTHER RESOLVED, that under the terms of the asbestos compensation settlement legislation before Congress, special consideration be extended to litigants who have been exposed to the tremolite-fiber asbestos, the symptoms of which take much longer to manifest themselves.

BE IT FURTHER RESOLVED, that the Secretary of State send copies of this resolution to the President of the United States, to the members of the United States Senate Judiciary Committee, and to the members of the Montana Congressional Delegation.

Adopted April 6, 2005

SENATE JOINT RESOLUTION NO. 27

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA URGING THE MONTANA CONGRESSIONAL DELEGATION TO OPPOSE FEDERAL ASBESTOS LEGISLATION THAT WOULD PAY COMPENSATION TO VICTIMS OF ASBESTOS-RELATED DISEASES UNLESS THE LEGISLATION ENSURES THAT THE RESIDENTS OF LIBBY, MONTANA, WHO SUFFER FROM ASBESTOS-RELATED DISEASES ARE INCLUDED WITHIN THE TERMS OF THE LEGISLATION AND RECEIVE THE COMPENSATION THAT THEY NEED AND DESERVE.

WHEREAS, a screening conducted by the U.S. Agency for Toxic Substances and Disease Registry in the year 2000 determined that over 1,100 individuals who had lived in Libby, Montana, for at least 6 months prior to 1991 had abnormalities shown on x-ray films or spirometry that were indicative of adverse exposure to asbestos; and

WHEREAS, although medical research on Libby tremolite asbestos disease is still ongoing and publication of articles fully describing Libby tremolite asbestos disease is still a number of years away, present research does establish that at least 76% of those suffering from Libby tremolite asbestos disease will unfortunately progress from mild to more severe forms of the disease; and

WHEREAS, over 200 individuals are already reported to have died from Libby tremolite asbestos-related disease and many more are expected to die of the disease; and

WHEREAS, the people of Libby are afflicted with tremolite asbestos disease, which resulted from exposure to mining activities by W.R. Grace; and

WHEREAS, hundreds of civil lawsuits were filed in Montana courts seeking to hold W.R. Grace accountable for the injuries and deaths, which resulted from tremolite asbestos exposure; and

WHEREAS, W.R. Grace filed for bankruptcy protection on April 2, 2001, thereby terminating prosecution of the civil suits in Montana courts; and

WHEREAS, W.R. Grace is expected to pay from \$1.5 billion to \$2 billion for all its asbestos liabilities in the bankruptcy proceeding; and

WHEREAS, federal asbestos legislation has been introduced in the U.S. Congress by Senate Judiciary Committee Chairman Arlen Specter that will preempt all claims by Libby asbestos victims against W.R. Grace and all other potential defendants; and

WHEREAS, the legislation would create a \$140 billion asbestos trust fund from which to pay compensation to asbestos victims other than through the judicial system; and

WHEREAS, the federal asbestos legislation as presently drafted excludes Libby tremolite asbestos victims from those who would be compensated from the trust fund for two reasons, those being that the vast majority of Libby claimants have pleural disease caused by tremolite asbestos, not interstitial disease caused by the far more common chrysotile asbestos, and because the medical criteria for compensation in the federal legislation are based on chrysotile asbestos-induced disease; and

WHEREAS, physicians who are familiar with and who have treated hundreds of Libby tremolite asbestos disease patients have carefully reviewed the criteria in the bill and do not believe that Libby tremolite asbestos disease is covered by the bill; and

WHEREAS, the present value of all W.R. Grace's contributions under the federal asbestos legislation amounts to \$424 million, which is a small percentage of the amount that W.R. Grace would have to pay for its asbestos liabilities absent the federal asbestos legislation; and

WHEREAS, the principles of fundamental fairness and decency require that no further harm be done to those suffering from Libby tremolite asbestos disease through the passage of federal asbestos legislation.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the Legislature urge the Montana Congressional Delegation to oppose any federal asbestos legislation that reduces the amount of compensation that Libby tremolite asbestos disease victims would otherwise receive.

BE IT FURTHER RESOLVED, that in the event that federal asbestos legislation is passed, the Legislature urge the Montana Congressional Delegation to ensure that those suffering from Libby tremolite asbestos disease are covered by the legislation and get the compensation that they need and deserve.

BE IT FURTHER RESOLVED, that the Secretary of State send copies of this resolution to the President of the United States, to the members of the Montana Congressional Delegation, and to all other members of the U.S. Congress.

SENATE JOINT RESOLUTION NO. 28

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA ACKNOWLEDGING THE PLANNED FORMATION OF A STATEWIDE TASK FORCE ON PAIN

AND SYMPTOM MANAGEMENT; RECOGNIZING THE ROLE THAT WILL BE PLAYED IN THE PRIVATE FUNDING AND ADMINISTRATIVE SUPPORT OF THE TASK FORCE BY THE AMERICAN CANCER SOCIETY; AND ENCOURAGING THE WIDEST POSSIBLE DISSEMINATION OF THE REPORT AND RECOMMENDATIONS OF THE TASK FORCE IN ORDER TO ENSURE ITS ACCEPTANCE AND IMPLEMENTATION BY PRIVATE HEALTH CARE PROFESSIONALS AND PUBLIC POLICYMAKERS.

WHEREAS, inadequate pain relief is a serious public health problem in the United States, inasmuch as the American Pain Foundation has estimated that 50 million people suffer from persistent pain; and

WHEREAS, pain is associated with lost wages and loss of productivity by American workers; and

WHEREAS, many factors contribute to uncured or inadequately managed pain; and

WHEREAS, all individuals with pain would benefit from having their pain thoroughly assessed and promptly treated; and

WHEREAS, pain is often accompanied by other symptoms that need to be managed along with the pain, including other symptoms arising in cancer patients; and

WHEREAS, appropriate application of excellent pain and symptom management practices, including the use of different treatment modalities, improves the quality of life for those who suffer from pain while reducing the morbidity and cost associated with untreated or inappropriately treated pain; and

WHEREAS, no Montana state agency has been given the mandate to address untreated pain and lack of symptom management as a public health problem; and

WHEREAS, there has been no comprehensive study in Montana of the prevalence of intractable pain in Montanans, nor has there been an assessment of the pain and symptom management practices of Montana health care professionals; and

WHEREAS, private funding may be available from the American Cancer Society and other interested groups to support participation in, staffing, management, and coordination of a statewide pain and symptom management study; and

WHEREAS, the study would be conducted by an advisory task force made up of over 20 members from public agencies and private organizations and individuals with experience in or a demonstrated interest in pain and symptom management issues, including representatives of the Montana Department of Public Health and Human Services, charitable societies, physicians, other health care providers, legislators, public assistance providers, advocates for voluntary health organizations, and individuals suffering from acute or chronic pain; and

WHEREAS, those public agencies, private organizations, and individuals have agreed to serve on the task force without cost to the state, which is of significance because many of the benefits resulting from the task force will be benefits to public policymakers and state agencies; and

WHEREAS, it is the intention of those who will participate on the task force to hold public hearings to gather information from the public on issues

pertaining to pain and symptom management and to then provide advice and recommendations to appropriate public and private entities on pain and symptom management, including advice and recommendations concerning acute and chronic pain and symptom management treatment practices, state statutes and rules regarding pain and symptom management, and use of alternative therapies for pain and symptom management; and

WHEREAS, it is also the intention of those who will participate on the task force to provide advice and recommendations to appropriate public and private entities on acute and chronic pain and symptom management education provided by professional boards or others in the state, acute and chronic pain and symptom management needs of adults, children, and racial and ethnic minority and medically underserved populations, development of a drug repository for unused drugs used for pain and symptom management, and treatment of pain at the end of life; and

WHEREAS, it is also the intention of those who will participate on the task force to study and develop recommendations to state licensing boards on integrating pain and symptom management into the customary practice of health care professionals and identifying the roles and responsibilities of the various health care professionals in pain and symptom management and on the duration and content of continuing education requirements for pain and symptom management, on improving access to pain and symptom management in racial and ethnic minority and medically underserved populations, including the elderly population, and on improving access to pain and symptom management for children and adolescents; and

WHEREAS, it is also the intention of those who will participate on the task force to report on the activities of the task force and make recommendations to the Governor, the Legislature, and the Director of the Department of Public Health and Human Services; and

WHEREAS, it is also the intention of those entities who will serve on the task force, in making the task force's reports and recommendations, to consult with additional entities, including academic institutions, voluntary health organizations not represented on the task force, advocates, consumers, relevant professional organizations, and other appropriate entities.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the American Cancer Society be thanked and congratulated for its support of such a large undertaking as the planned task force on pain and symptom management.

BE IT FURTHER RESOLVED, that the Legislature encourages all of those public and private organizations and private individuals who have agreed to send members to or serve on the task force to participate to the fullest extent possible.

BE IT FURTHER RESOLVED, that the Legislature thanks all of those organizations and individuals especially because the members of the task force will serve without public compensation.

BE IT FURTHER RESOLVED, that the American Cancer Society and the leadership of the task force are encouraged to give the task force's report and recommendations the widest circulation practicable so that implementation of the recommendations made by the task force become a collaborative effort

between public and private bodies and organizations with the most influence on privately furnished health care and on public policy.

BE IT FURTHER RESOLVED, that the Legislature looks forward to receiving the report and recommendations of the task force and implementation of the recommendations made by the task force because implementation will be important to the lives of those many Montanans suffering from acute or chronic pain whose enjoyment of life has been reduced by pain that has not been cured or effectively managed.

BE IT FURTHER RESOLVED, that copies of this resolution be sent by the Secretary of State to the Governor and the Montana Congressional Delegation.

WHEREAS, these miners came to Montana with a determination to succeed; and

WHEREAS, these miners did succeed and as a result helped establish churches, schools, towns, and cities that led to Montana's statehood in 1889; and

SENATE JOINT RESOLUTION NO. 30

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA URGING CONGRESS TO MAINTAIN THE INTEGRITY OF THE MEDICAID PROGRAM AND TO NOT SUPPORT THE PROPOSED PROGRAM REDUCTIONS INCLUDED IN THE EXECUTIVE BUDGET REQUEST TO CONGRESS.

WHEREAS, Medicaid programs provide a very basic component of the safety net for many Montanans; and

WHEREAS, Medicaid programs support the disabled, elderly, children, and pregnant women and the poorest of the poor; and

WHEREAS, proposed federal Medicaid cuts could harm a great many vulnerable Montanans who could suffer devastating health and economic consequences as a result of federal Medicaid cuts; and

WHEREAS, per capita incomes in Montana are proportionally lower than the national average, and a large number of Montanans rely on Medicaid programs; and

WHEREAS, Montana eligibility standards for Medicaid programs are at or near federally required minimum eligibility standards; and

WHEREAS, Montana is a rural state with a very low population density throughout most of the state, and the public Medicaid health system helps ensure that services are available statewide for all persons; and

WHEREAS, local governments do not have enough surplus funds to offset Medicaid funding reductions for local nursing homes and hospitals; and

WHEREAS, Medicaid is a vital component of the health care industry in Montana, representing 17% of the total health care spending in Montana; and

WHEREAS, Montana has made diligent efforts to comply with the letter and spirit of federal Medicaid regulations, especially regarding intergovernmental transfers and provider taxes used as state matching funds; and

WHEREAS, Medicaid health care spending in Montana directly supports 9,172 jobs generating \$267 million in income and indirectly creates 13,469 jobs generating \$375 million in income; and

WHEREAS, for every \$1 million cut in federal Medicaid funding, Montana loses \$4.9 million, which equates to 64 jobs; and

WHEREAS, proposed federal reductions in Medicaid spending, while appearing to be small in percentage, would have drastic effects on the Montana economy; and

WHEREAS, per capita incomes in Montana are proportionally lower than the national average and a large number of Montanans are dependent on Medicaid programs; and

WHEREAS, Montana eligibility standards for Medicaid programs are at or near federally required minimum eligibility standards.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the Montana Congressional Delegation vigorously oppose the proposed Medicaid cuts included in the federal budget proposal.

BE IT FURTHER RESOLVED, that the Governor and the Governor's staff, the Department of Public Health and Human Services, and legislative staff provide information and support to the Montana Congressional Delegation in its work on behalf of maintaining the Medicaid program.

BE IT FURTHER RESOLVED, that the Secretary of State send a copy of this resolution to the President of the United States and the Montana Congressional Delegation.

SENATE JOINT RESOLUTION NO. 31

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA URGING THAT PROPOSALS TO TRANSITION THE BONNEVILLE POWER ADMINISTRATION FROM COST-BASED RATES TO MARKET-BASED RATES AND ACCELERATE THE BONNEVILLE POWER ADMINISTRATION'S DEBT REPAYMENT TO THE UNITED STATES TREASURY, AS EXPRESSED IN THE PRESIDENT'S FISCAL YEAR 2006 PROPOSED BUDGET, BE REJECTED.

WHEREAS, the Bonneville Power Administration supplies over 25% of the electrical power consumed in the State of Montana; and

WHEREAS, currently and since its creation, the rates established for this power have been based upon recovery of costs; and

WHEREAS, the Pacific Northwest Region has experienced a nearly 50% increase in wholesale power rates since the energy crisis of 2001-2002; and

WHEREAS, the President's proposed fiscal year 2006 budget would transition the Bonneville Power Administration from cost-based rates to market-based rates; and

WHEREAS, the Office of Management and Budget has estimated that this change would result in an estimated increase of \$100 a year for each ratepayer in the Pacific Northwest; and

WHEREAS, the Northwest Power and Conservation Council has found that this change would cause the Bonneville Power Administration's power rates to increase by 65%; and

WHEREAS, the Northwest Power and Conservation Council has found that this budget proposal would cost the ratepayers of the Pacific Northwest Region about \$1.33 billion over 3 years and would result in a more than \$300 million decrease in state and federal personal income tax receipts; and

WHEREAS, the argument to justify these increased rates, that the ratepayers of the Pacific Northwest are being subsidized by the federal government, is not well-founded in light of the fact that all of the Bonneville Power Administration's costs, including repayment of debt at market-based interest rates to the United States Treasury, are recovered from ratepayers, primarily individuals and businesses in the Pacific Northwest; and

WHEREAS, the argument to justify these increased rates, that of accelerating the Bonneville Power Administration's debt repayment to the United States Treasury, is not well-founded in light of the Bonneville Power Administration's success in recent years of early repayment of its debt, despite the sale of power at-cost and during difficult economic times; and

WHEREAS, this proposal, if enacted, would essentially result in a 100% increase in power rates over a 7-year period, which will severely harm the region's businesses and industries, as well as all the residents of the region; and

WHEREAS, the President's additional budget proposal to increase the types of transactions that would count against the Bonneville Power Administration's authorized debt limit would negatively impact the Bonneville Power Administration's ability to upgrade existing infrastructure or build new vital infrastructure; and

WHEREAS, this proposal would lead to further limiting investment in an already constrained transmission system, which could result in electricity shortages and decreased reliability.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

(1) That the proposal to transition the Bonneville Power Administration from cost-based rates to market-based rates, as expressed in the President's fiscal year 2006 proposed budget, be rejected.

(2) That the proposal to include additional transactions in the Bonneville Power Administration's authorized debt limit be rejected.

(3) That the Secretary of State send copies of this resolution to the Honorable George W. Bush, President of the United States, the President of the United States Senate, the Speaker of the House of Representatives, the Montana Congressional Delegation, and the Secretary of the United States Department of Energy, Samuel W. Bodman.

SENATE JOINT RESOLUTION NO. 35

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA REQUESTING THE LEGISLATIVE COUNCIL TO DESIGNATE AN APPROPRIATE INTERIM COMMITTEE OR DIRECT SUFFICIENT STAFF RESOURCES TO STUDY METHODS TO INCREASE THE RESPONSIVENESS, EFFECTIVENESS, AND EFFICIENCIES OF PROFESSIONAL AND OCCUPATIONAL BOARDS AND PROGRAMS DEDICATED TO PUBLIC SERVICE IN MONTANA AND TO PROVIDE RECOMMENDED POLICIES FOR CREATION OF NEW BOARDS, BOARD RULEMAKING, AND BOARD ACCOUNTABILITY.

WHEREAS, Montana has 32 professional and occupational licensing boards administratively attached to the Department of Labor and Industry and other regulatory boards attached to other departments, some of which have similar areas of jurisdiction, which occasionally results in jurisdictional conflicts and lack of mission clarity; and

WHEREAS, the 58th Montana Legislature called for limited-scope performance audits of the operations of professional and occupational licensing boards, which resulted in legislation in the 59th Legislature to clarify jurisdiction between the boards and the department to which they are attached but which did not address policies related to both board and department accountability to legislative intent, especially as accountability relates to public safety and protection; and

WHEREAS, the continuing growth of the service industry in Montana has resulted in requests for recognition of professional and occupational status through licensing programs with a resulting expansion of state regulatory authority funded primarily through costs assessed to those being licensed and regulated; and

WHEREAS, the Legislature may assign rulemaking authority to boards that operate autonomously in implementing legislative directives, with limited, inconsistent oversight by legislative committees and limited oversight by the

department to which the board is assigned, sometimes resulting in rules that appear contrary to legislative intent; and

WHEREAS, tension may exist between the role of board members who are knowledgeable about their profession or occupation, which is necessary for rulemaking and regulation of the profession or occupation, and the role of board members in licensing new members who may increase competition within the profession or occupation; and

WHEREAS, appropriate consolidation of boards and revised oversight responsibilities may result in increased efficiencies, effectiveness, and oversight.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the Legislative Council be requested to designate an appropriate interim committee, pursuant to section 5-5-217, MCA, or direct sufficient staff resources to examine the appropriate role of boards in implementing professional and occupational licensing and oversight with the goal of protecting public safety and to study whether consolidating boards and providing subgroups within boards would increase cost efficiencies and governance efficiencies while protecting the public safety.

BE IT FURTHER RESOLVED, that the study address the tensions created by jurisdictional disputes between boards and seek ways to resolve these disputes through consolidation, more specific delineation of authority, or other alternatives.

BE IT FURTHER RESOLVED, that the study address for each board created by the Legislature the balance of professional and occupational membership to public interest membership and whether changing the board membership would improve public protection, which is the basic rationale for the state's regulation of boards.

BE IT FURTHER RESOLVED, that the study address the role of a board's rulemaking authority and the oversight of a board's rulemaking to determine what policies may be necessary to improve implementation of legislative intent and the degree and the extent of the delegation of rulemaking authority to boards rather than to a department.

BE IT FURTHER RESOLVED, that the study provide policy considerations for the Legislature to use in reviewing creation of new boards.

BE IT FURTHER RESOLVED, that the appropriate interim committee or staff work with board members, interested parties, and the affiliated departments to include the broadest perspectives during the implementation of this study.

BE IT FURTHER RESOLVED, that if the study is assigned to staff, any findings or conclusions be presented to and reviewed by an appropriate committee designated by the Legislative Council.

BE IT FURTHER RESOLVED, that all aspects of the study, including presentation and review requirements, be concluded prior to September 15, 2006.

BE IT FURTHER RESOLVED, that the final results of the study, including any findings, conclusions, comments, or recommendations of the appropriate committee, be reported to the 60th Legislature.

SENATE JOINT RESOLUTION NO. 36

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA REQUESTING AN INTERIM STUDY TO INVESTIGATE THE POTENTIAL BENEFITS OF, AND OBSTACLES TO, EXPANDING DISTRIBUTED ENERGY GENERATION IN MONTANA.

WHEREAS, Montana citizens and lawmakers have become very interested in renewable and other small-scale distributed generation systems since the electrical energy crisis in the summer of 2001; and

WHEREAS, distributed energy generation complements the central-station model of electricity generation and offers potential solutions to many of today's pressing energy and electric power problems, including energy price spikes, energy security concerns, power quality issues, rising energy costs, tighter emissions standards, transmission bottlenecks, and the desire for greater control over energy costs; and

WHEREAS, distributed generation might provide a more affordable alternative for adding future load to remote Montana locations than adding parallel lines over long distances; and

WHEREAS, distributed energy technologies may be used to meet baseload power, peaking power, backup power, remote power, power quality, and cooling and heating needs; and

WHEREAS, several of the emerging technologies currently being promoted and developed in Montana, such as rooftop solar arrays, small wind turbines, and fuel cells, are ideal for distributed generation; and

WHEREAS, permitting and construction of large, central power plants takes years, while small generating units can be brought online quickly; and

WHEREAS, homeowners and entrepreneurs generating more electricity than they need can net meter and sell their surplus to the grid; and

WHEREAS, an in-depth study is needed to explore any technical, market, and regulatory challenges to developing distributed generation that might exist and to inform the Legislature how these barriers might be overcome.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the Legislative Council be requested to designate an appropriate interim committee, pursuant to section 5-5-217, MCA, or direct sufficient staff resources to explore any technical, market, and regulatory challenges to developing distributed generation that might exist and to inform the Legislature how these barriers might be overcome.

BE IT FURTHER RESOLVED, that if the study is assigned to staff, any findings or conclusions be presented to and reviewed by an appropriate committee designated by the Legislative Council.

BE IT FURTHER RESOLVED, that all aspects of the study, including presentation and review requirements, be concluded prior to September 15, 2006.

BE IT FURTHER RESOLVED, that the final results of the study, including any findings, conclusions, comments, or recommendations of the appropriate committee, be reported to the 60th Legislature.

Adopted April 19, 2005

SENATE JOINT RESOLUTION NO. 37

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA REQUESTING A STUDY OF THE CHILD PROTECTIVE SERVICES SYSTEM IN MONTANA.

WHEREAS, the child protective services system is a complex system involving children and families, schools, law enforcement, county attorneys, district courts, guardians ad litem, court-appointed special advocates, the Department of Public Health and Human Services, Indian tribes, and the federal government; and

WHEREAS, numerous federal and state audits have found many deficiencies in the system, yet changes to the system have been slow and the necessary resources to implement the changes have yet to be committed; and

WHEREAS, numerous pieces of legislation have been introduced illustrating the need for change within the child protective services system, such as legislation regarding the professionalization of social workers employed by the Department of Public Health and Human Services, the need for a child and family ombudsman, the need for adequate counsel for families in the system, the need for treatment courts, and the need for further involvement of extended families; and

WHEREAS, children and families involved in child protective services are members of communities and need community involvement outside of the department for prevention and community support may serve the best interests of the child and the child's family; and

WHEREAS, an analysis of the child protective services system that brings safety and permanency to the forefront to provide greater prevention services and community involvement is warranted.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the Legislative Council be requested to designate an appropriate interim committee, pursuant to section 5-5-217, MCA, or direct sufficient staff resources to study the child protective services system in Montana.

BE IT FURTHER RESOLVED, that the committee review the entire system from the initial call regarding an allegation of abuse or neglect and the effectiveness of the centralized intake system to the availability of prevention services and mediation, the child's voice in the process, the level of desired community involvement, and the potential reallocation of resources with safety and permanency at the forefront.

BE IT FURTHER RESOLVED, that if the study is assigned to staff, any findings or conclusions be presented to and reviewed by an appropriate committee designated by the Legislative Council.

BE IT FURTHER RESOLVED, that all aspects of the study, including presentation and review requirements, be concluded prior to September 15, 2006.

BE IT FURTHER RESOLVED, that the final results of the study, including any findings, conclusions, comments, or recommendations of the appropriate committee, be reported to the 60th Legislature.

Adopted April 18, 2005

SENATE JOINT RESOLUTION NO. 38

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA REQUESTING THE LEGISLATIVE COUNCIL TO DESIGNATE AN APPROPRIATE INTERIM COMMITTEE OR DIRECT SUFFICIENT STAFF RESOURCES TO STUDY ISSUES RELATED TO IDENTITY THEFT, INCLUDING JURISDICTIONAL ISSUES REGARDING FEDERAL AND STATE AUTHORITY, THE PROSECUTION OF INTERNET CRIMES, THE ROLE OF CREDIT REPORTS AND CREDIT REPORTING AGENCIES, THE ROLE OF EDUCATION FOR BUSINESSES AND CONSUMERS, VICTIM RESTITUTION, SALES OF PERSONAL INFORMATION BY THIRD PARTIES AND DIRECT MARKETING FIRMS, AND OTHER IDENTITY THEFT ISSUES RAISED DURING THE STUDY.

WHEREAS, identity theft is increasing and affecting more Montanans, with a 2003 Federal Trade Commission survey estimating between 9 million and 10 million identity theft cases over a 1-year period nationwide, of which approximately 33,000 cases were estimated for Montana, with financial losses from identity theft estimated at \$52.6 billion nationally in 2004 by the Federal Trade Commission, and with the unknown cost of time spent in trying to prove, disprove, and rectify credit histories, which is complicated by a lack of coordination that results in Montanans having trouble finding solutions to the myriad credit, financial, and social repercussions of identity theft; and

WHEREAS, the increasing electronic compilation and linkage of data related to businesses and individuals has created increased efficiencies as well as the opportunity for identity theft that can wreak havoc on business and individual financial dealings; and

WHEREAS, the federal government and state governments seek to maintain a smoothly operating financial system while preserving business and consumer rights to protect against the improper use of their business or personal financial data; and

WHEREAS, disagreement exists regarding ownership of the information compiled on businesses and individuals, which complicates the issues raised over inaccurate or stolen identity data and the sale of information to third parties or direct marketing organizations; and

WHEREAS, the global nature of the Internet and the potential for electronic data to be shared worldwide complicate jurisdictional authority over prosecution of identity theft and restitution for victims; and

WHEREAS, government documents, trade secrets, and medical records fall under myriad disclosure or privacy laws, which further raises questions of coordination among these laws.

NOW, THEREFORE, BE IT RESOLVED BY THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the Legislative Council be requested to designate an appropriate interim committee, pursuant to section 5-5-217, MCA, or direct sufficient staff resources to study issues related to identity theft, including how these issues are being handled at the federal level and in other states, and what public policy options the Montana Legislature might consider in response.

BE IT FURTHER RESOLVED, that the study address the scope of authority for the state to regulate access to and content of credit reports in cases of identity theft as well as the duties of credit bureaus related to identity theft reports.

BE IT FURTHER RESOLVED, that the study address issues related to consumer protection and prosecution related to identity theft as the theft involves direct marketing organizations and sales of identity theft information to third parties.

BE IT FURTHER RESOLVED, that the study address criteria for businesses to use to protect information that could be used against their Montana customers.

BE IT FURTHER RESOLVED, that the study address victim restitution and what processes might be needed to address cross-jurisdictional authority for restitution and prosecution.

BE IT FURTHER RESOLVED, that the study propose consumer education and business education measures and processes for protecting personal and business information, for dealing with promotional credit offers or "live" credit cards that, if stolen, could impact a person's credit history, and for dealing with personal and business identity theft.

BE IT FURTHER RESOLVED, that the study address the tools and training needed by law enforcement and regulators and propose policies and budgets to address these issues.

BE IT FURTHER RESOLVED, that the study review the various types of government records and the interaction between privacy and the right to know as these concepts affect the protection of identity, trade secrets, medical records, and other information regulated by privacy laws.

BE IT FURTHER RESOLVED, that the study include legislators and interested parties to address these issues and any other issues raised during the study.

BE IT FURTHER RESOLVED, that if the study is assigned to staff, any findings or conclusions be presented to and reviewed by an appropriate committee designated by the Legislative Council.

BE IT FURTHER RESOLVED, that all aspects of the study, including presentation and review requirements, be concluded prior to September 15, 2006.

BE IT FURTHER RESOLVED, that the final results of the study, including any findings, conclusions, comments, or recommendations of the appropriate committee, be reported to the 60th Legislature.

SENATE JOINT RESOLUTION NO. 39

A JOINT RESOLUTION OF THE SENATE AND THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA REQUESTING AN INTERIM STUDY TO EVALUATE THE POSSIBLE CREATION OF AN ONGOING ENERGY PLANNING AND COORDINATING ENTITY IN MONTANA.

WHEREAS, energy conservation and resource development are critical to Montana's future; and

(2) A bill may be rereferred at any time before its passage.

S30-120. Notice of committee hearings — exceptions. (1) Notice of a committee hearing must be made by posting the date, time, and subject of the hearing in a conspicuous public place not less than 3 legislative days in advance

of the hearing. This 3-day notice requirement does not apply to hearings scheduled:

- (a) prior to the 3rd legislative day;
 - (b) less than 10 legislative days before the transmittal deadline applicable to the subject of the hearing; or
 - (c) to consider confirmation of a gubernatorial appointment received less than 10 legislative days before the last scheduled day of a legislative session.
- (2) When a committee hearing is scheduled with less than 3 days' notice, the committee chair shall use all practical means to disseminate notice of the hearing to the public.
- (3) Notice of conference committee hearings must be given as provided in Joint Rule 30-30.

S30-130. Majority/minority reports. If the members of a committee cannot agree on a report, the majority and minority of the committee present at a committee meeting may submit separate reports. Only one minority report may be submitted. The reports must be entered at length on the journal, unless otherwise ordered by the Senate.

S30-140. Reconsideration in committee. Except for the Committee of the Whole, a committee may at any time prior to submitting a report to the Secretary of the Senate reconsider its previous action on legislation.

S30-150. Committee requested legislation. (1) (a) Except as provided in subsection (1)(b), at least three-fourths of all the members of a standing committee must have voted in favor of the question to allow the committee to request the introduction of legislation.

(b) The Finance and Claims Committee may request the introduction of legislation by a majority vote of all of the members of the committee.

(2) The chair of a committee shall introduce, or shall designate a member of the committee to introduce, legislation requested by the committee. The introduced bill must be referred to the requesting committee.

(3) When a committee has proposed an amendment, the chair is the principal sponsor.

S30-160. Ethics Committee. (1) The Ethics Committee shall meet only upon the call of the chair after the referral of an issue from the Rules Committee. The Rules Committee may be convened to consider the referral of a matter to the Ethics Committee upon the request of a Senator. The Rules Committee shall prepare a written statement of the specific question or issue to be addressed by the Ethics Committee. The issues referred to the Ethics Committee must be related to the actions of a Senator during a legislative session.

(2) The matters that may be referred to the Ethics Committee are:

- (a) a violation of:
 - (i) 2-2-103;
 - (ii) 2-2-104;
 - (iii) 2-2-111;
 - (iv) 2-2-112;
- (b) the use or threatened use of a Senator's position for personal or personal business benefit or advantage; or

(c) any other violation of law by a Senator while acting in the capacity of Senator.

(3) If there is a recommendation from the Ethics Committee, the recommendation is made to the Senate.

CHAPTER 4

Legislation

S40-10. Types of legislation. The only types of legislation that may be introduced in the Senate are those that have been drafted and approved by the Legislative Services Division and signed by a Senator. The types of legislation allowed include:

- (1) bills of any subject, except appropriations;
 - (2) joint resolutions, which may:
 - (a) express desire, opinion, sympathy, or request of the Legislature;
 - (b) request an interim study by a legislative subcommittee;
 - (c) adopt or amend the joint rules;
 - (d) set salaries and other terms of employment for legislative employees;
- and
- (e) accomplish other legislative duties required by law; and
 - (3) simple resolutions, which may:
 - (a) adopt or amend Senate rules;
 - (b) provide for the internal affairs of the Senate;
 - (c) express confirmation of the Governor's appointments;
 - (d) make recommendations concerning the districting and apportionment plan as provided by Article V, section 14(4), of the Montana Constitution.

S40-20. Introduction. (1) Upon receiving a bill or resolution from a Senator, the Secretary of the Senate shall assign an appropriate sequential number, which constitutes introduction of the legislation.

(2) Bills and resolutions may be preintroduced, assigned to committee, and printed prior to the legislative session. The Legislative Services Division is responsible for ensuring the preintroduction intent from each Senator and presenting the preintroduced legislation to the Secretary of the Senate.

(3) Upon referral to committee, the Secretary of the Senate shall publicly post a listing of the bill or resolution by a summary of its title, together with a notation of the committee to which it has been assigned.

S40-30. Additional sponsors. (1) Additional sponsors may be added on motion of the chief sponsor at any time prior to a standing committee report on the bill or resolution. Forms for adding sponsors will be supplied on request by the Secretary of the Senate.

(2) Upon passage of the motion, the names of the additional sponsors will be printed in the journal and the form containing the signatures of the additional sponsors will be forwarded to the Legislative Services Division with the original bill for the inclusion of the names in subsequent printings of the bill or resolution.

S40-40. Reading limitations. (1) Every bill must be read three times prior to passage, either by title or by summary of title as provided in these rules.

(2) A bill or resolution may not have more than one reading on the same day except the last legislative day.

(3) An amendment may not be offered on third reading.

S40-50. Rules for questions requiring other than a majority vote. (1)

When a question requires more than a majority vote for final passage, a majority vote is sufficient to decide any question relating to the question prior to third reading.

(2) Any vote in the Senate on a bill proposing an amendment to the Montana Constitution under circumstances in which there exists the mathematical possibility of obtaining the necessary two-thirds vote of the Legislature will cause the bill to progress as though it had received the majority vote. This rule does not prevent a committee from indefinitely postponing or tabling a bill proposing an amendment to the Montana Constitution.

(3) If a bill has been amended in the House of Representatives and the amendments are accepted by the Senate, the bill must again be placed on third reading in the Senate to determine if the required number of votes has been cast.

S40-60. Scheduling for second reading. (1) All bills and resolutions that have been reported by a committee, accepted by the Senate, and reproduced must be scheduled for consideration by Committee of the Whole.

(2) Until the 50th legislative day, 1 day must elapse between receiving the legislation from printing and scheduling for second reading for consideration by Committee of the Whole.

(3) The majority leader shall arrange legislation on the agenda in the order in which the bills will be considered, unless otherwise ordered by the Senate or Committee of the Whole.

CHAPTER 5

Floor Action

S50-10. Attendance. Unless excused, Senators must be present at every sitting of the Senate and shall vote on questions put before the Senate.

S50-20. Orders of business. After prayer, roll call, and report on the journal, the order of business of the Senate is as follows:

- (1) communications and petitions;
- (2) reports of standing committees;
- (3) reports of select committees;
- (4) messages from the Governor;
- (5) messages from the House of Representatives;
- (6) motions;
- (7) first reading and commitment of bills;
- (8) second reading of bills (Committee of the Whole);
- (9) third reading of bills;
- (10) unfinished business;
- (11) special orders of the day; and
- (12) announcement of committee meetings.

To revert to or pass to a new order of business requires only a majority vote. Unless otherwise specified in the motion to recess, the Senate shall revert to Order of Business No. 1 when reconvening after a recess.

S50-30. Limitations on debate. A Senator may not speak more than twice on any one motion or question without unanimous consent of the Senate, unless the Senator has introduced or proposed the motion or question under debate, in which case the Senator may speak twice and also close the debate. However, a Senator who has spoken may not speak again on the same motion or question to the exclusion of a Senator who has not spoken.

S50-40. Procedure upon offering a motion. (1) When a motion is offered it must be restated by the presiding officer. If requested by the presiding officer or a Senator, it must be reduced to writing, presented at the rostrum, and read aloud by the Secretary.

(2) A motion may be withdrawn by the Senator offering it at any time before it is amended or voted upon.

S50-50. Precedence of motions. (1) When a question is under debate only the following privileged and subsidiary motions may be made:

- (a) to adjourn;
- (b) for a call of the Senate;
- (c) to recess;
- (d) question of privilege;
- (e) to lay on the table;
- (f) for the previous question;
- (g) to postpone to a certain day;
- (h) to refer or commit;
- (i) to amend; and
- (j) to postpone indefinitely.

(2) The motions listed in subsection (1) have precedence in the order listed.

(3) A question may be indefinitely postponed by a majority roll call of all Senators present and voting. When a bill or resolution is postponed indefinitely, it is finally rejected and may not be acted upon again except upon a motion of reconsideration.

(4) A motion or proposition on a subject different from that under consideration may not be admitted under color of amendment or substitute.

S50-60. Nondebatable motions. The following motions are not debatable:

- (1) to adjourn;
- (2) for a call of the Senate;
- (3) to recess or rise;
- (4) for parliamentary inquiry;
- (5) for suspension of the rules;
- (6) to lay on the table;
- (7) for the previous question;
- (8) to limit, extend the limits of, or to close debate;

(9) to amend an undebatable motion;

(10) to divide a question;

(11) to pass business in Committee of the Whole;

(12) to take from the table;

(13) a decision of the presiding officer, unless appealed or unless the presiding officer submits the question to the Senate for advice or decision; and

(14) all incidental motions, such as motions relating to voting or other questions of a general procedural nature.

S50-70. Amending motions. (1) Subject to subsection (2), no more than one amendment and no more than one substitute motion may be made to a motion. This rule permits the main motion and two modifying motions.

(2) A motion for a call of the Senate, for the previous question, to table, or to take from the table may not be amended.

S50-80. Previous question. (1) Except as provided in subsection (2), the effect of calling for the previous question, if adopted, is to close debate immediately, to prevent the offering of amendments or other subsidiary motions, and to bring to vote promptly the immediately pending main question and the adhering subsidiary motions, whether on appeal or otherwise.

(2) When the previous question is ordered on any debatable question on which there has been no debate, the question may be debated for one-half hour, one-half of that time to be given to the proponents and one-half to the opponents. The sponsor of the main motion on which the previous question is adopted may close on the motion.

(3) A call of the Senate is not in order after the previous question is ordered unless it appears upon an actual count by the presiding officer that a quorum is not present.

S50-90. Reconsideration. (1) Any Senator may, on the day the vote was taken or on the next day the Senate is in session, move to reconsider the question. A motion to reconsider is a debatable motion, but the debate is limited to the motion. The debate on a motion to reconsider may not address the substance of the matter for which reconsideration is sought.

(2) A motion to reconsider may not be withdrawn after the next legislative day without the unanimous consent of the Senate, and thereafter any Senator may call it up for consideration. However, a motion to reconsider made after the 54th day of the session must be disposed of when made.

(3) A motion to recall a bill from the House of Representatives constitutes notice to reconsider and must be acted on as a motion to reconsider. A motion to reconsider or to recall a bill from the House of Representatives may be made only under Order of Business No. 6 and, under that order of business, takes precedence over all motions except motions to recess or adjourn.

(4) When a motion to reconsider is laid on the table, a two-thirds majority is required to take it from the table. When a motion to reconsider fails, the question is finally and conclusively settled.

(5) If a motion to reconsider third reading action is carried, there may not be further action until the succeeding legislative day.

S50-100. Dividing a question. A Senator may move to divide a question if it includes two or more propositions so distinct in substance that if one thing is taken away a substantive question will remain.

S50-110. Conference committee reports. (1) When a conference committee report is filed with the Secretary of the Senate, the report must be read under Order of Business No. 3, select committees, and placed on the calendar the succeeding legislative day for consideration on second reading. If recommended favorably by the Committee of the Whole, it may be considered on third reading the same legislative day.

(2) If both the Senate and the House of Representatives adopt the same conference committee report on legislation requiring more than a majority vote for final passage, the Senate, following approval of the conference committee report on third reading, shall place the final form of the legislation on third reading to determine if the required vote is obtained.

(3) If the Senate rejects a conference committee report, the committee continues to exist unless dissolved by the President or by motion. The committee may file a subsequent report.

(4) A Senate conference committee may confer regarding matters assigned to it with any House conference committee with like jurisdiction and submit recommendations for consideration of the Senate.

S50-120. Second reading. (1) The Senate may resolve itself into a Committee of the Whole for consideration of business on second reading, by approval of a motion for that purpose.

(2) After a Committee of the Whole has been formed, the President shall appoint a chair to preside.

(3) All legislation considered in the Committee of the Whole must be read by a summary of its title. Unless the sponsor requests an opening statement beforehand, proposed amendments must be considered, and then the bill must be considered in its entirety.

(4) Prior to adoption of the Committee of the Whole report, a Senator may move to segregate legislation. If the motion prevails, the legislation remains on second reading.

(5) When a Committee of the Whole report on legislation is rejected, the legislation remains on second reading.

S50-130. Committee of the Whole amendments. (1) All Committee of the Whole amendments must be prepared, stipulating the date and time of preparation and staff approval, and delivered to the Secretary of the Senate for reading before the amendment is voted on.

(2) Each amendment, rejected or adopted, must be printed in the journal, along with the name of the sponsor and the vote on each.

S50-140. Motions in Committee of the Whole. (1) All proper motions on second reading are debatable.

(2) The only motions in order during Committee of the Whole are to:

- (a) amend;
- (b) recommend passage or nonpassage;
- (c) recommend concurrence or nonconcurrence;
- (d) indefinitely postpone;

- (e) pass consideration;
- (f) rise;
- (g) rise and report;
- (h) rise and report progress and ask leave to sit again; or
- (i) change the order in which legislation is placed on the agenda.

S50-150. Committee of the Whole — generally. (1) The Committee of the Whole may not appoint subcommittees.

(2) The Committee of the Whole may not punish its members for misconduct, but may report disorder to the Senate.

S50-160. Voting on second reading. (1) On Order of Business No. 8, in addition to other methods, a recorded vote may be made in the following manner: the chair may call for a voice vote to accept or reject a question. If the vote is other than unanimous, the chair may ask that the lesser number on the question indicate their vote by standing. The Secretary will then record the vote of those standing. The chair may then rule that unless excused those not standing and present have voted on the prevailing side of the question and that their vote be recorded as voting on the prevailing side. If there was a unanimous voice vote, all those present will be recorded as having voted for the question.

(2) A motion on second reading must be disposed of by a positive vote.

S50-170. Third reading procedure. (1) All legislation passing second reading must be placed on third reading the day following the receipt of the engrossing or other appropriate printing report.

(2) On Order of Business No. 9 the Secretary shall read the title and the President shall state the question as follows: "Senate bill number (or other appropriate identification)..... having been read three several times, the question is, shall the bill (or other appropriate identification) pass the Senate?"

(3) If an electronic voting system is used, the President shall state "Those in favor vote yes and those opposed vote no" and the Secretary will sound the signal and open the board for voting. After a reasonable pause the presiding officer asks "Has every member voted?" (reasonable pause), "Does any member wish to change his or her vote?" (reasonable pause), "The Secretary will record the vote."

S50-180. Senate voting — changing a vote. (1) A roll call vote must be taken on the request of two Senators, if the request occurs before the vote is taken.

(2) On a roll call vote the names of the Senators must be called alphabetically, unless an electronic voting system is used. A Senator may not vote after the decision is announced from the chair. A Senator may not explain a vote until after the decision is announced from the chair.

(3) A Senator may move to change the Senator's vote, on any recorded vote, within 1 legislative day of the vote. The Senator making the motion shall first specify the bill number, the date of the vote, and the original vote tally. A vote may not be changed if it would affect the outcome of legislation. The motion is nondebatable. If none of the Senators present object, the change must be entered into the journal.

(4) If any Senator objects to the request in subsection (3), the Senator making the request may move to suspend the rules to allow the Senator to change the Senator's vote.

(5) An error caused by a malfunction of the voting system may be corrected without a vote within 10 minutes of the malfunction.

S50-190. Pairs. (1) Two Senators may pair on a question that will be determined by a majority vote. On a question requiring a two-thirds vote for adoption, three Senators may pair, with two Senators for the question and one Senator against. Pairing is permitted only when one of the paired Senators is excused when the vote is taken.

(2) An agreement to pair must be in writing and dated and signed by the Senators agreeing to be bound and must specify the duration of the pair. When an agreement to pair is filed with the Secretary of the Senate, it binds the Senators signing until the expiration of time for which it was signed, unless the paired Senators sooner appear and ask that the agreement be canceled.

(3) Pairs in Committee of the Whole are prohibited.

S50-200. Call of the Senate. (1) In the absence of a quorum, a majority of Senators present may compel the attendance of absent Senators by ordering a call of the Senate.

(2) If a quorum is present, five Senators may order a call of the Senate.

(3) On a call of the Senate, a Senator who refuses to attend may be arrested by the Sergeant-at-Arms or any other person, as the majority of the Senators present direct. When the attendance of an absent Senator is secured and the Senate refuses to excuse the Senator's absence, the Senator may not be paid any expense payments while absent and is liable for the expenses incurred in procuring the Senator's attendance.

(4) During a call of the Senate, all business must be suspended. After a call has been ordered, no motion is in order except a motion to adjourn or remove the call. The call may be removed by a two-thirds vote.

S50-210. House amendments to Senate legislation. (1) When the House has properly returned Senate legislation with House amendments, the Senate shall announce the amendments on Order of Business No. 5 and the President shall place them on second reading for debate. The President may rerefer Senate legislation with House amendments to a committee for a hearing if the House amendments constitute a significant change in the Senate legislation. The second reading vote is limited to consideration of the House amendments.

(2) If the Senate accepts House amendments, the Senate shall place the final form of the legislation on third reading to determine if the legislation, as amended, is passed or if the required vote is obtained.

(3) If the Senate rejects the House amendments, the Senate may request the House to recede from its amendments or may direct appointment of a conference committee and request the House to appoint a like committee.

S50-220. Governor's amendments. (1) When the Governor returns a bill with recommended amendments, the Senate shall announce the amendments under Order of Business No. 4.

(2) The Senate may debate and adopt or reject the Governor's recommended amendments on second reading on any legislative day.

(3) If both the Senate and the House of Representatives accept the Governor's recommended amendments on a bill that requires more than a majority vote for final passage, the Senate shall place the final form of the legislation on third reading to determine if the required vote is obtained.

S50-230. Governor's veto. (1) When the Governor returns a bill with a veto, the Senate shall announce the veto under Order of Business No. 4.

(2) On any legislative day, a Senator may move to override the Governor's veto by a two-thirds vote under Order of Business No. 6.

CHAPTER 6

Rules

S60-10. Senate rules. (1) A motion to amend or adopt a rule of the Senate must be referred to the Rules Committee without debate. A rule of the Senate may be amended or adopted only with the concurrence of a majority of the Senate and after 1 day's notice.

(2) A rule may be suspended temporarily by a two-thirds vote.

S60-20. Mason's Manual of Legislative Procedure. Mason's Manual of Legislative Procedure (2000) governs the proceedings of the Senate in all cases not covered by these rules.

S60-30. Quorum. A majority of the Senate shall constitute a quorum to do business, but a smaller number may adjourn from day to day and compel the attendance of absent Senators, in the manner and under penalties as the Senate may prescribe (Montana Constitution, Art. V, Sec. 10(2)).

CHAPTER 7

Nominations from the Governor

S70-10. Nominations. (1) The Governor shall nominate and, by and with the consent of the Senate, appoint all officers whose offices are established by the Montana Constitution or which may be created by law and for whom appointment or election is not otherwise provided.

(2) If during a recess of the Senate a vacancy occurs in any office subject to Senate confirmation, the Governor shall appoint some fit person to discharge the duties of the office until the next meeting of the Senate, when the Governor shall nominate a person to fill the office.

S70-20. Introduction and first reading of nominations. (1) Nominations received from the Governor are:

- (a) received by the President;
- (b) delivered to the Secretary of the Senate;
- (c) read under Order of Business No. 4, messages from the Governor; and
- (d) referred to committee.

(2) The procedure in subsection (1) constitutes introduction and first reading of the nominations.

(3) The Secretary shall distribute a copy of the list of nominations to each Senator.

S70-30. Committee process. (1) (a) The committee shall research each nominee and may request biographical information from the Governor for each nominee if none has been provided.

(b) The committee chair shall submit a bill draft request for a simple resolution to include the nominees specified by the committee chair. These bill draft requests will not count against any bill draft request limit imposed on members. When the resolution has been prepared and introduced, the

committee shall hold a hearing on the resolution after appropriate public notice has been made.

(2) Following the hearings, the committee shall issue preliminary standing committee reports to be distributed to each Senator, stating the committee's recommendations concerning the nominees.

(3) (a) If a Senator wishes to have an individual nominee, or group of nominees, considered by the Senate separately from the group of nominees recommended by the committee, the Senator may request of the chair of the committee that the nominee or nominees be considered by a separate resolution.

(b) A Senator shall request separate consideration of a nominee within 3 days of receipt of the preliminary standing committee report. The committee chair shall honor this request.

(4) After waiting 3 days from the day of distribution of the preliminary standing committee report, the committee chair shall issue a final standing committee report and deliver the report to the Secretary of the Senate.

(a) If a nominee is to be separated from the resolution, the final standing committee report must include an amendment deleting that nominee.

(b) When a nominee has been separated at the request of a Senator, the committee chair shall submit a bill draft request for a simple resolution to include only the nominee so separated. When the resolution has been prepared and introduced, the committee shall take executive action on the resolution. When a hearing on the separated nomination was held prior to the committee's preliminary standing committee report, an additional hearing is not required to be held before the committee takes action on the separate resolution. After the committee's executive action, the committee chair shall issue a standing committee report.

(5) If a resolution contains only one nominee, the committee shall dispense with the preliminary standing committee report and shall issue a final standing committee report to be distributed to each Senator stating the committee's recommendation concerning the nominee.

(6) The Secretary will read the reports under Order of Business No. 2, reports of standing committees.

(7) After the report has been read, the resolution must be placed on Order of Business No. 11 the next legislative day for consideration by the Senate. Motions to approve or disapprove of the resolution are in order and may be debated.

2004 BALLOT ISSUES

CONSTITUTIONAL AMENDMENT NO. 40

The 2003 Legislature submitted this proposal for a vote. It would amend Montana's Constitution to require the legislature to establish and provide a funding source for a noxious weed management trust fund. The principal would remain untouchable at 10 million dollars unless appropriated by vote of three-fourths of the members of each house of the legislature. Interest, income, and principal in excess of 10 million dollars from the trust could be expended by majority vote of both houses of the legislature to fund only the noxious weed management program.

This amendment provides constitutional protection to the current statutory weed management trust fund. It would have no additional fiscal impact to the state.

Constitutional Amendment No. 40 was approved by the following vote at the General Election held November 2, 2004:

For: 323,929

Against: 105,086

The title and text of the Amendment follows:

AN ACT SUBMITTING TO THE QUALIFIED ELECTORS OF MONTANA AN AMENDMENT TO ARTICLE IX OF THE MONTANA CONSTITUTION TO CREATE A NOXIOUS WEED MANAGEMENT TRUST FUND; PROVIDING FOR THE PROTECTION OF THE TRUST IN THE AMOUNT OF \$10 MILLION UNLESS APPROPRIATED BY A VOTE OF THREE-FOURTHS OF THE MEMBERS OF EACH HOUSE OF THE LEGISLATURE; AND PROVIDING FOR THE APPROPRIATION OF INTEREST, INCOME, AND A PORTION OF THE PRINCIPAL.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

Section 1. Article IX of The Constitution of the State of Montana is amended by adding a new section 6 that reads:

Section 6. Noxious weed management trust fund. (1) The legislature shall provide for a fund, to be known as the noxious weed management trust of the state of Montana, to be funded as provided by law.

(2) The principal of the noxious weed management trust fund shall forever remain inviolate in an amount of ten million dollars (\$10,000,000) unless appropriated by vote of three-fourths ($\frac{3}{4}$) of the members of each house of the legislature.

(3) The interest and income generated from the noxious weed management trust fund may be appropriated by a majority vote of each house of the legislature. Appropriations of the interest and income shall be used only to fund the noxious weed management program, as provided by law.

(4) The principal of the noxious weed management trust fund in excess of ten million dollars (\$10,000,000) may be appropriated by a majority vote of each house of the legislature. Appropriations of the principal in excess of ten million dollars (\$10,000,000) shall be used only to fund the noxious weed management program, as provided by law.

- ☐ FOR creating a noxious weed management trust fund and restricting its use.
- ☐ AGAINST creating a noxious weed management trust fund and restricting its use.

CONSTITUTIONAL AMENDMENT NO. 41

The 2003 Legislature submitted this proposal for a vote. It would amend the Montana Constitution by adding a provision specifically to recognize and preserve the opportunity of Montana citizens to harvest wild fish and wild game animals. The amendment specifies that this new provision does not create a right to trespass on private property or diminish any other private rights. This amendment is effective upon approval by the electorate.

Constitutional Amendment No. 41 was approved by the following vote at the General Election held November 2, 2004:

For: 345,505

CONSTITUTIONAL INITIATIVE NO. 96

Montana statutes define civil marriage as between a man and a woman, and prohibit marriage between persons of the same sex. The Montana Constitution currently contains no provisions defining marriage. This initiative, effective immediately, would amend the Montana Constitution to provide that only a marriage between a man and a woman may be valid if performed in Montana, or recognized in Montana if performed in another state.

For: 295,070

Against: 148,263

The text of the Initiative follows:

NEW SECTION. Section 1. Article XIII of The Constitution of the State of Montana is amended by adding a new section 7 that reads:

Section 7. Marriage. Only a marriage between one man and one woman shall be valid or recognized as a marriage in this state.

Section 2. Effective Date. This amendment is effective upon approval by the electorate.

INITIATIVE NO. 148

This initiative would allow the production, possession, and use of marijuana by patients with debilitating medical conditions. Patients could use marijuana, under medical supervision, to alleviate the symptoms of conditions including cancer, glaucoma, and HIV/AIDS, or other conditions or treatments that produce wasting, severe or chronic pain, severe nausea, seizures, severe muscle spasms, or other conditions defined by the State. A patient or the patient's caregiver could register to grow and possess limited amounts of marijuana by submitting to the State written certification by a physician that the patient has a debilitating medical condition and would benefit from using marijuana.

There would be no measurable cost to state government from the approval of this initiative.

Initiative No.148 was approved by the following vote at the General Election held November 2, 2004:

For: 276,042

Against: 170,579

The text of the Initiative follows:

NEW SECTION. Section 3. Procedures — minors — confidentiality — report to legislature. (1) The department shall establish and maintain a program for the issuance of registry identification cards to persons who meet the requirements of [sections 1 through 9].

(2) Except as provided in subsection (3), the department shall issue a registry identification card to a qualifying patient who submits the following, in accordance with department rules:

A caregiver may receive reasonable compensation for services provided to assist with a qualifying patient's medical use of marijuana.

(5) (a) The department shall verify the information contained in an application or renewal submitted pursuant to this section and shall approve or deny an application or renewal within 15 days of receipt of the application or renewal.

(b) The department may deny an application or renewal only if the applicant did not provide the information required pursuant to this section, the department determines that the information was falsified, or the applicant is not qualified to receive a registry identification card under the provisions of [sections 1 through 9]. Rejection of an application or renewal is considered a final department action, subject to judicial review.

(6) The department shall issue a registry identification card within 5 days of approving an application or renewal. Registry identification cards expire 1 year after the date of issuance. Registry identification cards must state:

(a) the name, address, and date of birth of the qualifying patient;

(c) the date of issuance and expiration date of the registry identification card; and

INITIATIVE NO. 149

This initiative increases tobacco taxes by approximately 140%, to \$1.70 per pack of cigarettes, 85¢ per ounce of moist snuff, and 50% on all other tobacco products, and changes the use of these revenues. The initiative reserves approximately 45% of these revenues for: additional enrollment in the children's health insurance program; increased Medicaid services and provider rates; and, if created by the legislature, a supplemental need-based prescription drug program for certain groups, and programs to help small businesses provide employee health insurance. Remaining revenues are allocated to state veterans' nursing homes, the state building fund, and the general fund.

In fiscal year 2005 this initiative would raise \$38,400,000 for new health insurance and Medicaid initiatives, and an additional \$400,000 for state buildings and \$6,000,000 for the general fund. These revenues could decrease over time as fewer persons consume tobacco. Funding for state veterans' nursing homes would remain at \$2,000,000.

Initiative No.149 was approved by the following vote at the General Election held November 2, 2004:

For: 282,448

Against: 163,626

The text of the Initiative follows:

PREAMBLE

WHEREAS, tobacco related disease is the single most preventable cause of death in Montana.

WHEREAS, tobacco related disease kills more people than alcohol, AIDS, car crashes, illegal drugs, murders, and suicides combined.

WHEREAS, 1,400 Montanans die each year from their addiction to smoking.

WHEREAS, smokeless tobacco use can lead to oral cancer, gum disease, and nicotine addiction; and increases the risk of cardiovascular disease, including heart attacks.

WHEREAS, over 18% of Montana high school students use spit tobacco, more than double the national average of 7.8 %.

WHEREAS, 17,100 Montana children, now under 18, will ultimately die prematurely from smoking.

WHEREAS, Montanans spend \$216 million annually on health care costs in Montana directly caused by smoking.

WHEREAS, studies have also found that adolescents and young adults are 2 to 3 times more likely to quit than adults due to tobacco price increases.

WHEREAS, significant tax increases on all tobacco products will reduce consumption, prevent kids from becoming addicted, and increase quitting success for all Montanans.

WHEREAS, Montana loses federal matching dollars every year by under funding Medicaid.

WHEREAS, 173,000 Montanans, including 41,500 children, lack health care coverage.

WHEREAS, 56% of uninsured Montanans are self-employed or work for small businesses with 10 or fewer employees; and 60% of small businesses cannot afford to offer health benefits.

WHEREAS, prescription drug costs are increasing 10% per year and are not affordable for many families, seniors or people with disabilities.

NOW THEREFORE, BE IT RESOLVED BY THE PEOPLE OF THE STATE OF MONTANA: That we raise the tax on cigarettes by \$1.00 per pack (from 70 cents to \$1.70 per pack) and increase the tax on smokeless tobacco by a proportional amount and dedicate use of those tax funds for health care needs.

BE IT ENACTED BY THE PEOPLE OF THE STATE OF MONTANA:

SECTION 1. Section 10-2-417, MCA is amended to read:

“Section 10-2-417. Use of funds generated by taxation on cigarettes.

(1) Revenue generated by 16-11-119 and allocated to the department of public health and human services must be used to support the operation and maintenance of the Montana veterans’ homes programs or for the health and medicaid initiatives specified by [section 7].

(2) The legislature shall appropriate from the account established in 16-11-119 the funds required for the operation and maintenance of the Montana veterans’ homes or required for the health and medicaid initiatives specified by [section 7].”

SECTION 2. Section 16-11-111, MCA is amended to read:

“16-11-111. Cigarette sales tax—exemption for sale to tribal member.

(1) (a) A tax on the purchase of cigarettes for consumption, use, or any purpose other than resale in the regular course of business is imposed and must be precollected by the wholesaler and paid to the state of Montana. The tax is ~~70 cents~~ **\$1.70** on each package containing 20 cigarettes. Whenever packages contain other than 20 cigarettes, there is a tax on each cigarette equal to $\frac{1}{20}$ the tax on a package containing 20 cigarettes.

(b) The tax computed under subsection (1)(a) applies to illegally packaged cigarettes under 16-11-307.

(2) The tax imposed in subsection (1) does not apply to quota cigarettes.

(3) Subject to the refund or credit provided in subsection (4), the tax must be precollected on all cigarettes entering a Montana Indian reservation.

(4) Pursuant to the procedure provided in subsection (5), a wholesaler making a sale of cigarettes to a retailer within the boundaries of a Montana Indian reservation may apply to the department for a refund or credit for taxes precollected on cigarettes sold by the retailer to a member of the federally recognized Indian tribe or tribes on whose reservation the sale is made. A

wholesaler who does not file a claim within 1 year of the shipment date forfeits the refund or credit.

(5) The distribution of tax-free cigarettes to a tribal member must be implemented through a system of preapproved wholesaler shipments. A licensed Montana wholesaler shall contact the department for approval prior to the shipment of the untaxed cigarettes. The department may authorize sales based on whether the quota, as established in a cooperative agreement between the department and an Indian tribe or as set out in this chapter, has been met. If authorized as a tax-exempt sale, the wholesaler, upon providing proof of order and delivery to a retailer within the boundaries of a Montana Indian reservation selling cigarettes to members of a federally recognized tribe or tribes of that reservation, must be given a refund or credit. Once the quota has been filled, the department shall immediately notify all affected wholesalers that further sales on that reservation must be taxed and that a claim for a refund or credit will not be honored for the remainder of the quota period. Quota allocations are not transferable between quota periods or between reservations.

(6) The total amount of refunds or credits allowed by the department to all wholesalers claiming the refund or credit under subsection (4) for any month may not exceed an amount that is equal to the tax due on the quota allocation. The department shall determine the amount of refunds or credits for each Indian reservation at the beginning of each fiscal year, using the most recent census data available from the bureau of Indian affairs or as provided in a cooperative agreement with the tribe or tribes of the Indian reservation."

SECTION 3. Section 16-11-114, MCA is amended to read:

"Section 16-11-114. Insignia discount. Each licensed wholesaler is entitled to purchase an insignia at full face value less the following percentage of the face value upon payment for the insignia as defrayment of the costs of affixing insignia and precollecting the tax on behalf of the state of Montana:

(1) ~~1.66%~~ 0.90% for the first 2,580 cartons or portion of 2,580 cartons purchased in any calendar month;

(2) ~~1.11%~~ 0.60% for the next 2,580 cartons or portion of 2,580 cartons purchased in any calendar month; and

(3) ~~0.83%~~ 0.45% for purchases in excess of 5,160 cartons in any calendar month."

SECTION 4. Section 16-11-119, MCA is amended to read:

"16-11-119. Disposition of taxes. (1) Cigarette taxes collected under the provisions of 16-11-111 must, in accordance with the provisions of 15-1-501, be deposited as follows:

(a) 8.3% or \$2 million, whichever is greater, in the state special revenue fund to the credit of the department of public health and human services for the operation and maintenance of state veterans' nursing homes;

(b) ~~4.3%~~ 2.6% in the long-range building program account provided for in 17-7-205; ~~and~~

(c) ~~44% in the state special revenue fund to the credit of the health and medicaid initiatives account provided for in [section 7]; and~~

(e)~~(d)~~ the remainder to the state general fund.

(2) If money in the state special revenue fund for the operation and maintenance of state veterans' nursing homes exceeds \$2 million at the end of the fiscal year, the excess must be transferred to the state general fund."

SECTION 5. Section 16-11-202, MCA is amended to read:

"16-11-202. Tax on sale of tobacco other than cigarettes – imposed on retail consumer – rate of tax. (1) All taxes paid pursuant to the provisions of this section are considered to be direct taxes on the retail consumer, precollected for the purpose of convenience and facility only. When the tax is paid by any other person, the payment is considered as an advance payment and must be added to the price of tobacco products and recovered from the ultimate consumer or user. A person selling tobacco products at retail shall state or separately display in the premises where the products are sold a notice of the tax included in the selling price and charged or payable pursuant to this section. The provisions of this section do not affect the method of collection of the tax as provided in this part.

(2) There must be collected and paid to the state of Montana a tax of ~~25%~~ 50% of the wholesale price, to the wholesaler, of all tobacco products, other than moist snuff. The tax on moist snuff is ~~35~~ 85 cents an ounce based upon the net weight of the package listed by the manufacturer. For packages of moist snuff that are less than or greater than 1 ounce, the tax must be proportional to the size of the package. Tobacco products shipped from Montana and destined for retail sale and consumption outside the state are not subject to this tax."

SECTION 6. Section 16-11-206, MCA is amended to read:

"16-11-206. Wholesaler's discount – disposition of taxes. (1) The taxes specified in this part that are paid by the wholesaler must be paid to the department in full less a ~~2.5%~~ 1.50% defrayment for the wholesaler's collection and administrative expense and must, in accordance with the provisions of 15-1-501, be deposited by the department as follows:

(a) one-half in the state general fund; and

(b) one-half in the state special revenue fund account for health and medicaid initiatives provided for in [section 7].

(2) Refunds of the tax paid must be made as provided in 15-1-503 in cases in which the tobacco products purchased become unsalable."

New Section. Section 7. Special Revenue Fund – Health and Medicaid Initiatives. (1) There is a health and medicaid initiatives account in the state special revenue fund established by 17-2-102. This account is to be administered by the department of public health and human services.

(2) There must be deposited in the account:

(a) money from cigarette taxes deposited under 16-11-119(1)(c); and

(b) money from taxes on tobacco products other than cigarettes deposited under 16-11-206(1)(b).

(3) This account shall be used only to provide funding for:

(a) the state funds necessary to take full advantage of available federal matching funds in order to maximize enrollment of eligible children under the children's health insurance program, provided for under Title 53, chapter 4, part 10, and to provide outreach to the eligible children. The increased revenue

in this account is intended to increase enrollment rates for eligible children in the program and not to be used to support existing levels of enrollment based upon appropriations for the biennium ending June 30, 2005.

(b) a new need-based prescription drug program established by the legislature for children, seniors, chronically ill, and disabled persons that does not supplant similar services provided under any existing program;

(c) increased medicaid services and medicaid provider rates. The increased revenue is intended to increase medicaid services and medicaid provider rates and not to supplant the general fund in the trended traditional level of appropriation for medicaid services and medicaid provider rates.

(d) an offset to loss of revenue to the general fund as a result of new tax credits or to fund new programs to assist small businesses with the costs of providing health insurance benefits to employees, if these tax credits or programs are established by the legislature after the effective date of this section.

(4) Until the programs or credits described in subsections 3(b) and 3(d) are established, the funding shall be used exclusively for the purposes described in subsections 3(a) and 3(c).

(5) The phrase "trended traditional level of appropriation" as used in subsection 3(c), means the appropriation amounts, including supplemental appropriations, as those amounts were set based on eligibility standards, services authorized and payment amount during the past five biennial budgets.

(6) The department of public health and human services may adopt rules to implement this section.

New Section. Section 8. Codification instruction – Section 7 is intended to be codified as part of Title 53, chapter 6 and the provisions of Title 53, chapter 6 apply to [section 7].

New Section. Section 9. Severability. If a part of this act is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of this act is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid application.

New Section. Section 11. Applicability. This act applies to cigarettes and other tobacco products received by wholesalers after December 31, 2004.
